S.F. No. 873 – Oversight of sober housing programs study and appropriation

Author: Senator Karin Housley

Prepared by: Patrick Hauswald, Senate Counsel (651/296-5079)

Date: February 18, 2021

S.F. No. 873 directs the commissioner of human services, in collaboration with the commissioner of health, to study and recommend a method for oversight of sober housing programs. The study must collect information from sober housing programs relating to current practices, standards, and services, and be developed in consultation with residents, former residents, and certain organizations that are familiar with sober housing. The commissioner must complete and submit a report on the study to the legislature by September 15, 2022. The bill includes a fillable onetime appropriation to fund the program study.
