Page 1, after line 7, insert:

"Section 1. Minnesota Statutes 2024, section 124D.03, subdivision 12, is amended to read:

Subd. 12. **Termination of enrollment.** A district may terminate the enrollment of a nonresident student enrolled under this section or section 124D.08 at the end of a school year if the student meets the definition of a habitual truant under section 260C.007, subdivision 19, the student has been provided appropriate services under chapter 260A, and the student's case has been referred to juvenile court. A district may also terminate the enrollment of a nonresident student over the age of 17 enrolled under this section if the student is absent without lawful excuse for one or more periods on 15 school days and has not lawfully withdrawn from school under section 120A.22, subdivision 8. Notwithstanding the above, the district may not terminate the enrollment of a nonresident student identified as a child with a disability under section 125A.02, subdivision 1, at the end of a school year if the child's individualized education program team has not been convened within 60 school days prior to the last school day of the school year to address the potential relationship between the child's disability and truancy, including if a functional behavior assessment as defined by Minnesota Rules, part 3525.0210, subpart 22, must be conducted.

Sec. 2. Minnesota Statutes 2024, section 260A.03, is amended to read:

260A.03 NOTICE TO PARENT OR GUARDIAN WHEN CHILD IS A CONTINUING TRUANT.

Upon a child's initial classification as a continuing truant, the school attendance officer or other designated school official shall notify the child's parent or legal guardian, by first-class mail or other reasonable means, of the following:

- (1) that the child is truant;
- (2) that the parent or guardian should notify the school if there is a valid excuse for the child's absences;
- (3) that the parent or guardian is obligated to compel the attendance of the child at school pursuant to section 120A.22 and parents or guardians who fail to meet this obligation may be subject to prosecution under section 120A.34;
- (4) that this notification serves as the notification required by section 120A.34;
- (5) that alternative educational programs and services may be available in the child's enrolling or resident district;
- (6) that the parent or guardian has the right to meet with appropriate school personnel to discuss solutions to the child's truancy;
- (7) that if the child has been identified as a child with a disability under section 125A.02, subdivision 1, the child's individualized education program team will be convened within ten school days of the notice to address the potential relationship between the child's disability and truancy, including if a functional behavior assessment as defined by Minnesota Rules, part 3525.0210, subpart 22, must be conducted;
- (8) that if the child continues to be truant, the parent and child may be subject to juvenile court proceedings under chapter 260C;

~~(8)~~ (9) that if the child is subject to juvenile court proceedings, the child may be subject to suspension, restriction, or delay of the child's driving privilege pursuant to section 260C.201; and

~~(9)~~ (10) that it is recommended that the parent or guardian accompany the child to school and attend classes with the child for one day.

Sec. 3. Minnesota Statutes 2024, section 260A.06, subdivision 1, is amended to read:

Subdivision 1. **Referral; notice.** An attendance officer or other school official may refer a student who is a continuing truant to the school attendance review board, provided that the school district has complied with its obligations under section 260A.03, clause (7). The person making the referral shall provide a written notice by first class mail or other reasonable means to the student and the student's parent or legal guardian. The notice must:

(1) include the name and address of the board to which the student has been referred and the reason for the referral; and

(2) indicate that the student, the parent or legal guardian, and the referring person will meet with the board to determine a proper disposition of the referral, unless the board refers the student directly to the county attorney or for other appropriate legal action."

"Section 1. MISCLASSIFICATION FRAUD IMPACT REPORT.

(a) Every two years, the commissioners of revenue, employment and economic development, and labor and industry must coordinate to conduct an analysis of the costs of misclassification to

illustrate how misclassification impacts misclassified workers, government programs, and tax collections.

(b) By January 15 of every odd-numbered year, beginning January 15, 2027, the commissioner of labor and industry must report on the analysis performed under paragraph (a) to the chairs and ranking minority members of the legislative committees with jurisdiction over taxes, workforce, and labor. The commissioner of labor and industry may contract with external experts or an independent third party to conduct a study, develop a report, and perform other functions.

(c) At a minimum, the study and report must provide:

(1) an estimate of the number of workers experiencing misclassification in Minnesota;

(2) an estimate of the cost of misclassification to impacted workers;

(3) an estimate of the prevalence of misclassification by industry; and

(4) an estimate of the impact to:

(i) the unemployment insurance trust fund;

(ii) the family and medical benefit insurance account;

(iii) state income tax collection;

(iv) the workers' compensation fund; and

(v) the workforce development fund.

(d) Data and information relevant to the required report elements in paragraph (c) must be provided to the commissioner of labor and industry for purposes of the study and report, including, but not limited to, the following:

(1) from the Department of Employment and Economic Development, information and data relevant to:

(i) the unemployment insurance trust fund;

(ii) the family and medical benefit insurance account;

(iii) unemployment insurance program audits and findings; and

(iv) the workforce development fund;

(2) from the Department of Revenue, information and data relevant to:

(i) misclassification tax audits and findings;

(ii) income tax collection; and

(iii) 1099 filings; and

(3) from the Department of Labor and Industry, information and data relevant to:

(i) misclassification complaints, investigations, and findings; and

(ii) the workers' compensation fund.

Sec. 2. **APPROPRIATION; MISCLASSIFICATION FRAUD IMPACT REPORT.**

(a) \$...... in fiscal year 2026 is appropriated from the workforce development fund to the commissioner of labor and industry for the misclassification fraud impact report and for legal, technical, and clerical staff support for the report. This appropriation is available until June 30, 2027. The base amount in fiscal year 2028 is \$...... from the workforce development fund.

(b) The commissioner of labor and industry may enter into interagency agreements with the commissioner of employment and economic development and the commissioner of revenue to transfer funds appropriated under paragraph (a) to cover costs associated with the misclassification fraud impact report."

Subd. 3. **Certification Standards.** (a) The commissioner of labor and industry, in consultation with the Office of Broadband, shall approve standards for a safety-qualified underground telecommunications installer certification program that requires a person to:

(1) complete a 40-hour initial course that includes classroom and hands-on instruction covering proper work procedures for safe installation of underground utilities, including:

(i) regulations applicable to excavation near existing utilities;

(ii) identification, location, and verification of utility lines using hand- or hydro-excavation or other accepted methods;

(iii) response to line strike incidents;

(iv) traffic control procedures;

(v) use of a tracking device to safely guide directional drill equipment along a drill path; and

(vi) avoidance and mitigation of safety hazards posed by underground utility installation projects;

(2) demonstrate knowledge of the course material by successfully completing an examination approved by the commissioner; and

(3) complete a four-hour refresher course within three years of completing the original course and every three years thereafter in order to maintain certification.

(b) The commissioner must develop an approval process for training providers under this subdivision and may suspend or revoke the approval of any training provider that fails to demonstrate consistent delivery of approved curriculum or success in preparing participants to complete the examination.

(c) An approved training provider may apply for approval of classroom instruction course material delivered up to two years prior to becoming an approved training provider and before January 1, 2026, as being equivalent or substantially equivalent to classroom instruction course material that is contained in the approved program. An application must provide a copy of all written materials used for the training for which equivalent credit is sought, the specific subjects covered in the training, the name and qualifications of the training provider, a description of the delivery method for the training, and the date of the training. Once approved, a training provider may grant full or partial retroactive credit for completion of classroom instruction training delivered prior to the commissioner's decision to approve a program. A person granted retroactive credit must successfully complete the examination that the training provider is approved to administer in order to be certified as a safety-qualified underground telecommunications installer.

"ARTICLE 1

OUTDOOR HERITAGE FUND

Section 1. **APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the outdoor heritage fund for the fiscal year indicated for each purpose. The figures "2026" and "2027" used in this article mean that the appropriations listed under them are available for the fiscal year ending June 30, 2026, or June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027. The appropriations in this article are onetime appropriations.

\$3,800,000 the first year is to the commissioner of natural resources to restore and enhance aquatic habitat in degraded streams and aquatic management areas and to facilitate fish passage throughout Minnesota.

(t) Rum River Corridor Fish and Wildlife Habitat Enhancement, Phase 3

\$1,356,000 the first year is to the commissioner of natural resources for an agreement with the Anoka County Soil and Water Conservation District to restore and enhance upland and riverine habitat in the Rum River corridor.

(u) DNR Roving Crew, Phase 3

\$12,642,000 the first year is to the commissioner of natural resources to restore and enhance fish and wildlife habitat on permanently protected lands throughout Minnesota using the roving crew program of the Department of Natural Resources.

(v) Conservation Partners Legacy Grant Program: Statewide and Metro Habitat, Phase 17

\$11,716,000 the first year is to the commissioner of natural resources for a program to provide competitive matching grants of up to \$500,000 to local, regional, state, and national organizations for

enhancing, restoring, or protecting forests, wetlands, prairies, or habitat for fish, game, or wildlife in Minnesota. Of this amount, unless not enough eligible grant applications are received, at least \$3,000,000 is for grants in the seven-county metropolitan area and cities with a population of 50,000 or more and at least \$2,620,000 is for grants to applicants that have not previously applied for money from the outdoor heritage fund. Grants must not be made for activities required to fulfill the duties of owners of lands subject to conservation easements. Grants must not be made from the appropriation in this paragraph for projects that have a total project cost exceeding \$1,000,000. Of the total appropriation, \$600,000 may be spent for personnel costs, outreach, and support to first-time applicants and other direct and necessary administrative costs. Grantees may acquire land or interests in land. Easements must be permanent. Grants may not be used to establish easement stewardship accounts. The program must require a match of at least ten percent from nonstate sources for all grants. The match may be cash or in-kind. For grant applications of \$25,000 or less, the commissioner must provide a separate, simplified application process. Subject to Minnesota Statutes, the commissioner of natural resources must, when evaluating projects of equal value, give priority to organizations that have a history of receiving, or a charter to receive, private contributions for local conservation or habitat projects. All restoration or enhancement projects must be on land permanently protected by a permanent covenant ensuring perpetual maintenance and protection of restored and enhanced habitat, by a conservation easement, or by public ownership or in public waters as defined in Minnesota Statutes, section 103G.005, subdivision 15. Priority must be given to restoration and enhancement projects on public lands. Minnesota Statutes, section 97A.056, subdivision 13, applies to

grants awarded under this paragraph. This appropriation is available until June 30, 2028. No less than five percent of the amount of each grant must be held back from reimbursement until the grant recipient completes a grant accomplishment report by the deadline and in the form prescribed by and satisfactory to the Lessard-Sams Outdoor Heritage Council. The commissioner must provide notice of the grant program in the summary of game and fish law prepared under Minnesota Statutes, section 97A.051, subdivision 2.

Subd. 6. Administration

2,043,000

775,000

(a) Contract Management

\$410,000 the first year is to the commissioner of natural resources for contract management duties assigned in this section. The commissioner must provide an accomplishment plan in the form specified by the Lessard-Sams Outdoor Heritage Council on expending this appropriation. The accomplishment plan must include a copy of the grant contract template and reimbursement manual. No money may be expended before the Lessard-Sams Outdoor Heritage Council approves the accomplishment plan. Money appropriated in this paragraph is available until June 30, 2027.

(b) Legislative Coordinating Commission

\$732,000 the first year and \$772,000 the second year are to the Legislative Coordinating Commission for administrative expenses of the Lessard-Sams Outdoor Heritage Council and for compensating and reimbursing expenses of council members. This appropriation is available until June 30, 2027. Minnesota Statutes, section 16A.281, applies to this appropriation.

(c) Technical Evaluation Panel

\$157,000 the first year is to the commissioner of natural resources for a technical evaluation panel to conduct up to 20 restoration and enhancement evaluations under Minnesota Statutes, section 97A.056, subdivision 10. Money appropriated in this paragraph is available until June 30, 2027.

(d) Core Functions in Partner-Led OHF Land Acquisitions

\$740,000 the first year is to the commissioner of natural resources for administering the initial development, restoration, and enhancement of land acquired in fee with money appropriated from the outdoor heritage fund. This appropriation may be used for land acquisition costs incurred by the department as part of conveyance of parcels to the Department of Natural Resources and initial development activities on fee title acquisitions. Money appropriated in this paragraph is available until June 30, 2033.

(e) Legacy Website

\$4,000 the first year and \$3,000 the second year are to the Legislative Coordinating Commission for the website required under Minnesota Statutes, section 3.303, subdivision 10.

Subd. 7. Availability of Appropriation

(a) Money appropriated in this section may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council. Money appropriated in this section must not be spent on indirect costs or other institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated for fee title acquisition of land may be used to restore, enhance, and provide for public use of the land acquired with the appropriation.

Public-use facilities must have a minimal impact on habitat in acquired lands.

(b) Money appropriated in this section is available as follows:

(1) money appropriated for acquiring real property is available until June 30, 2029;

(2) money appropriated for restoring and enhancing land acquired with an appropriation in this article is available for four years after the acquisition date with a maximum end date of June 30, 2033;

(3) money appropriated for restoring and enhancing other land is available until June 30, 2030;

(4) notwithstanding clauses (1) to (3), money appropriated for a project that receives at least 15 percent of its funding from federal funds is available until a date sufficient to match the availability of federal funding to a maximum of six years if the federal funding was confirmed and included in the original approved draft accomplishment plan; and

(5) money appropriated for other projects is available until the end of the fiscal year in which it is appropriated.

Subd. 8. Payment Conditions and Capital Equipment Expenditures

(a) All agreements referred to in this section must be administered on a reimbursement basis unless otherwise provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, expenditures directly related to each appropriation's purpose made on or after July 1, 2025, or the date of accomplishment plan approval, whichever is later, are eligible for reimbursement unless otherwise provided in this section. For the purposes of administering appropriations and legislatively authorized agreements paid out of the outdoor heritage fund, an expense must be considered reimbursable by the

administering agency when the recipient presents the agency with an invoice or binding agreement with the landowner and the recipient attests that the goods have been received or the landowner agreement is binding. Periodic reimbursement must be made upon receiving documentation that the items articulated in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council have been achieved, including partial achievements as evidenced by progress reports approved by the Lessard-Sams Outdoor Heritage Council. Reasonable amounts may be advanced to projects to accommodate cash flow needs, support future management of acquired lands, or match a federal share. The advances must be approved as part of the accomplishment plan. Capital equipment expenditures for specific items in excess of \$10,000 must be itemized in and approved as part of the accomplishment plan.

(b) Unless otherwise provided, no money appropriated from the outdoor heritage fund in this article may be used to acquire, restore, or enhance any real property unless the specific acquisition, restoration, or enhancement is approved as part of the accomplishment plan on the parcel list.

Subd. 9. Mapping

Each direct recipient of money appropriated in this section, as well as each recipient of a grant awarded under this section, must provide geographic information to the Lessard-Sams Outdoor Heritage Council for mapping of any lands acquired in fee with funds appropriated in this section and open to the public taking of fish and game. The commissioner of natural resources must include the lands acquired in fee with money appropriated in this section on maps showing public recreation opportunities. Maps must include information on and acknowledgment of the outdoor heritage fund, including a notation of any restrictions.

Subd. 10. Carryforward

(a) The availability of the appropriation for Laws 2020, chapter 104, article 1, section 2, subdivision 5, paragraph (b), Metro Big Rivers - Phase X, is extended to June 30, 2026.

(b) The availability of the appropriation for Laws 2020, chapter 104, article 1, section 2, subdivision 5, paragraph (k), St. Louis River Restoration Initiative - Phase VII, is extended to June 30, 2026.

(c) The availability of the appropriation for Laws 2023, chapter 40, article 1, section 2, subdivision 6, paragraph (d), Core Functions in Partner-Led OHF Land Acquisitions, is extended to June 30, 2031.

Subd. 11. Cancellation

\$120,000 of the outdoor heritage fund appropriation in Laws 2020, chapter 104, article 1, section 2, subdivision 2, paragraph (i), is canceled no later than June 29, 2025.

EFFECTIVE DATE. Subdivision 11 is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2024, section 97A.056, is amended by adding a subdivision to read:

Subd. 25. Federal grant fund requirements. An interest in real property acquired with money appropriated from the outdoor heritage fund may be used to leverage federal grant funds for related conservation programs, such as Pittman-Robertson Wildlife Restoration, United States Code, title 16, section 669 et seq.; Dingell-Johnson Sport Fish Restoration, United States Code, title 16, section 777 et seq.; and the North American Wetlands Conservation Act, United States Code, title 16, section 4401. These grant programs may place conditions on land use that require the continued use of the land for conservation purposes. Placement of conditions on land use under these programs does not require prior review and approval of the Lessard-Sams Outdoor Heritage Council or its successor under subdivision 15, paragraph (b).

ARTICLE 2**CLEAN WATER FUND****Section 1. CLEAN WATER FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the clean water fund and are

available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15. The figures "2026" and "2027" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2026, or June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027. These are onetime appropriations.

APPROPRIATIONS

Available for the Year

Ending June 30

2026**2027**

Sec. 2. CLEAN WATER FUND

Subdivision 1. Total Appropriation

<u>\$</u>	<u>144,625,000</u>	<u>\$</u>	<u>159,301,000</u>
------------------	---------------------------	------------------	---------------------------

This appropriation is from the clean water fund. The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2026 appropriations are available until June 30, 2027, and fiscal year 2027 appropriations are available until June 30, 2028. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Disability Access

Where appropriate, grant recipients of clean water funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing people with disabilities greater access to programs, print

publications, and digital media related to the programs the recipient funds using appropriations made in this article.

Subd. 4. Increasing Diversity in Environmental Careers

Agencies should work to provide opportunities that encourage a diversity of students to pursue careers in environment and natural resources when implementing appropriations in this article.

Sec. 3. <u>DEPARTMENT OF AGRICULTURE</u>	<u>\$</u>	<u>16,075,000</u>	<u>\$</u>	<u>17,275,000</u>
---	------------------	--------------------------	------------------	--------------------------

(a) \$370,000 the first year and \$370,000 the second year are to increase monitoring for pesticides and pesticide degradates in surface water and groundwater and to use data collected to assess pesticide use practices.

(b) \$3,100,000 the first year and \$3,100,000 the second year are for monitoring and evaluating trends in the concentration of nitrate in groundwater; promoting, developing, and evaluating regional and crop-specific nutrient best management practices, cover crops, and other vegetative cover; assessing adoption of best management practices and other recommended practices; education and technical support from University of Minnesota Extension; grants to support agricultural demonstration and implementation activities, including research activities at the Rosholt Research Farm; and other actions to protect groundwater from degradation from nitrate.

(c) \$2,000,000 the first year and \$2,000,000 the second year are for the agriculture best management practices loan program. Any unencumbered balance at the end of the second year must be added to the corpus of the loan fund.

(d) \$1,600,000 the first year and \$1,600,000 the second year are for technical assistance;

research, demonstration, and promotion projects on properly implementing best management practices and vegetative cover; and more-precise information on nonpoint contributions to impaired waters and for grants to support on-farm demonstration of agricultural practices.

(e) \$50,000 the first year and \$50,000 the second year are for maintenance of the Minnesota Water Research Digital Library. Costs for information technology development or support for the digital library may be paid to Minnesota IT Services.

(f) \$3,500,000 the first year and \$3,500,000 the second year are to implement the Minnesota agricultural water quality certification program statewide.

(g) \$155,000 the first year and \$155,000 the second year are for a regional irrigation water quality specialist through University of Minnesota Extension.

(h) \$2,000,000 the first year and \$3,000,000 the second year are for grants to the Board of Regents of the University of Minnesota to fund the Forever Green initiative and to protect the state's natural resources while increasing the efficiency, profitability, and productivity of Minnesota farmers by incorporating perennial and winter-annual crops into existing agricultural practices.

(i) \$500,000 the first year and \$500,000 the second year are for testing drinking-water wells for pesticides.

(j) \$1,750,000 the first year and \$1,750,000 the second year are for conservation equipment assistance grants to purchase equipment or items to retrofit existing equipment that has climate and water quality benefits.

(k) \$1,050,000 the first year and \$1,250,000 the second year are for expanding the

existing state weather station and soil temperature network to provide accurate and timely weather data to optimize the timing of irrigation, fertilizer, pesticide, and manure applications and support land management decisions.

(l) Unless otherwise specified, the appropriations in this section are available until June 30, 2030.

Sec. 4. <u>POLLUTION CONTROL AGENCY</u>	<u>\$</u>	<u>24,501,000</u>	<u>\$</u>	<u>24,702,000</u>
--	------------------	--------------------------	------------------	--------------------------

(a) \$9,450,000 the first year and \$9,450,000 the second year are for completing needed statewide assessments of surface water quality and trends according to Minnesota Statutes, chapter 114D. Of this amount, \$170,000 the first year and \$170,000 the second year are for grants to the Red River Watershed Management Board to enhance and expand the existing water quality and watershed monitoring river watch activities in schools in the Red River of the North Watershed. By February 15, 2028, the Red River Watershed Management Board must provide a report to the commissioner and the legislative committees and divisions with jurisdiction over environment and natural resources finance and policy and the clean water fund on the expenditure of this appropriation.

(b) \$7,250,000 the first year and \$7,250,000 the second year are to support public participation in the watershed approach and to update watershed restoration and protection strategies, which include total maximum daily load (TMDL) and other supporting studies according to Minnesota Statutes, chapter 114D, for waters on the impaired waters list approved by the United States Environmental Protection Agency.

(c) \$1,000,000 the first year and \$1,000,000 the second year are for groundwater assessment, including enhancing the ambient

monitoring network, modeling, and evaluating trends.

(d) \$1,600,000 the first year and \$1,600,000 the second year are for national pollutant discharge elimination system wastewater and stormwater TMDL implementation efforts.

(e) \$3,340,000 the first year and \$3,541,000 the second year are for enhancing the county-level delivery systems for subsurface sewage treatment system (SSTS) activities necessary to implement Minnesota Statutes, sections 115.55 and 115.56, for protecting groundwater. This appropriation includes base grants for all counties with SSTS programs. Counties that receive base grants must report the number of properties with noncompliant systems upgraded through an SSTS replacement, connection to a centralized sewer system, or other means, including property abandonment or buyout. Counties also must report the number of existing SSTS compliance inspections conducted in areas under county jurisdiction. The required reports must be part of the established annual reporting for SSTS programs. Of this amount, at least \$900,000 each year is available to counties for grants to low-income landowners to address systems that pose an imminent threat to public health or safety or fail to protect groundwater. A county receiving a grant under this paragraph must submit a report to the agency listing the projects funded, including an account of the expenditures.

(f) \$650,000 the first year and \$650,000 the second year are for activities and grants that reduce chloride pollution.

(g) \$461,000 the first year and \$461,000 the second year are to support activities of the Clean Water Council according to Minnesota Statutes, section 114D.30, subdivision 1.

(h) \$750,000 the first year and \$750,000 the second year are for a grant program for

sanitary sewer projects that are included in the draft or any updated Voyageurs National Park Clean Water Project Comprehensive Plan to restore the water quality of waters in Voyageurs National Park. Grants must be awarded to local government units for projects approved by the Voyageurs National Park Clean Water Joint Powers Board and must be matched by at least 25 percent from sources other than the clean water fund.

(i) Any unencumbered grant balances in the first year do not cancel but are available for grants in the second year. Notwithstanding Minnesota Statutes, section 16A.28, the appropriations in this section are available until June 30, 2030.

Sec. 5. DEPARTMENT OF NATURAL RESOURCES

\$ 14,150,000 \$ 14,650,000

(a) \$2,825,000 the first year and \$2,825,000 the second year are for stream flow monitoring.

(b) \$1,525,000 the first year and \$1,525,000 the second year are for lake Index of Biological Integrity (IBI) assessments.

(c) \$550,000 the first year and \$550,000 the second year are for assessing mercury and other fish contaminants, including PFAS compounds, and monitoring to track the status of impaired waters over time.

(d) \$2,250,000 the first year and \$2,500,000 the second year are for developing targeted, science-based watershed restoration and protection strategies and for technical assistance for local governments.

(e) \$2,350,000 the first year and \$2,350,000 the second year are for water-supply planning, aquifer protection, and monitoring activities and analysis.

(f) \$2,100,000 the first year and \$2,250,000 the second year are for technical assistance

to support local implementation of nonpoint source restoration and protection activities and targeted forest stewardship for water quality.

(g) \$700,000 the first year and \$700,000 the second year are for tool development and evaluation, including maintaining and updating spatial data for watershed boundaries, streams, and water bodies and integrating high-resolution digital elevation data and for assessing the effectiveness of forestry best management practices for water quality.

(h) \$100,000 the first year and \$100,000 the second year are for accelerating completion of or updates to county geologic atlases and supplementing water chemistry or chemical movement studies.

(i) \$350,000 the first year and \$350,000 the second year are for increasing native freshwater mussel production capacity and restoring and monitoring freshwater mussel restoration efforts.

(j) \$1,400,000 the first year and \$1,500,000 the second year are for providing technical and financial assistance for county and local governments to replace failing or ineffective culverts using modern designs that restore floodplain connectivity, biological connectivity, and channel stability. This appropriation is available for up to two additional years.

Sec. 6. BOARD OF WATER AND SOIL RESOURCES

\$ 64,332,000 \$ 75,004,000

(a) \$39,962,000 the first year and \$48,138,000 the second year are for agreements to implement state-approved watershed-based plans. The agreements may be used to implement projects or programs that protect, enhance, and restore surface water quality in lakes, rivers, and streams; protect groundwater from degradation; and

protect drinking water sources. Activities must be identified in a comprehensive watershed plan developed under the One Watershed, One Plan program and seven-county metropolitan groundwater or surface water management frameworks as provided for in Minnesota Statutes, chapters 103B, 103C, 103D, and 114D. Other legacy funds may be used to supplement projects funded under this paragraph. This appropriation may be used for:

(1) implementing state-approved plans, including within the following watershed planning areas: Big Fork River, Blue Earth River, Bois de Sioux - Mustinka, Buffalo-Red River, Cannon River, Cedar - Wapsipinicon, Chippewa River, Clearwater River, Cottonwood-Middle Minnesota, Crow Wing River, Des Moines River, Greater Zumbro River, Hawk Creek - Middle Minnesota, Kettle and Upper St. Croix, Lac qui Parle-Yellow Bank, Lake of the Woods, Lake Superior North, Le Sueur River, Leech Lake River, Little Fork River, Long Prairie River, Lower Minnesota River East, Lower Minnesota River West, Lower St. Croix River, Middle-Snake-Tamarac Rivers, Minnesota River-Mankato, Mississippi River Brainerd, Mississippi River Headwaters, Mississippi River St. Cloud, Mississippi River-Sartell, Mississippi River Winona/La Crescent, Missouri River Basin, Nemadji River, North Fork Crow River, Otter Tail, Pine River, Pomme de Terre River, Rainy-Rapid River, Rainy Headwaters - Vermilion, Rainy River-Rainy Lake, Red Lake River, Redeye River, Redwood River, Root River, Roseau River, Rum River, Sand Hill River, Sauk River, Shell Rock and Winnebago River, Snake River, South Fork of the Crow River, St. Louis River, Thief River, Two Rivers Plus, Upper and Lower Red Lake, Upper Minnesota River, Upper Mississippi - Grand Rapids, Watonwan River, Wild Rice - Marsh, and Yellow Medicine River;

(2) implementing seven-county metropolitan groundwater or surface water management frameworks; and

(3) implementing other comprehensive watershed management plan planning areas that have a board-approved and local-government-adopted plan as authorized in Minnesota Statutes, section 103B.801.

The board must establish eligibility criteria and determine whether a planning area is ready to proceed.

(b) \$2,935,000 the first year and \$3,065,000 the second year are for agreements with local government units to protect and restore surface water and drinking water; to keep water on the land; to protect, enhance, and restore water quality in lakes, rivers, and streams; and to protect groundwater and drinking water, including feedlot water quality and subsurface sewage treatment system projects and stream bank, stream channel, shoreline restoration, and ravine stabilization projects. The projects must use practices demonstrated to be effective, be of long-lasting public benefit, include a match, and be consistent with total maximum daily load (TMDL) implementation plans, watershed restoration and protection strategies (WRAPS), groundwater restoration and protection strategies (GRAPS), or local water management plans or their equivalents. Up to 50 percent of this appropriation is available for land-treatment projects and practices that benefit drinking water.

(c) \$4,350,000 the first year and \$4,350,000 the second year are for accelerated implementation, local resource protection, statewide analytical targeting or technology tools that fill an identified gap, program enhancements for technical assistance, citizen and community outreach, compliance, and training and certification.

(d) \$1,250,000 the first year and \$1,250,000 the second year are:

(1) to provide state oversight and accountability, evaluate and communicate results, provide implementation tools, and measure the value of conservation program implementation by local governments; and

(2) to submit to the legislature by December 15 each even-numbered year a biennial report detailing the recipients and projects funded and the results accomplished under this section.

(e) \$2,000,000 the first year and \$2,000,000 the second year are to provide assistance, oversight, and support for local governments in implementing and complying with riparian protection and excessive soil loss requirements.

(f) \$1,000,000 the first year and \$1,000,000 the second year are for a working lands floodplain program and to purchase, restore, or preserve riparian land and floodplains adjacent to lakes, wetlands, rivers, streams, and tributaries, by conservation easements or other agreements to keep water on the land, to decrease sediment, pollutant, and nutrient transport; reduce hydrologic impacts to surface waters; and increase protection and recharge for groundwater. Up to \$60,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(g) \$2,500,000 the first year and \$2,500,000 the second year are for conservation easements under Minnesota Statutes, section 103F.501 to 103F.535, or for agreements with local units of government or Tribal governments for long-term protection of groundwater supply sources. Priority must be placed on drinking water supply management areas where the vulnerability of the drinking water supply is designated as high or very high by the commissioner of

health, that are mitigation level 1 or 2 under the groundwater protection rule, where drinking water protection plans developed by Tribal governments have identified high vulnerability, or where drinking water protection plans have identified specific activities that will achieve long-term protection. Up to \$200,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(h) \$100,000 the first year and \$100,000 the second year are for a technical evaluation panel to conduct restoration evaluations under Minnesota Statutes, section 114D.50, subdivision 6.

(i) \$500,000 the first year and \$500,000 the second year are for assistance to, oversight of, and agreements with local governments to enhance and update comprehensive watershed management plans developed under Minnesota Statutes, section 103B.801.

(j) \$1,000,000 the first year and \$1,000,000 the second year are for technical and financial assistance for the conservation drainage program, in consultation with the Drainage Work Group, coordinated under Minnesota Statutes, section 103B.101, subdivision 13, and including projects to improve multipurpose water management under Minnesota Statutes, section 103E.015.

(k) \$500,000 the first year and \$500,000 the second year are to purchase permanent conservation easements to protect lands adjacent to public waters that have good water quality but that are threatened with degradation. Up to \$60,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(l) \$425,000 the first year and \$425,000 the second year are to systematically collect data and produce county, watershed, and

statewide estimates of soil erosion caused by water and wind, and track adoption of conservation measures, including cover crops, to address erosion. This appropriation may be used for agreements with the University of Minnesota to complete this work.

(m) \$500,000 the first year and \$500,000 the second year are for implementing a water legacy program to expand partnerships for clean water.

(n) \$2,500,000 the first year and \$2,500,000 the second year are for permanent conservation easements to protect and restore wetlands and associated uplands. Up to \$100,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(o) \$3,560,000 the first year and \$5,926,000 the second year are for financial and technical assistance to enhance adoption of cover crops and other soil health practices to achieve water quality or drinking water benefits. The board may use agreements with local governments, the United States Department of Agriculture, AgCentric at Minnesota State Center for Excellence, and other practitioners and partners to accomplish this work. Up to \$450,000 is for an agreement with the University of Minnesota Office for Soil Health for applied research and education on Minnesota's agroecosystems and soil health management systems. This appropriation may be extended to leverage available federal funds.

(p) \$750,000 the first year and \$750,000 the second year are to contract for delivery of services with Conservation Corps Minnesota and Iowa for restoration, maintenance, training, and other activities consistent with this section.

(q) \$500,000 the first year and \$500,000 the second year are to provide support to soil and water conservation districts and other local governments and partner organizations in the Lake Superior basin to leverage Great Lakes Restoration Initiative or other federal funding to implement prioritized activities.

(r) The board may shift funds in this section and may adjust the technical and administrative assistance portion of the funds to leverage federal or other nonstate funds, to facilitate oversight responsibilities, or to address high-priority activities identified by the board consistent with local water management plans.

(s) The board must require grantees to specify the outcomes that will be achieved by the grants.

(t) The appropriations in this section are available until June 30, 2030, except grant or easement funds are available for five years after the date a grant or other agreement is executed. Returned funds must be repurposed consistent with the purposes of this section.

Sec. 7. DEPARTMENT OF HEALTH

\$ 14,295,000 \$ 15,845,000

(a) \$5,925,000 the first year and \$5,925,000 the second year are to develop health risk limits and other health-based guidance and conduct outreach activities for contaminants found or anticipated to be found in Minnesota drinking water; to accredit private laboratories to conduct analyses for these contaminants; and to increase the capacity of the department's laboratory to analyze for these contaminants.

(b) \$2,300,000 the first year and \$3,700,000 the second year are for ensuring safe drinking water for private well users in southeast Minnesota and statewide by designing and implementing voluntary interventions to reduce health risks to private well users, including identifying private well locations,

studying the occurrence and magnitude of contaminants in private wells, developing guidance and conducting outreach and education about well testing and mitigation, awarding grants to local governments, and offering well testing.

(c) \$3,770,000 the first year and \$3,920,000 the second year are for protecting sources of drinking water, including planning, implementation, and monitoring activities and grants to local governments and public water systems.

(d) \$1,750,000 the first year and \$1,750,000 the second year are to develop and deliver groundwater restoration and protection strategies on a watershed scale for use in local comprehensive water planning efforts, to provide resources to local governments for activities that sustain groundwater and protect sources of drinking water, and to enhance approaches that improve the capacity of local governmental units to protect and restore groundwater resources.

(e) \$250,000 the first year and \$250,000 the second year are to develop public health policies and approaches to address threats to safe drinking water, including implementation of a statewide action plan for protecting drinking water.

(f) \$300,000 the first year and \$300,000 the second year are for optimizing the statewide recreational water portal that includes an inventory of public beaches and information about local monitoring results and closures and that provides information about preventing illness and recreational water stewardship.

(g) Unless otherwise specified, the appropriations in this section are available until June 30, 2029.

Sec. 8. METROPOLITAN COUNCIL

\$ 2,025,000 \$ 2,125,000

(a) \$1,375,000 the first year and \$1,375,000 the second year are to support communities implementing projects that address emerging drinking water supply threats and overall water sustainability, provide cost-effective regional solutions, leverage interjurisdictional coordination, support local implementation of wellhead protection plans, and prevent degradation of groundwater and surface water resources. These activities will provide communities with:

(1) potential solutions to better connect land use impacts on water supply and overall water sustainability;

(2) ways to balance regional water use by using surface water, stormwater, wastewater, and groundwater;

(3) an analysis of infrastructure requirements needed to maintain and strengthen the reliability of water systems;

(4) development of planning-level cost estimates, including capital costs and operating costs;

(5) funding mechanisms and an equitable cost-sharing structure for regionally beneficial water supply development projects;

(6) information and tools to use to address climate change impacts on overall water supply systems and overall water sustainability; and

(7) ways to reduce impacts on the groundwater system through stormwater reuse grants to assist communities in reducing water use.

(b) \$650,000 the first year and \$750,000 the second year are for grants that implement water demand reduction measures. The grants are to assist municipalities in the metropolitan area with implementing water demand reduction measures to ensure the

reliability and protection of drinking water supplies.

Sec. 9. <u>UNIVERSITY OF MINNESOTA</u>	<u>\$</u>	<u>1,000,000</u>	<u>\$</u>	<u>1,400,000</u>
---	------------------	-------------------------	------------------	-------------------------

(a) \$400,000 the first year and \$400,000 the second year are for developing Part A of county geologic atlases. This appropriation is available until June 30, 2030.

(b) \$600,000 the first year and \$1,000,000 the second year are for a program to evaluate performance and technology transfer for stormwater best management practices, to evaluate best management performance and effectiveness to support meeting total maximum daily loads, to develop standards and incorporate state-of-the-art guidance using minimal impact design standards as the model, and to implement a system to transfer knowledge and technology across the local government, industry, and regulatory sectors. This appropriation is available until June 30, 2032.

Sec. 10. <u>LEGISLATURE</u>	<u>\$</u>	<u>7,000</u>	<u>\$</u>	<u>-0-</u>
------------------------------------	------------------	---------------------	------------------	-------------------

\$7,000 the first year is for the Legislative Coordinating Commission for the website required under Minnesota Statutes, section 3.303, subdivision 10.

Sec. 11. <u>PUBLIC FACILITIES AUTHORITY</u>	<u>\$</u>	<u>8,240,000</u>	<u>\$</u>	<u>8,300,000</u>
--	------------------	-------------------------	------------------	-------------------------

(a) \$8,190,000 the first year and \$8,250,000 the second year are for the point source implementation grants program under Minnesota Statutes, section 446A.073. This appropriation is available until June 30, 2032.

(b) \$50,000 the first year and \$50,000 the second year are for small community wastewater treatment grants and loans under Minnesota Statutes, section 446A.075. This appropriation is available until June 30, 2032.

(c) If there is any uncommitted money at the end of each fiscal year under paragraph (a) or (b), the Public Facilities Authority may transfer the remaining funds to eligible projects under any of the programs listed in this section according to a project's priority rank on the Pollution Control Agency's project priority list.

Sec. 12. ASH RIVER SANITARY SEWER COLLECTION AND TREATMENT SYSTEM APPROPRIATION EXTENSION.

The portion of the appropriation in Laws 2019, First Special Session chapter 2, article 2, section 5, paragraph (h), as amended by Laws 2021, First Special Session chapter 1, article 2, section 18, for the Ash River Sanitary Sewer Collection and Treatment System is available until June 30, 2026.

EFFECTIVE DATE. This section is effective the day following final enactment.

ARTICLE 3

PARKS AND TRAILS FUND

Section 1. PARKS AND TRAILS FUND APPROPRIATIONS.

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the parks and trails fund and are available for the fiscal years indicated for each purpose. The figures "2026" and "2027" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2026, or June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027. These are onetime appropriations.

<u>APPROPRIATIONS</u>	
<u>Available for the Year</u>	
<u>Ending June 30</u>	
<u>2026</u>	<u>2027</u>

Sec. 2. PARKS AND TRAILS FUND

<u>Subdivision 1. Total Appropriation</u>	<u>\$</u>	<u>61,435,000</u>	<u>\$</u>	<u>68,733,000</u>
--	------------------	--------------------------	------------------	--------------------------

The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly

related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2026 appropriations are available until June 30, 2028, and fiscal year 2027 appropriations are available until June 30, 2029. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Disability Access

Where appropriate, grant recipients of parks and trails funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing people with disabilities greater access to programs, print publications, and digital media related to the programs the recipient funds using appropriations made in this article.

Subd. 4. Energy and Water Conservation

Grant recipients of parks and trails funds should prioritize water and energy conservation technology and the use of renewable energy for construction and building projects funded with an appropriation made in this article.

Sec. 3. DEPARTMENT OF NATURAL RESOURCES

\$	<u>37,095,000</u>	\$	<u>41,511,000</u>
----	-------------------	----	-------------------

(a) \$24,295,000 the first year and \$27,222,000 the second year are for state parks, recreation areas, and trails to:

- (1) connect people to the outdoors;
- (2) acquire land and create opportunities;
- (3) maintain existing holdings; and

(4) improve cooperation by coordinating with partners to implement the 25-year long-range parks and trails legacy plan.

(b) The commissioner may spend money appropriated under paragraph (a) on I Can! programs, including but not limited to programs designed to provide underserved youth and youth who identify as lesbian, gay, bisexual, transgender, and queer the opportunity to experience the outdoors with similar peers.

(c) \$12,148,000 the first year and \$13,610,000 the second year are for grants for parks and trails of regional significance outside the seven-county metropolitan area under Minnesota Statutes, section 85.535. The grants awarded under this paragraph must be based on the lists of recommended projects submitted to the legislative committees under Minnesota Statutes, section 85.536, subdivision 10, from the Greater Minnesota Regional Parks and Trails Commission established under Minnesota Statutes, section 85.536. Grants funded under this paragraph must support parks and trails of regional or statewide significance that meet the applicable definitions and criteria for regional parks and trails contained in the Greater Minnesota Regional Parks and Trails Strategic Plan adopted by the Greater Minnesota Regional Parks and Trails Commission on April 22, 2015. Grant recipients identified under this paragraph must submit a grant application to the commissioner of natural resources. Of the amount appropriated, up to \$140,000 each year may be used by the commissioner for the actual cost of issuing and monitoring the grants for the commission. Of the amount appropriated, \$500,000 the first year and \$500,000 the second year are for the Greater Minnesota Regional Parks and Trails Commission to carry out its duties under Minnesota Statutes, section 85.536, including the continued development of a statewide

system plan for regional parks and trails outside the seven-county metropolitan area.

(d) By January 15, 2026, the Greater Minnesota Regional Parks and Trails Commission must submit a list of projects that contains the commission's recommendations for funding from the parks and trails fund for fiscal year 2027 to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources and the parks and trails fund.

(e) By January 15, 2026, the Greater Minnesota Regional Parks and Trails Commission must submit a report that contains the commission's criteria for funding from the parks and trails fund, including the criteria used to determine if a park or trail is of regional significance, to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources and the parks and trails fund.

(f) \$652,000 the first year and \$679,000 the second year are for coordination and projects between the department, the Metropolitan Council, and the Greater Minnesota Regional Parks and Trails Commission; enhanced web-based information for park and trail users; and support of activities of the Parks and Trails Legacy Advisory Committee.

(g) The commissioner must contract for services with Conservation Corps Minnesota and Iowa for restoration, maintenance, and other activities under this section for at least \$850,000 the first year and \$850,000 the second year.

(h) Grant recipients of an appropriation under this section must give consideration to contracting with Conservation Corps Minnesota and Iowa for restoration, maintenance, and other activities.

(i) In addition to the requirements under paragraph (g), the commissioner should work to provide other opportunities that encourage a diversity of students to pursue careers in environment and natural resources when implementing appropriations in this section.

Sec. 4. METROPOLITAN COUNCIL

\$ 24,295,000 \$ 27,222,000

(a) \$24,295,000 the first year and \$27,222,000 the second year are for distribution according to Minnesota Statutes, section 85.53, subdivision 3.

(b) Money appropriated under this section and distributed to implementing agencies must be used only to fund the list of projects approved by the elected representatives of each of the metropolitan parks implementing agencies. Projects funded by the money appropriated under this section must be substantially consistent with the project descriptions and dollar amounts approved by each elected body. Any money remaining after completing the listed projects may be spent by the implementing agencies on projects to support parks and trails.

(c) Grant agreements entered into by the Metropolitan Council and recipients of money appropriated under this section must ensure that the money is used to supplement and not substitute for traditional sources of funding.

(d) The implementing agencies receiving appropriations under this section must give consideration to contracting with Conservation Corps Minnesota for restoration, maintenance, and other activities.

Sec. 5. LEGISLATIVE

ARTICLE 4

ARTS AND CULTURAL HERITAGE FUND

Section 1. ARTS AND CULTURAL HERITAGE FUND APPROPRIATIONS.

The sums shown in the columns marked "Appropriations" are appropriated to the entities and for the purposes specified in this article. The appropriations are from the arts and cultural heritage fund and are available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15, except that any unencumbered balance remaining under this article from the first year does not cancel but is available in the second year. The figures "2026" and "2027" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2026, and June 30, 2027, respectively. "The first year" is fiscal year 2026. "The second year" is fiscal year 2027. "The biennium" is fiscal years 2026 and 2027. All appropriations in this article are onetime.

APPROPRIATIONS**Available for the Year****Ending June 30****2026****2027****Sec. 2. ARTS AND CULTURAL HERITAGE****Subdivision 1. Total Appropriation**

\$	<u>85,293,000</u>	\$	<u>94,618,000</u>
----	--------------------------	----	--------------------------

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Availability of Appropriation

Money appropriated in this article must not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must not be spent on institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget MMB Guidance to Agencies on Legacy Fund Expenditure. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2026 appropriations are available until June 30, 2027, and fiscal year 2027 appropriations are available until June 30, 2028. Water and energy conservation technology and the use of renewable energy should be priorities for construction and building projects funded through this appropriation. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Sec. 3. MINNESOTA STATE ARTS BOARD**Subdivision 1. Total Appropriation**

\$	<u>40,088,000</u>	\$	<u>44,470,000</u>
----	--------------------------	----	--------------------------

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Grant Agreements

The amounts in this section are appropriated to the Minnesota State Arts Board for arts, arts education, arts preservation, and arts access. Grant agreements entered into by the Minnesota State Arts Board and other recipients of appropriations in this section must ensure that the money is used to supplement and not substitute for traditional sources of funding. Each grant program established in this appropriation must be separately administered from other state appropriations for program planning and outcome measurements, but may take into consideration other state resources awarded in the selection of applicants and grant award size.

Subd. 3. Arts and Arts Access Initiatives32,071,00035,576,000

\$32,071,000 the first year and \$35,576,000 the second year are to support Minnesota artists and arts organizations in creating, producing, and presenting high-quality arts activities; to preserve, maintain, and interpret art forms and works of art so that they are accessible to Minnesota audiences; to overcome barriers to accessing high-quality arts activities; and to instill the arts into the community and public life in this state. Grants provided under this subdivision must prioritize artists and arts organizations that plan to present art from communities that have been historically underrepresented in the arts or that improve access to the programs and projects for groups, including youth and historically underserved communities, that have struggled to access arts programming in the past.

Subd. 4. Arts Education6,013,0006,670,000

\$6,013,000 the first year and \$6,670,000 the second year are for high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the

arts. Priority in the award of grants under this subdivision must be given to providing educational opportunities to underserved communities with grants for organizations or entities providing opportunities to K-12 students throughout the state for arts education, including access to arts instruction, arts programming, museums, and arts presentations.

Subd. 5. Arts and Cultural Heritage

2,004,000

2,224,000

\$2,004,000 the first year and \$2,224,000 the second year are for events and activities that represent, preserve, and maintain the diverse cultural arts traditions, including folk and traditional artists and art organizations, represented in this state.

Subd. 6. Administrative Costs

Up to five percent of the totals in subdivisions 3 to 5 each year is for administering grant programs, delivering technical services, providing fiscal oversight for the statewide system, and ensuring accountability in fiscal years 2026 and 2027.

Subd. 7. Regional Arts Councils

Thirty percent of the remaining total appropriation to each of the categories listed in subdivisions 3 to 5 is for grants to the regional arts councils. Notwithstanding any other provision of law, regional arts council grants or other arts council grants for touring programs, projects, or exhibits must ensure the programs, projects, or exhibits are able to tour in their own region as well as all other regions of the state.

Sec. 4. MINNESOTA HISTORICAL SOCIETY

Subdivision 1. Total Appropriation

\$

14,077,000

\$

19,000,000

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Grant Agreements

(a) The amounts in this section are appropriated to the governing board of the Minnesota Historical Society to preserve and enhance access to Minnesota's history and its cultural and historical resources. Grant agreements entered into by the Minnesota Historical Society and other recipients of appropriations in this section must ensure that the money is used to supplement and not substitute for traditional sources of funding. Money directly appropriated to the Minnesota Historical Society must be used to supplement and not substitute for traditional sources of funding. Notwithstanding Minnesota Statutes, section 16A.28, for historic preservation projects that improve historic structures, the amounts are available until June 30, 2029. The Minnesota Historical Society or grant recipients of the Minnesota Historical Society using money from the arts and cultural heritage fund under this section must give consideration to Conservation Corps Minnesota and Iowa and Northern Bedrock Historic Preservation Corps, or an organization carrying out similar work, for projects with the potential to need historic preservation services.

(b) Up to five percent of the totals in subdivisions 3 and 4 each year is for administering grants and grant programs, delivering technical services, providing fiscal oversight, and ensuring accountability in fiscal years 2026 and 2027.

Subd. 3. Historical Grants and Programs

18,875,000

(a) Statewide Historic and Cultural Grants

\$4,822,000 the first year and \$7,640,000 the second year are for statewide historic and cultural grants to local, county, regional, or other historical or cultural organizations or for activities to preserve significant historic and cultural resources. Money must be distributed through a competitive grant process. The Minnesota Historical Society must administer the money using established

grant mechanisms with assistance from the advisory committee created under Laws 2009, chapter 172, article 4, section 2, subdivision 4, paragraph (b), item (ii).

(b) Statewide History Programs

\$5,140,000 the first year and \$7,640,000 the second year are for historic and cultural programs and purposes related to the heritage of the state.

(c) History Partnerships

\$1,812,000 the first year and \$2,935,000 the second year are for history partnerships involving multiple organizations, which may include the Minnesota Historical Society, to preserve and enhance access to Minnesota's history and cultural heritage in all regions of the state.

(d) Statewide Survey of Historical and Archaeological Sites

\$330,000 the first year and \$330,000 the second year are for one or more contracts to be competitively awarded to conduct statewide surveys or investigations of Minnesota's sites of historical, archeological, and cultural significance. Results of the surveys or investigations must be published in a searchable form and available to the public cost free. The Minnesota Historical Society, the Office of the State Archeologist, the Indian Affairs Council, and the State Historic Preservation Office must each appoint a representative to an oversight board to select contractors and direct the conduct of the surveys or investigations. The oversight board must consult with the Departments of Transportation and Natural Resources.

(e) Digital Library

\$330,000 the first year and \$330,000 the second year are for a digital library project to preserve, digitize, and share Minnesota images, documents, and historical materials.

The Minnesota Historical Society must cooperate with the Minitex interlibrary loan system and must jointly share this appropriation for these purposes.

(f) 250th Anniversary of the Declaration of Independence

\$200,000 the first year is for Minnesota's commemoration of the 250th anniversary of the Declaration of Independence. The Minnesota Historical Society, the Minnesota America 250 Committee, and the Minnesota Humanities Center must work collaboratively to create public programs and activities and to support local efforts to commemorate this anniversary. A portion of this money may be used to support the work of the Minnesota America 250 Committee.

Subd. 4. Grants

1,443,000

125,000

(a) \$500,000 the first year is for a grant to the Minnesota Transportation Museum for exhibits, the purchase and restoration of historic train cars, and updates to the museum that allow persons of all ages and abilities to access the museum safely.

(b) \$500,000 the first year is for a grant to Olmsted County Historical Society to rehabilitate the historic George Stoppel stone house and barn and to construct an accessible pathway to the farmstead. All work must follow the standards outlined in the United States Secretary of the Interior's Treatment of Historic Properties.

(c) \$125,000 the first year and \$125,000 the second year are for a grant to Special Guerrilla Units Veterans and Families of USA, Inc. to collect, document, archive, and preserve the oral histories of Hmong veterans of the United States-sponsored Secret War in Laos and to create programming and educational resources to teach the public and future generations about the history, legacy, and cultural heritage of the Hmong in Minnesota.

(d) \$318,000 the first year is for a grant to the Dakota County Historical Society to design and build the Heroes and Heritage Interpretive Trail Loop along existing paved trails in South St. Paul, West St. Paul, and Inver Grove Heights.

Sec. 5. DEPARTMENT OF EDUCATION

\$ 1,923,000 \$ 2,923,000

\$1,923,000 the first year and \$2,923,000 the second year are appropriated to the commissioner of education for grants to the 12 Minnesota regional library systems to provide educational opportunities in the arts, history, literary arts, and cultural heritage of Minnesota. When possible, funding under this section should be used to promote and share the work of Minnesota authors, including authors from diverse backgrounds. This money must be allocated using the formulas in Minnesota Statutes, section 134.355, subdivisions 3 to 5, with the remaining 25 percent to be distributed to all qualifying systems in an amount proportionate to the number of qualifying system entities in each system. For purposes of this section, "qualifying system entity" means a public library, a regional library system, a regional library system headquarters, a county, or an outreach service program. This money may be used to sponsor programs provided by regional libraries or to provide grants to local arts and cultural heritage programs for programs in partnership with regional libraries. This money must be distributed in ten equal payments per year. Notwithstanding Minnesota Statutes, section 16A.28, the appropriations encumbered on or before June 30, 2027, as grants or contracts in this section are available until June 30, 2029. Up to two percent of the amount in this section is for administering the grants in this section.

**Subd. 5. Community Identity and Heritage Grant
Program**

2,858,000

6,945,000

\$2,858,000 the first year and \$6,945,000 the
second year are for a competitive grant
program to provide grants to organizations
or individuals working to create, celebrate,
and teach the art, culture, and heritage of
diverse Minnesota communities, including
but not limited to Asian and Pacific Island
communities, the Somali diaspora and other
African immigrant communities, Indigenous
communities with a focus on the 11 Tribes
in Minnesota, the African American
community, the Latinx community, the
LGBTQIA+ community, and other
underrepresented cultural groups, including
communities of Black, Indigenous, and
people of color, to celebrate the cultural
diversity of Minnesota. At least \$250,000

each year must be for grants to provide funding to ethnic media organizations creating video content in a language other than English. At least \$200,000 each year must be used to award emergency grants to organizations otherwise qualified to receive grants under this subdivision and must be awarded on a rolling basis based on emerging needs to assist communities responding to major events and to facilitate the process of grieving, encourage healing, create memorials, or assist in recovery of the community. Any amount described in the preceding sentence that is not expended by October 15 of the second year may be used for general programming costs or grants under this subdivision. An individual or organization that receives a grant under this subdivision must do at least one of the following:

(1) preserve and honor the cultural heritage of Minnesota;

(2) provide education and student outreach on cultural diversity;

(3) support the development of culturally diverse humanities programming, including arts programming, by individuals and organizations; or

(4) empower communities in building identity and culture, including preserving and honoring communities whose Indigenous cultures are endangered or disappearing.

Subd. 6. Underrepresented Groups Cultural Studies Materials

500,000

-0-

\$500,000 the first year is for competitive grants to develop high-quality academic, cultural, and ethnic studies materials for communities that do not have adequate cultural and ethnic studies materials or who are underrepresented in those materials, including but not limited to the Hmong, Karen, Somali, and Oromo cultures and

cultures without a formal writing system that are largely oral-based. In developing these materials, a recipient of a grant under this subdivision must work with school districts that intend to use the materials.

Subd. 7. Gordon Parks Commemoration

500,000

-0-

\$500,000 the first year is to work in collaboration with Soul Touch Productions to create an art installation and programming to celebrate the incredible life and rich legacy of Gordon Parks.

Subd. 8. Grants

442,000

442,000

(a) Urban Debate League

\$160,000 the first year and \$160,000 the second year are for a grant to the Minnesota Urban Debate League to offer improved professional development programming and expand services to youth in more geographic areas.

(b) Art from the Inside

\$132,000 the first year and \$132,000 the second year are for a grant to Art from the Inside to use the arts, including but not limited to visual art, poetry, literature, theater, dance, and music, to address the supportive, therapeutic, and rehabilitative needs of incarcerated persons and persons on supervised release and promote a safer correctional facility and community environment.

(c) Hmong Cultural Center

\$150,000 the first year and \$150,000 the second year are for a grant to the Hmong Cultural Center of Minnesota for museum-related programming, a library, and classes and educational outreach activities to teach the public about the historical, cultural, and folk arts heritage of Hmong Minnesotans.

Sec. 9. INDIAN AFFAIRS COUNCIL

2,030,000

2,030,000

(a) \$750,000 each year is to provide grants to Minnesota Tribal Nations to preserve Dakota and Ojibwe Indian language and to foster education programs and services for Dakota and Ojibwe language.

(b) \$575,000 each year is for grants to Dakota and Ojibwe language-immersion educational institutions.

(c) \$525,000 each year is to provide grants to preserve the Dakota and Ojibwe Indian language through support of projects and services and to support educational programs and immersion efforts in Dakota and Ojibwe language.

(d) \$50,000 each year is for a Dakota and Ojibwe Indian language working group coordinated by the Indian Affairs Council.

(e) \$130,000 each year is for the Indian Affairs Council to carry out responsibilities under Minnesota Statutes, section 307.08, to comply with Public Law 101-601, the Native American Graves Protection and Repatriation Act.

Sec. 10. DEPARTMENT OF AGRICULTURE

Subdivision 1. <u>Total Appropriation</u>	<u>\$</u>	<u>602,000</u>	<u>\$</u>	<u>602,000</u>
--	------------------	-----------------------	------------------	-----------------------

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. <u>County Fair Grants</u>		<u>352,000</u>		<u>352,000</u>
---	--	-----------------------	--	-----------------------

\$352,000 the first year and \$352,000 the second year are for grants to county agricultural societies to enhance arts access and education and to preserve and promote Minnesota's history and cultural heritage as embodied in its county fairs. The grants may be distributed in equal amounts to each of the county fairs that submitted an application. The grants are in addition to the aid distribution to county agricultural societies under Minnesota Statutes, section 38.02. The

commissioner of agriculture must develop grant-making criteria and guidance for expending money under this subdivision to provide funding for projects and events that provide access to the arts or the state's agricultural, historical, and cultural heritage. The commissioner must seek input from all interested parties. The commissioner may use up to two percent of the amounts in this subdivision for the administration and distribution of the grants. Money not used in the first year may be used in the second year.

Subd. 3. **Minnesota FFA**

250,000

250,000

(a) \$250,000 the first year and \$250,000 the second year are for grants to the Minnesota FFA to provide new and expanded access for Minnesota FFA members involved in art- and history-related FFA activities. Of this amount:

(1) up to \$100,000 each year may be used to document and commemorate 100 years of fostering leadership, agricultural education, and community service across the state by creating a history book, video storytelling series, and an in-person arts-focused event; and

(2) any amount not spent for the purposes described in clause (1) may be used for other activities that provide new and expanded access for Minnesota FFA members involved in art- and history-related FFA activities, including activities related to national and state FFA band and choir, state and national FFA talent competitions, FFA floriculture, and FFA state fair landscape booths.

(b) The commissioner of agriculture must develop grant-making criteria and guidance for grants under this subdivision to provide funding for projects and events and must seek input from the Minnesota FFA and Minnesota FFA Foundation. The commissioner may use up to five percent of the amounts in this subdivision to cover the

costs of administering, planning, evaluating,
and reporting these grants.

**Sec. 11. LEGISLATIVE COORDINATING
COMMISSION**

\$

5,000 \$

-0-

The amount in this section is appropriated to
the Legislative Coordinating Commission to
maintain the website required under
Minnesota Statutes, section 3.303,
subdivision 10.

Sec. 12. Laws 2023, chapter 40, article 4, section 2, subdivision 3, as amended by Laws 2024, chapter 106, article 4, section 3, is amended to read:

Subd. 3. Minnesota State Arts Board

47,421,000

44,796,000

(a) The amounts in this subdivision are appropriated to the Minnesota State Arts Board for arts, arts education, arts preservation, and arts access. Grant agreements entered into by the Minnesota State Arts Board and other recipients of appropriations in this subdivision must ensure that these funds are used to supplement and not substitute for traditional sources of funding. Each grant program established in this appropriation must be separately administered from other state appropriations for program planning and outcome measurements, but may take into consideration other state resources awarded in the selection of applicants and grant award size.

(b) Arts and Arts Access Initiatives

\$35,737,000 the first year and \$36,437,000 the second year are to support Minnesota artists and arts organizations in creating, producing, and presenting high-quality arts activities; to preserve, maintain, and interpret art forms and works of art so that they are accessible to Minnesota audiences; to overcome barriers to accessing high-quality arts activities; and to instill the arts into the community and public life in this state. Grants provided under this paragraph must prioritize artists and arts organizations that

plan to present art from communities that have been historically underrepresented in the arts or that improve access to the programs and projects for groups, including youth and historically underserved communities, that have struggled to access arts programming in the past.

(c) Arts Education

\$7,263,000 the first year and \$6,269,000 the second year are for high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts. Priority in the award of grants under this paragraph must be given to providing educational opportunities to underserved communities with grants for organizations or entities providing opportunities to K-12 students throughout the state for arts education, including access to arts instruction, arts programming, museums, and arts presentations.

(d) Arts and Cultural Heritage

\$2,421,000 the first year and \$2,090,000 the second year are for events and activities that represent, preserve, and maintain the diverse cultural arts traditions, including folk and traditional artists and art organizations, represented in this state.

(e) Significant Art Project St. Paul

\$2,000,000 the first year is for a grant to the Minnesota United Foundation for the design, land development, land transfer fees, and production costs of a public art project in St. Paul ~~at the United Village site~~ celebrating Minnesota arts and cultural heritage and providing a unique public art experience through sculpture and design. The project funded by this paragraph must have a matching contribution from nonpublic funds and must include a public-private partnership agreement providing an agreement for the future ownership, maintenance, taxes, and

associated costs for the art project and project site. The project funded by this paragraph must have a permanent sign indicating the project was funded through the arts and cultural heritage fund. The project funded by this paragraph must be located in St. Paul at the Conway Recreation Center or, if that site is not practicable, at Lake Phalen at the platform containing the bust of Sunisa Lee. This appropriation is available until June 30, ~~2028~~ 2029. Nonpublic contributions made after January 1, 2024, are eligible matching expenditures for the purposes of this grant.

(f) Administrative Costs

Up to five percent of the totals in paragraphs (b) to (e) each year is for administering grant programs, delivering technical services, providing fiscal oversight for the statewide system, and ensuring accountability for fiscal year 2024 and fiscal year 2025 appropriations.

(g) Regional Arts Councils

Thirty percent of the remaining total appropriation to each of the categories listed in paragraphs (b) to (d) is for grants to the regional arts councils. Notwithstanding any other provision of law, regional arts council grants or other arts council grants for touring programs, projects, or exhibits must ensure the programs, projects, or exhibits are able to tour in their own region as well as all other regions of the state.

(h) Any unencumbered balance remaining under this subdivision the first year does not cancel but is available the second year.

Sec. 13. Laws 2023, chapter 40, article 4, section 2, subdivision 5, is amended to read:

Subd. 5. Department of Education	3,000,000	2,750,000
---	-----------	-----------

(a) \$2,750,000 each year is appropriated to the commissioner of education for grants to the 12 Minnesota regional library systems to provide educational opportunities in the arts, history, literary arts, and cultural heritage of

Minnesota. When possible, funding under this subdivision should be used to promote and share the work of Minnesota authors, including authors from diverse backgrounds. This money must be allocated using the formulas in Minnesota Statutes, section 134.355, subdivisions 3 to 5, with the remaining 25 percent to be distributed to all qualifying systems in an amount proportionate to the number of qualifying system entities in each system. For purposes of this subdivision, "qualifying system entity" means a public library, a regional library system, a regional library system headquarters, a county, or an outreach service program. This money may be used to sponsor programs provided by regional libraries or to provide grants to local arts and cultural heritage programs for programs in partnership with regional libraries. This money must be distributed in ten equal payments per year. Notwithstanding Minnesota Statutes, section 16A.28, the appropriations encumbered on or before June 30, ~~2025~~ 2026, as grants or contracts in this subdivision are available until June 30, ~~2026~~ 2027.

(b) \$250,000 the first year is appropriated to the commissioner of education for a water safety grant program. The commissioner of education must allocate grants to eligible applicants. Eligible applicants include nonprofit organizations and city and county parks and recreation programs providing swimming lessons to youth. Eligible applicants are not required to partner with other entities. Grant funds must primarily be used to provide scholarships to low-income and at-risk children for swimming lessons. Up to 15 percent of the grant funds may also be used to hire water safety instructors or lifeguards or train water safety instructors or lifeguards in nationally recognized water safety practices and instruction.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 14. Laws 2024, chapter 106, article 4, section 2, subdivision 6, is amended to read:

Subd. 6. **Minnesota Historical Society**

-0-

1,201,000

(a) The amounts in this subdivision are appropriated to the governing board of the Minnesota Historical Society to preserve and enhance access to Minnesota's history and its cultural and historical resources. Grant agreements entered into by the Minnesota Historical Society and other recipients of appropriations in this subdivision must ensure that these funds are used to supplement and not substitute for traditional sources of funding. Funds directly appropriated to the Minnesota Historical Society must be used to supplement and not substitute for traditional sources of funding. The appropriations in this subdivision are onetime.

(b) **Grants**

(1) \$100,000 the second year is to facilitate negotiations for the purchase by the state of the Wizard of Oz ruby slippers through a combination of available state funds and nonstate sources of funding. Any remaining amount not used to facilitate the purchase of the slippers by the state may be used as a grant to the Judy Garland Children's Discovery Museum to create an exhibit highlighting the history and cultural relevance of the slippers;

(2) \$400,000 the second year is for statewide historic and cultural grants to cultural community organizations, historical organizations, and veterans organizations for activities to commemorate 50 years of Southeast Asians in Minnesota. Money under this paragraph must be distributed through a competitive grant process. The Minnesota Historical Society must administer the grants using established grant mechanisms with assistance from the advisory committee created under Laws 2009, chapter 172, article 4, section 2, subdivision 4, paragraph (b), item (ii).

(3) \$200,000 the second year is for activities to prepare and coordinate community commemoration programs celebrating 50 years of Hmong Americans in Minnesota. The Minnesota Historical Society must form an advisory task force consisting of members of the Hmong community to advise the society on the design and implementation of these activities and programs;

(4) \$200,000 the second year is for planning and outreach, in collaboration with the Minnesota Humanities Center, for Minnesota's commemoration of the 250th anniversary of the signing of the Declaration of Independence. The Minnesota Historical Society and Minnesota Humanities Center must enter into an agreement between the organizations on how best to maximize the impact of this grant and of collaboration with statewide partners;

(5) \$50,000 the second year is for a grant to the Greater Litchfield Opera House Association to repair and update the Litchfield Opera House; and

(6) \$251,000 the second year is for a grant to the Dakota County Historical Society to design and build exhibits at the Lawshe Memorial Museum.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 15. **CARRYFORWARD.**

The availability of the appropriation under Laws 2023, chapter 40, article 4, section 2, subdivision 6, paragraph (ff), is extended to June 30, 2028.

Sec. 16. **EFFECT OF DIRECT APPROPRIATION ON ELIGIBILITY TO RECEIVE COMPETITIVE GRANT.**

An entity that administers a competitive grant program established in this article must not prohibit a named recipient of an appropriation in this article from applying for a grant under a competitive grant program established in this article."

"Sec. 9. Minnesota Statutes 2024, section 169A.63, subdivision 13, is amended to read:

Subd. 13. **Exception.** (a) A forfeiture proceeding is stayed and the vehicle must be returned if the driver becomes a program participant in the ignition interlock program under section 171.306, in any motor vehicle eligible to be equipped with the ignition interlock device, at any time before the seized motor vehicle is forfeited and any of the following apply:

(1) the ~~driver committed~~ motor vehicle has been seized for a designated offense other than a violation of section 169A.20 under the circumstances described in section 169A.24; or

(2) the driver is accepted into a treatment court dedicated to changing the behavior of alcohol- and other drug-dependent offenders arrested for driving while impaired.

(b) Notwithstanding paragraph (a), the vehicle whose forfeiture was stayed in paragraph (a) may be seized and the forfeiture action may proceed under this section if the program participant described in paragraph (a):

(1) subsequently operates a motor vehicle:

(i) to commit a violation of section 169A.20 (driving while impaired);

(ii) in a manner that results in a license revocation under section 169A.52 (license revocation for test failure or refusal) or 171.177 (revocation; search warrant) or a license disqualification under section 171.165 (commercial driver's license disqualification) resulting from a violation of section 169A.52 or 171.177;

(iii) after tampering with, circumventing, or bypassing an ignition interlock device; or

(iv) without an ignition interlock device at any time when the driver's license requires such device;

(2) either voluntarily or involuntarily ceases to participate in the program for more than 30 days, or fails to successfully complete it as required by the Department of Public Safety due to:

(i) two or more occasions of the participant's driving privileges being withdrawn for violating the terms of the program, unless the withdrawal is determined to be caused by an error of the department or the interlock provider; or

(ii) violating the terms of the contract with the provider as determined by the provider; or

(3) was the driver, forfeiture was stayed after the driver entered a treatment court, and the driver ceases to be a participant in the treatment court for any reason.

(c) Paragraph (b) applies only if the described conduct occurs before the participant has been restored to full driving privileges or within three years of the original designated offense or designated license revocation, whichever occurs latest.

(d) The requirement in subdivision 2, paragraph (b), that device manufacturers provide a discounted rate to indigent program participants applies also to device installation under this subdivision.

(e) An impound or law enforcement storage lot operator must allow an ignition interlock manufacturer sufficient access to the lot to install an ignition interlock device under this subdivision.

(f) Notwithstanding paragraph (a), an entity in possession of the vehicle is not required to release it until the reasonable costs of the towing, seizure, and storage of the vehicle have been paid by the vehicle owner.

(g) At any time prior to the vehicle being forfeited, the appropriate agency may require that the owner or driver of the vehicle surrender the title of the seized vehicle.

(h) If an event described in paragraph (b) occurs in a jurisdiction other than the one in which the original forfeitable event occurred, and the vehicle is subsequently forfeited, the proceeds shall be divided equally, after payment of seizure, towing, storage, forfeiture, and sale expenses and satisfaction of valid liens against the vehicle, among the appropriate agencies and prosecuting authorities in each jurisdiction.

(i) Upon successful completion of the program, the stayed forfeiture proceeding is terminated or dismissed and any vehicle, security, or bond held by an agency must be returned to the owner of the vehicle.

(j) A claimant of a vehicle for which a forfeiture action was stayed under paragraph (a) but which later proceeds under paragraph (b), may file a demand for judicial forfeiture as provided in subdivision 8, in which case the forfeiture proceedings must be conducted as provided in subdivision 9."

"Section 1. **[13.891] RESTORATIVE PRACTICE PARTICIPANT DATA.**

(a) For purposes of this section, "restorative practice participant" has the meaning given in section 595.02, subdivision 1b, paragraph (a), clause (2).

(b) Data collected, created, or maintained by a government entity that identifies an individual as a restorative practice participant is private data on individuals but may be disclosed for the purposes described in section 595.02, subdivision 1b, paragraph (b), clauses (1) to (3), or paragraph (c). This section does not apply to personnel data, as defined in section 13.43, subdivision 1, or to

an individual who receives payment to facilitate a restorative practice, as defined in section 142A.76, subdivision 1.

Sec. 2. Minnesota Statutes 2024, section 142A.76, subdivision 8, is amended to read:

Subd. 8. **Report.** By February 15 of each year, the director shall report to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over public safety, human services, and education, on the work of the Office of Restorative Practices, any grants issued pursuant to this section, and the status of local restorative practices initiatives in the state that were reviewed in the previous year. The report on the status of local restorative practices initiatives must incorporate data on recidivism, public safety impacts, and financial investments in restorative practices.

Sec. 3. Minnesota Statutes 2024, section 595.02, is amended by adding a subdivision to read:

Subd. 1b. **Inadmissibility; exceptions.** (a) For purposes of this subdivision:

(1) "restorative practice" has the meaning given in section 142A.76, subdivision 1; and

(2) "restorative practice participant" means a facilitator, a person who has caused harm, a person who has been harmed, a community member, and any other person attending a restorative practice.

(b) Statements made or documents offered in the course of a restorative practice are not subject to discovery or admissible as evidence in a civil or criminal proceeding. This paragraph does not apply:

(1) to statements or documents that are the subject of a report made pursuant to section 626.557 or chapter 260E;

(2) if a restorative practice participant reasonably believed that disclosure of a statement or document was necessary to prevent reasonably certain death, great bodily harm, or commission of a crime; or

(3) if the statement or document constitutes evidence of professional misconduct by a restorative practice participant acting in the capacity of their professional or occupational license.

(c) Notwithstanding paragraph (b), if a court orders a person who caused harm to participate in a restorative practice, a person overseeing the restorative practice may disclose information necessary to demonstrate whether the person who caused harm participated as ordered.

(d) Evidence that is otherwise admissible or subject to discovery does not become inadmissible or protected from discovery solely because it was discussed or used in a restorative practice."

S.F. No. 1119: A bill for an act relating to commerce; prohibiting access to nudification technology; proposing coding for new law in Minnesota Statutes, chapter 325E.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. **[325E.91] PROHIBITION ON NUDIFICATION TECHNOLOGY.**

Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have the meanings given.

(b) "Intimate part" has the meaning given in section 609.341, subdivision 5.

(c) "Nudify" or "nudified" means the process by which:

(1) an image or video is altered or generated to depict an intimate part not depicted in an original unaltered image or video of an identifiable individual; and

(2) the altered or generated image or video is so realistic that a reasonable person would believe that the intimate part belongs to the identifiable individual.

Subd. 2. **Nudification prohibited.** A person who owns or controls a website, application, software, program, or other service that creates, generates, or edits images or videos must not:

(1) allow a user to access, download, or use the website, application, software, program, or other service to nudify an image or video; or

(2) nudify an image on behalf of a user.

Subd. 3. **Civil action; damages.** An individual depicted in an image or video that was nudified in violation of this section may bring a civil action in district court against the person who violated this section for:

(1) compensatory damages, including mental anguish or suffering, in an amount up to three times the actual damages sustained;

(2) punitive damages;

(3) injunctive relief;

(4) reasonable attorney fees, costs, and disbursements; and

(5) other relief the court deems just and equitable.

Subd. 4. **Penalties.** (a) The attorney general may enforce this section under section 8.31. In addition to other remedies or penalties, a person that violates this section is subject to a civil penalty not in excess of \$500,000 for each unlawful access, download, or use under subdivision 2.

(b) Notwithstanding any contrary provision in law, including but not limited to section 16A.151, any civil penalty recovered under this subdivision must be deposited into the general fund. On July 1 of each year, the accumulated balance of civil penalties collected in the previous year is appropriated to the commissioner of public safety for the Office of Justice Programs to provide grants to organizations to provide direct services and advocacy for victims of sexual assault, general crime, domestic violence, and child abuse. Funding must support the direct needs of organizations serving victims of crime by providing: direct client assistance to crime victims; competitive wages for direct service staff; hotel stays and other housing-related supports and services; culturally responsive programming; prevention programming, including domestic abuse transformation and restorative justice programming; and for other needs of organizations and crime victim survivors. Services

funded must include services for victims of crime in underserved communities most impacted by violence and reflect the ethnic, racial, economic, cultural, and geographic diversity of the state. Up to ten percent of the appropriation is available for grant administration.

Subd. 5. **Jurisdiction; venue.** (a) A court has jurisdiction over a civil action filed pursuant to this section if the plaintiff or defendant resides in this state.

(b) A civil action arising under this section may be filed in the county where the plaintiff resides.

EFFECTIVE DATE. This section is effective August 1, 2025, and applies to causes of action accruing on or after that date."

Page 1, delete lines 5 to 24 and insert:

"WHEREAS, in fiscal year 2023, United States Customs and Border Protection reported more than 3.2 million migrant encounters nationwide, of which over 2.4 million were recorded at the southern border; and

WHEREAS, the total number of apprehensions in fiscal year 2023 was almost equal to the number of births registered in the United States in 2022, at over 3.6 million; and

WHEREAS, by July 2023, United States Customs and Border Protection reported that it experienced more than seven million encounters with migrants crossing the border since President Biden took office, the approximate population of Massachusetts, the 16th most populous state; and

WHEREAS, the Executive Branch of the United States has a constitutional duty to enforce federal laws protecting the states, including the immigration laws that are currently in place; and

WHEREAS, illegal immigration affects all Americans, including the people of the State of Minnesota; and

WHEREAS, lax illegal immigration policies, such as open borders and catch-and-release, do not deter the flow of illegal immigration and endanger the public interest; and

WHEREAS, past presidential administrations, including the Biden administration, embraced open borders and other immigration policies detrimental to public safety; and NOW, THEREFORE,

BE IT RESOLVED by the Senate of the State of Minnesota that it condemns immigration policies, such as open borders, that exacerbate illegal immigration into the United States and undermine public safety."

Senator Latz imposed a call of the Senate for the balance of the proceedings on Senate Resolution No. 15. The Sergeant at Arms was instructed to bring in the absent members.

The question was taken on "Shall the decision of the President be the judgment of the Senate?"

The roll was called, and there were yeas 34 and nays 24, as follows:

Those who voted in the affirmative were:

Boldon	Frentz	Kunesh	Mitchell	Putnam
Carlson	Gustafson	Kupec	Mohamed	Rest
Champion	Hauschild	Latz	Murphy	Seeberger
Clark	Hawj	Mann	Oumou Verbeten	Westlin
Cwodzinski	Hoffman	Marty	Pappas	Wiklund
Dibble	Johnson Stewart	Maye Quade	Pha	Xiong
Fateh	Klein	McEwen	Port	

Pursuant to Rule 40, Senator Frentz cast the affirmative vote on behalf of the following Senators: Fateh and McEwen.

Those who voted in the negative were:
