

MINNESOTA SENATE
NONDISCRIMINATION AND
ANTI-HARASSMENT POLICY
AND PROCESS

As approved by the Senate Committee on Rules
and Administration on January 25, 2023

Purpose statement

The Minnesota Senate's objective is to create a work environment free from harassment and discrimination. Every member and employee of the Minnesota Senate is responsible for contributing to a respectful workplace. The senate does not tolerate discrimination or harassment, and every effort is made to resolve every complaint in the most effective, discrete, and restorative manner possible.

What to Do if You Believe You Have Experienced Discrimination or Harassment

You have several options for dealing with that experience. Depending on your situation and personal preferences, you should feel free to pursue one or more of these options.

1. Tell the individual.

This should be considered only if you feel comfortable. If the behavior continues, you can pursue another option below.

2. Make a complaint to a contact person.

When a complaint is made, an investigation must be conducted pursuant to this policy. Please read the policy for more information about how to proceed with this option.

3. Seek legal advice.

You may contact the Minnesota Department of Human Rights (MDHR) at (651) 539-1100 or the Equal Employment Opportunity Commission (EEOC) at (800) 669-4000. You may also consult an attorney at your own expense.

Free confidential support for employees and members of the senate is available before, during, or after the complaint process. This is offered through the State of Minnesota **Employee Assistance Program (EAP)** by calling (800) 657-3719.

Note: Contacting the EAP is not the same as making a complaint and will not initiate a complaint with the senate.

**Nondiscrimination and Anti-Harassment Policy and Process of the
Minnesota Senate**

Adopted by the Senate Committee on Rules and Administration, March 25, 2019;
revised March 22, 2021, June 30, 2022,
September 13, 2022, and January 25, 2023.

A. NONDISCRIMINATION AND ANTI- HARASSMENT POLICY AND PROCESS OF
THE MINNESOTA SENATE

It is the policy of the Minnesota Senate to create and maintain a work environment in which all members of the Minnesota Senate, employees, and third parties are treated with dignity and respect. Members, employees, and third parties have the right to a workplace that is free from discrimination and harassment, both subtle and overt. Therefore, the Minnesota Senate will strive to eliminate discriminatory and harassing behavior in the workplace based on race; color; national origin; sex, including pregnancy; marital status; religion; creed; familial status; sexual orientation; age; disability; status about public assistance; and membership or activity in a human rights commission. The provisions of this policy shall be liberally construed, and any ambiguity shall be resolved in a manner that best accomplishes this purpose.

All forms of discrimination and harassment are strictly forbidden and will not be tolerated.

B. APPLICABILITY

1. This policy applies to each member and employee of the Minnesota Senate and to third parties as described in Section C, Part 1.f of this policy and applies to any interaction of these individuals in any place or activity that may affect the legislative working environment.
2. This policy applies to senate employees, including senate employees on leave from the senate, at all times whether at the workplace or away from the Capitol Complex during any activity that involves legislative business or may affect the legislative working environment.
3. This policy does not apply to the interaction of third parties that does not involve any complaint of harassment or discrimination by or against a member or employee.

C. DEFINITIONS

1. As used in this policy:

- a. "Contact person" means a person required to make a report of discrimination or harassment upon receiving a complaint of discrimination or harassment and includes:
 - i. The Director of Human Resources;
 - ii. The Majority Leader of the Senate;
 - iii. The Minority Leader of the Senate;
 - iv. The Secretary of the Senate;
 - v. The respective Chief of Staff for each Senate caucus;
 - vi. Supervisors of staff. For purposes of this definition, "supervisor" means a member of the senate or a senate employee who is required to attend nondiscrimination and anti-harassment training for supervisors provided under this policy; or
 - vii. Members of the Minnesota Senate.
- b. "Discrimination" means to treat a person differently based upon a person's protected characteristic, with respect to hiring, tenure, compensation, terms, upgrading, conditions, facilities, or privileges of employment, except when based on a bona fide occupational qualification.
- c. "Employee" means an employee of the Minnesota Senate. For purposes of this policy only, "employee" includes full-time, part-time, temporary employees, voluntary interns, or any other employee of the Minnesota Senate.
- d. "Member" means a member of the Minnesota Senate.
- e. "Protected characteristic" means characteristics covered by Title VII of the Civil Rights Act of 1964 or the Minnesota Human Rights Act, or both, including: race; color; national origin; sex, including pregnancy; marital status; religion; creed; familial status; sexual orientation; age; disability; status with regard to public assistance; and membership or activity in a human rights commission.
- f. "Third party" means a member of the media, lobbyist, vendor, visitor, constituent, other state employees, and any other member of the general public who has business with or at the Minnesota Senate.
- g. "Harassment" means any unwelcome conduct that is based on a person's protected characteristic that: (1) interferes with an individual's work performance; (2) creates an intimidating, hostile, or offensive work environment; or (3) becomes a condition of continued employment. Harassment is a form of discrimination based on a person's protected characteristic and is a violation of Title VII of the federal Civil Rights Act or Minnesota Statutes, Chapter 363A, or both. (See Appendix A

for the definition of “sexual harassment” provided in Minn. Stat. 363A.03.)
Examples of harassment are described in section D. of this policy. While harassment includes sexual harassment, sexual harassment raises issues that are to some extent unique in comparison to other types of workplace harassment. Therefore, sexual harassment warrants separate emphasis and is further described in section E. of this Policy.

- h. “Complaint” means any time an individual covered by this policy describes to a contact person, either verbally or in writing, including in person, by phone or in an e-mail, a potentially discriminatory or harassing experience.

D. EXAMPLES OF HARASSMENT

1. Offensive and unwelcome conduct constituting harassment may include, but is not limited to the following conduct, if based on a protected characteristic: offensive jokes, slurs, epithets or name calling, physical assaults or threats, intimidation, ridicule or mockery, insults or put-downs, offensive objects or pictures, and interference with work performance. Harassment can occur in a variety of circumstances, including, but not limited to, the following:
 - a. The harasser can be a supervisor, a supervisor in another area, an agent of the employer, a co-worker, or a non-employee.
 - b. Harassment may occur when a person is affected by offensive conduct regardless of whether the person was the target of the offensive conduct.
 - c. Harassment may occur without economic injury to, or discharge of, a person affected by harassment.
2. **Harassment covered by this policy can occur outside the senate workplace if it impacts the working environment at the senate.**

E. EXAMPLES OF SEXUAL HARASSMENT

1. The following are some examples of sexual conduct or communication that may constitute sexual harassment or sexually offensive behavior:
 - a. VERBAL:
 - i. Sexual comments, compliments, innuendos, or suggestions about a person's clothing, body, or sexual activity.
 - ii. Discussing sexual topics in the workplace, such as sexual practices or preferences, or telling sexual jokes or stories.
 - iii. Requesting or demanding sexual favors or suggesting that there is any connection between sexual behavior and any term or condition of employment, whether that connection be positive or negative.
 - I. Using sexual words or phrases.
 - b. NONVERBAL:
 - i. Displaying sexually explicit pictures or objects in the work area.
 - ii. Giving personal gifts of a sexual nature.
 - iii. Making sexually suggestive facial expressions or gestures.
 - iv. Making unwelcome visits to a member's, employee's, or third-party's home or hotel room.
 - v. Displaying cartoons or sending e-mails, text messages, instant messages, or notes, any of which contain sexual pictures, words, or phrases.
 - c. PHYSICAL:
 - i. Kissing, touching, patting, pinching, or intentionally brushing against a member's, employee's, or third-party's body.
 - ii. Sexual contact, intercourse, or assault.

2. The examples in paragraph 1 are illustrative of the communications and conduct that may constitute sexual harassment if unwelcome and depending upon the totality of the circumstances. In that regard, the following should be kept in mind:
 - a. A single incident may or may not constitute sexual harassment.
 - b. Whether a particular action is sexual harassment will depend on the facts, and determinations will be made on a case-by-case basis.
 - c. Conduct or communications that might be welcome to one person may be unwelcome to another person. Conduct or communications that might have been welcome between two individuals at one time may become unwelcome at a later time.
 - d. Other conduct or a communication not expressly described in the examples, but which is substantially similar to the examples, may violate this policy.
3. **Harassment covered by this policy can occur outside the senate workplace if it impacts the working environment at the senate.**

F. CONSENSUAL RELATIONSHIPS

1. For purposes of this policy, “consensual relationship” means either a consensual romantic or consensual sexual relationship.
2. Whether or not both parties have consented to the relationship, the senate strongly discourages consensual relationships between: (1) a member and an employee; or (2) a supervisor and a subordinate employee over which the supervisor exercises administrative, supervisory, or evaluative authority or influence.
3. If a consensual relationship exists or develops between an employee and another individual and subsequent events create a supervisor/supervisee or similar relationship between them, the person with evaluative or supervisory authority is required to report the relationship to their supervisor so that evaluative functions can be reassigned if possible.
4. In the case of a consensual relationship involving a member and an employee, both parties must report the relationship to their designated caucus leadership and their supervisor as applicable regardless of whether that member has oversight or evaluative authority over the employee.
5. If there is a consensual relationship covered by this section, the senate’s non-discrimination and anti-harassment policy still applies.

G. RETALIATION PROHIBITED

1. The Minnesota Senate will not tolerate retaliation, whether verbal, nonverbal, or physical, as a consequence of engaging in protected conduct as defined in this section. Retaliation constitutes harassment under this policy. Any person found to have engaged in retaliation is subject to disciplinary action consistent with this policy.
2. Retaliation is any materially adverse action against a member, employee, or third-party that is intended to punish protected conduct. For the purposes of this section, “protected conduct” includes:
 - a. opposing discrimination or harassment in the workplace;
 - b. complaining of or reporting an incident of discrimination or harassment;
 - c. participating in any investigation;
 - d. testifying in any proceeding relating to a discrimination, harassment, or retaliation complaint; or
 - e. associating with a person or group of persons who are disabled or who are of different race, color, creed, religion, sexual orientation, or national origin.
3. Materially adverse actions can be job-related or not specifically job-related. Some examples of materially adverse actions include, but are not limited to, denial of a promotion, a demotion, non-hire, denial of job benefits, suspension, discharge, or other actions that can be challenged directly as employment discrimination. Materially adverse action can also include any adverse action that could dissuade a reasonable member, employee, or third party from engaging in protected conduct.
4. If an individual believes they have experienced retaliation under this policy, the individual should report their concerns to any contact person.

H. DUTIES AND RESPONSIBILITIES

1. Every member and employee of the Minnesota Senate is responsible for contributing to a respectful workplace. This includes being sensitive to inappropriate behavior, monitoring their own individual behavior and attitudes, and encouraging respect and dignity for everyone at all times. The Committee on Rules and Administration, or the Secretary of the Senate, as appropriate, shall take disciplinary or other appropriate action within its authority against individuals who fail to meet their obligations under this policy.
2. **Secretary of the Senate.** In addition to any other duties and responsibilities that apply to all employees, the Secretary of the Senate has a responsibility to:
 - a. publish and post conspicuously on the senate's internal and external websites the senate's nondiscrimination and anti-harassment policy and procedures,
 - b. provide training for all staff and members to inform them about and reinforce the senate's nondiscrimination and anti-harassment policy and procedures,
 - c. make training available annually for lobbyists and other third parties,
 - d. distribute an electronic copy of the senate's nondiscrimination and anti-harassment policy to all staff and members at least once annually,
 - e. ensure that training is provided for contact persons on their roles and responsibilities in dealing with discrimination and harassment, and promote fair and efficient handling of all complaints.
3. **Contact persons.** In addition to any other duties and responsibilities that apply to all employees, contact persons, as defined in Section C, Part 1.a of this policy, have a responsibility to:
 - a. promote a working environment free from discrimination and harassment and deal with discrimination and harassment when it is observed or reported,
 - b. respect the privacy as much as possible of all parties involved in a discrimination or harassment concern or complaint,
 - c. promptly report discrimination and harassment to the Director of Human Resources, and
 - d. participate in mandatory nondiscrimination and anti-harassment training for supervisors at least once a year. Contact persons are not required to attend the nondiscrimination and anti-harassment training provided for employees who are not contact persons.
 - e. Cooperate in a timely manner with requests for information and data necessary for the Director of Human Resources to carry out the Director's responsibilities under this policy.
4. **Employees** have a responsibility to:
 - a. promptly report concerns or complaints to a contact person,
 - b. respect the privacy as much as possible of all parties involved in a discrimination or

- harassment concern or complaint,
 - c. participate in mandatory nondiscrimination and anti-harassment training at least once every two years, and
 - d. cooperate in a timely manner with requests for information and data necessary for the Director of Human Resources to carry out the Director's responsibilities under this policy.
5. **All forms of discrimination and harassment are strictly forbidden and will not be tolerated.**

I. COMPLAINT PROCESS

1. **Process for complainants.** If an individual believes they may have experienced or witnessed any type of discrimination or harassment, the individual can:
 - a. Tell the person if comfortable;
 - b. Make a complaint to a contact person; or
 - c. Seek legal advice by consulting an attorney at the individual's own expense or contact the Minnesota Department of Human Rights (MDHR) or the Equal Employment Opportunity Commission (EEOC).
 - d. If confidential counseling regarding whether what was experienced was discrimination or harassment or if an individual simply needs someone to talk to about what the individual is experiencing, employees and members may also contact the Employee Assistance Program (EAP). The EAP will not communicate and is prohibited from disclosing what an individual tells them. An EAP consultant may be contacted at (800) 657-3719.
 - e. **Contacting the EAP is not the same as making a complaint and will not initiate a complaint with the senate.**
2. Employees, members, and third parties are strongly encouraged to report all incidents of harassment and discrimination. Individuals are encouraged to report incidents as soon as possible after the incident occurs.
3. If an individual decides to report a complaint, the complaint can be made to any of the following contact people:
 - The Director of Human Resources;
 - The Majority Leader of the Senate;
 - The Minority Leader of the Senate;
 - The Secretary of the Senate;
 - The respective Chief of Staff for each senate caucus;
 - Supervisors of staff; or
 - Members of the Minnesota Senate.
4. A report or complaint can be made in person, in writing, including via email, or by phone. To ensure a prompt and thorough investigation of a report or complaint, the complainant may be asked to provide information in writing. Information asked may include but is not limited to:

- a. The name, department, and position of the person(s) allegedly causing the harassment or discrimination.
 - b. A description of the incident(s), including the date(s), location(s), and the identity of any witnesses.
 - c. The name(s) of other individuals who may have been subject to similar harassment or discrimination.
 - d. What, if any, steps have been taken to stop the harassment or discrimination.
 - e. Any other information the complainant believes to be relevant.
5. **Process for contact persons.** In addition to any other duties and responsibilities that apply to all employees and members, whenever a contact person receives a report or complaint of potential discrimination, harassment, or retaliation the contact person is responsible to:
- a. Immediately report the information received concerning potential discrimination, harassment, or retaliation to the Director of Human Resources. If the matter involves the Director of Human Resources, the contact person must report the information to Senate Counsel or the Secretary of the Senate.
 - b. A contact person must report the information regardless of whether the contact person knows or has reason to believe that someone else has already reported it.
 - c. When any individual indicates they would like to discuss concerns about the senate working environment, a contact person must promptly inform the individual that:
 - i. they are encouraged to fully disclose anything that may involve discrimination, harassment, or retaliation;
 - ii. if they disclose specific information that may involve discrimination, harassment, or retaliation, the contact person will be required to promptly report it to the Director of Human Resources who must treat the information as a complaint under this policy;
 - iii. senate policy, as well as state and federal law, prohibits retaliation against someone who makes a complaint or aids in an investigation;
 - iv. any complaint would be handled confidentiality to the greatest extent possible, with information shared strictly on a need-to-know basis or as required by law;
 - v. the senate does not tolerate discrimination or harassment, and every effort is made to resolve every complaint in the most effective, discrete and restorative manner possible;

- vi. a senate employee may contact the employee assistance program for confidential counseling at any time, whether or not they make a complaint of discrimination or harassment; and
 - vii. contacting the employee assistance program alone would not result in a complaint or investigation.
- d. Document any information about potential discrimination, harassment, or retaliation and securely retain the documentation.
 - e. Refer all questions about this policy to the Director of Human Resources or their designee.
 - f. A contact person must NOT:
 - i. discourage anyone from sharing information about possible discrimination, harassment, or retaliation;
 - ii. attempt to address discrimination, harassment, or retaliation on their own;
 - iii. disclose information about possible discrimination, harassment, or retaliation to anyone other than the Director of Human Resources or their designee;
 - iv. guarantee that a complaint can be kept completely confidential under all circumstances;
 - v. or make their own decision about whether something meets the definition of discrimination, harassment, or retaliation under this policy. Any information that could potentially involve discrimination, harassment, or retaliation must be promptly reported to the Director of Human Resources.
6. **Process for Director of Human Resources.** Upon receipt of a report or complaint of potential discrimination, harassment, or retaliation the director shall:
- a. Inform the complainant and the person accused about the informal and formal resolution processes and provide information and answer any questions either party may have. All parties to the complaint are required to respect the privacy and confidentiality, to the greatest possible extent, of all involved. Retaliation is subject to disciplinary action consistent with the policy.
 - b. Put every effort towards a timely and thorough investigation process. This includes but is not limited to taking any interim measures necessary to protect individuals from discrimination, harassment, and retaliation while conducting the investigation.
 - c. Initiate and conduct the investigation as confidentially as possible.
 - d. Remind involved parties of the importance of maintaining confidentiality in this process.

- e. Respond timely to requests from the complainant or the person accused on the status of the complaint.
7. **Process for withdrawing a complaint.** A person seeking to withdraw a complaint they made under this policy must submit a written and signed withdrawal to the Director of Human Resources. The senate reserves the right to formally investigate the complaint under this policy and impose appropriate remedies even if the complaint is withdrawn to ensure a safe workplace free from discrimination and harassment.

J. INFORMAL RESOLUTION PROCESS FOR COMPLAINTS

1. The informal resolution process for a complaint is a structured interaction between involved parties that provides an opportunity to resolve issues in a creative, positive, and productive way when appropriate. The informal resolution process is flexible and should be tailored to the situation. In such instances when the informal process is contemplated, the Director of Human Resources shall consult with and advise the supervisor of the accused to discuss options such as coaching and counseling or oral reprimand in lieu of an investigation.
2. Participation in the informal resolution process is confidential and voluntary. If the parties agree to the informal resolution process, they are expected to participate fully and in good faith.
3. The Director of Human Resources shall take the steps necessary to understand the complaint and find facts to determine whether the behavior occurred. The Director of Human Resources shall attempt to complete the informal resolution process within 30 days after receipt of the complaint. Remedial action such as ongoing coaching, counseling, training, or other efforts may be decided upon within the 30-day timeline but may be ongoing after that time frame has elapsed.
4. Either party to the complaint may, at any point, move the complaint to the formal investigation and resolution process under this policy with written notice to the Director of Human Resources.
5. The senate reserves the right to formally investigate a complaint under this policy and impose appropriate remedies.

K. INVESTIGATION OF A COMPLAINT

1. The Director shall initiate and conduct an investigation as provided in this section when the formal process is used to resolve a complaint.
2. The Director of Human Resources, in consultation with Senate Counsel, as needed, will investigate the complaint as promptly and confidentially as possible.
3. The Director of Human Resources and any other individual assisting the Director as provided in this section may gather the following in an investigation from the complainant, the person accused, and any witnesses or coworkers:
 - a. **From the complainant:**
 - i. A description of the incident or incidents, including where and when the incident or incidents took place.
 - ii. Whether a similar incident or incidents has or have happened before.
 - iii. An explanation of how the incident or incidents affected the complainant's work.
 - iv. A description of the complainant's reaction to the incident or incidents.
 - v. Whether there were any witnesses to the facts surrounding the incident or incidents or any other evidence of its occurrence.
 - b. **From the person accused:**
 - i. An explanation of the circumstances surrounding the complainant's allegations and a request for a response.
 - ii. Any reason why the complainant may have misunderstood the actions of the person accused by the complainant, and any explanation of possible motives for the complaint.
 - iii. Whether there were any witnesses to the incident or incidents or any other evidence surrounding the complaint.
 - iv. Any instances of similar conduct involving the complainant or the person accused.
 - c. **From witnesses or co-workers:**

- i. What they observed.
 - ii. How they reacted to the circumstances surrounding the incident.
 - iii. What the complainant or the person accused of discrimination or harassment told them, and when the conversation occurred.
4. The Director shall complete the investigation of the complaint as promptly as possible after receiving the complaint. The investigation and recommendations must be completed within 60 days unless the Director is granted an extension of time to investigate a complaint by designated employment law counsel from the Office of Senate Counsel, Research, and Fiscal Analysis.
5. The Director of Human Resources, in consultation with Senate Counsel, may recommend the use of an outside individual or entity to investigate the complaint and to make recommendations. In such circumstances, the Director of Human Resources may provide information related to the complaint to the outside individual or entity conducting the investigation.
6. Following the investigation, and after any appropriate consultation, the Director of Human Resources shall inform both the complainant and the person accused of the outcome of the investigation. Resolution may include disciplinary action when appropriate.

L. FORMAL RESOLUTION PROCESS FOR COMPLAINTS

1. **Complaints involving employees.**

a. **Formal resolution of a complaint.**

- i. The Director of Human Resources shall consult with and advise the supervisor of the person accused and, as needed, Senate Counsel, to determine appropriate disciplinary action.
- ii. The Director of Human Resources shall be present when the supervisor communicates the disciplinary action to the employee.
- iii. The resolution of the complaint shall be documented in the employee's personnel file.
- iv. Disciplinary action may include but is not limited to an apology, oral reprimand and/or direction to stop, written warning, training, counseling, transfer, suspension with or without pay or termination.

- b. **Appeal process for employees.** The complainant and the accused shall be informed of the results of the investigation. Within ten business days after such communication, the complainant or person accused may appeal the result of the investigation. The appeal shall be made in writing to the Director of Human Resources, who will submit the appeal to a neutral third party from outside the senate with expertise in employment law disputes who was not involved in the initial investigation and any recommendations or corrective action to review the investigation to determine if it is satisfactory or if further action is required. The party requesting the appeal may provide the neutral party with additional evidence that may or may not result in additional findings or a change to the conclusions of the investigation, or both. The party not requesting the appeal must be provided a copy of any evidence submitted to the neutral third party and may also provide additional relevant information to the neutral third party. The neutral third party shall complete the appeal process as promptly as possible. The appeal must be completed within 60 days unless granted an extension of time by the Director of Human Resources, in consultation with Senate Counsel. Upon completion of the appeal process, the Director of Human Resources shall inform both parties and appropriate supervisors of the results. The appeal decision is the final resolution and cannot be appealed.

2. **Complaints involving members of the senate**

- a. For resolution of a complaint involving a member of the senate, the Director of Human Resources may consult with Senate Counsel and an outside entity for assistance with an investigation. If the Director determines after completion of the investigation that a member of the senate has violated this policy, the Director shall inform the Majority Leader and Minority Leader. The leader of the caucus that includes the member shall consult with the leader of the other caucus to determine the appropriate disciplinary action. Appropriate disciplinary action may include, but is not limited to, an apology, direction to stop the offensive conduct, counseling or training, an oral or written warning, suspension or removal from a leadership

M. FALSE COMPLAINTS

Complaints of discrimination or harassment that are knowingly false or that are made in reckless disregard of whether they are false will not be tolerated. Any person making a complaint of this nature is subject to disciplinary action consistent with this policy.

N. TRAINING REQUIREMENTS

1. Nondiscrimination and anti-harassment training is mandatory for all employees and members of the senate. Attendance at trainings will be documented and attendance records will be maintained for employees and members by the Director of Human Resources. Failure to meet nondiscrimination and anti-harassment training requirements may result in disciplinary action.
2. All Contact persons must attend nondiscrimination and anti-harassment training annually.
3. Employees must attend nondiscrimination and anti-harassment training at least once every two years. New employees and newly elected members shall attend training when offered following their initial employment or election to the senate.

O. CONFIDENTIALITY OF COMPLAINTS AND RESOLUTIONS

1. Confidentiality will be protected to the greatest possible extent. Information about persons who report discrimination or harassment, persons accused, and persons who aid in investigations, will be shared strictly on a need-to-know basis and as required by law. However, complete confidentiality cannot be guaranteed.
2. In accordance with this policy regarding confidentiality, if a complaint involves multiple complainants, each complainant will only be informed of a resolution with regard to their complaint and not the resolution of complaints brought by others.

P. RECORDKEEPING

1. Except as otherwise provided in this policy, all notes and other records obtained by a contact person through the complaint and/or investigation process shall be provided to and retained by the Director of Human Resources and not disclosed.
2. Records of discrimination and harassment complaints and investigations under this policy are not public.
 - a. To the extent that any information regarding a complaint or investigation is made available to the public by the senate, it must be in summary form and/or redacted as necessary to protect the privacy of employees, the parties involved, and witnesses.
 - b. After the investigation provided under this policy has been completed, a complainant or a person accused of discrimination or harassment may make the investigative report available for public inspection in order to support a contention that an allegation of discrimination or harassment is true or false.

Q. REVIEW OF POLICY AND RECOMMENDATIONS

By September 1 of each even-numbered year, the Secretary of the Senate must consult with the Director of Human Resources and Senate Counsel to determine whether any changes to this policy should be recommended to the senate. The recommendations, or a statement that no recommendations are needed, must be presented to the majority leader and the minority leader no later than October 1 of each even-numbered year.

R. ANNUAL REPORT

By February 1 of each year, the Director of Human Resources shall compile information on the number of discrimination and harassment complaints filed, substantiated, and investigations completed within the previous calendar year, and the amount spent, if any, on retaining outside entities for investigation of claims. This information shall be reported to the Secretary of the Senate, the Majority Leader, and the Minority Leader. Information regarding specific complaints is confidential and will not be disclosed in the report or made available to the public unless specifically authorized under the terms of this policy. A copy of the report must be filed with the Legislative Reference Library on the same day it is delivered.

APPENDIX A

MINNESOTA HUMAN RIGHTS ACT DEFINITION OF SEXUAL HARASSMENT

The Minnesota Human Rights Act defines sexual harassment as:

"Sexual harassment" includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact, or other verbal or physical conduct or communication of a sexual nature when:

- 1) submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining employment, public accommodations or public services, education, or housing;
- 2) submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment, public accommodations or public services, education, or housing; or
- 3) that conduct or communication has the purpose or effect of substantially interfering with an individual's employment, public accommodations or public services, education, or housing, or creating an intimidating, hostile, or offensive employment, public accommodations, public services, educational, or housing environment; and in the case of employment, the employer knows or should know the existence of the harassment and fails to take timely and appropriate action.

[Minnesota Statutes, Section 363A.03, subdivision 43]

APPENDIX B

EMPLOYEE ASSISTANCE PROGRAM (EAP) SUPPORT FOR THOSE WHO HAVE OR MAY HAVE BEEN SEXUALLY HARASSED

Your Employee Assistance Program (EAP) provides 24/7 personal, confidential counseling services as part of your employee benefit plan. EAP services are provided to you at no additional cost. EAP services are delivered by an independent contracted vendor. The EAP contract is managed by the State Employee Group Insurance Program at Minnesota Management and Budget.

Employees may use EAP as a resource to help them sort through their thoughts, feelings, and decisions regarding experiences of sexual harassment. EAP is available to help employees come to their own decisions about how to proceed.

Because it is a confidential service, EAP will not report harassment. The EAP will not share anything about anyone's situation without their permission except as required by law. Furthermore, employees may call EAP anonymously. Counselors explain EAP's confidentiality policy to every caller.

If an employee wants to report sexual harassment, the employee should follow the complaint process described in the Senate's Nondiscrimination and Anti-Harassment Policy. EAP is not part of any harassment reporting process and is not a replacement for the senate's reporting procedures.
