S.F. No. 87 – Modifying Maximum Levy Rate for Cloquet Area Fire & Ambulance Special Taxing District

Author: Senator Jason Rarick

Prepared by: Eric Silvia, Senate Counsel (651/296-1771)

Date: January 19, 2021

SF 87 increases the maximum levy rate from 0.019 percent to 0.048 percent of the estimated market for those municipalities participating in the Cloquet Area Fire & Ambulance Special Taxing District that receive ambulance services only. The maximum levy rate for those municipalities that receive both fire and ambulance services remains unchanged at 0.02835 percent of estimated market value.

Effective upon compliance by the Cloquet Area Fire & Ambulance Special Taxing District with approval and filing requirements.
