"Sec. 2. Minnesota Statutes 2024, section 144A.071, subdivision 4d, is amended to read:

Subd. 4d. **Consolidation of nursing facilities.** (a) The commissioner of health, in consultation with the commissioner of human services, may approve a request for net savings from a consolidation of nursing facilities which includes to be applied to reduce the costs of a moratorium exception project application under section 144A.073, subdivision 2. For purposes of this subdivision, "consolidation" means the closure of one or more facilities and the upgrading of the physical plant of the remaining nursing facility or facilities; the costs of which exceed the threshold project limit under subdivision 2, clause (a). The commissioners shall consider the criteria in this section, section 144A.073, and section 256R.40, in approving or rejecting a consolidation proposal. In the event the commissioners approve the request, the commissioner of human services shall calculate an external fixed costs rate adjustment according to clauses (1) to (3).

~~(1) the closure of beds shall not be eligible for a planned closure rate adjustment under section 256R.40, subdivision 5;~~

~~(2) the construction project permitted in this clause shall not be eligible for a threshold project rate adjustment under section 256B.434, subdivision 4f, or a moratorium exception adjustment under section 144A.073; and~~

~~(3) the payment rate for external fixed costs for a remaining facility or facilities shall be increased by an amount equal to 65 percent of the projected net cost savings to the state calculated in paragraph (b), divided by the state's medical assistance percentage of medical assistance dollars, and then divided by estimated medical assistance resident days, as determined in paragraph (c), of the remaining nursing facility or facilities in the request in this paragraph. The rate adjustment is effective on the first day of the month of January or July, whichever date occurs first following both the completion of the construction upgrades in the consolidation plan and the complete closure of the~~

~~facility or facilities designated for closure in the consolidation plan. If more than one facility is receiving upgrades in the consolidation plan, each facility's date of construction completion must be evaluated separately.~~

(b) For purposes of calculating the net ~~cost~~ savings ~~to the state~~, the commissioner shall consider clauses (1) to ~~(7)~~ (6):

(1) the annual savings from estimated medical assistance payments from the net number of beds closed taking into consideration only beds that are in active service on the date of the request and that have been in active service for at least three years;

(2) the estimated annual cost of increased case load of individuals receiving services under the elderly waiver;

(3) the estimated annual cost of elderly waiver recipients receiving support under housing support under chapter 256I;

(4) the estimated annual cost of increased case load of individuals receiving services under the alternative care program;

(5) the annual loss of license surcharge payments on closed beds; and

~~(6) the savings from not paying planned closure rate adjustments that the facilities would otherwise be eligible for under section 256R.40; and~~

~~(7)~~ (6) the savings from not ~~paying external fixed costs payment rate adjustments~~ providing a rate adjustment from submission of renovation costs that would otherwise be eligible as threshold projects under section 256B.434, subdivision 4f.

~~(e) For purposes of the calculation in paragraph (a), clause (3), the estimated medical assistance resident days of the remaining facility or facilities shall be computed assuming 95 percent occupancy multiplied by the historical percentage of medical assistance resident days of the remaining facility or facilities, as reported on the facility's or facilities' most recent nursing facility statistical and cost report filed before the plan of closure is submitted, multiplied by 365.~~

~~(d)~~ (c) For purposes of calculating net ~~cost~~ of savings ~~to the state~~ in paragraph (b), the average occupancy percentages will be those ~~reported~~ on the facility's or facilities' most recent nursing facility statistical and cost report filed before the plan of closure is submitted, and the average payment rates shall be calculated based on the approved payment rates in effect at the time the consolidation request is submitted.

~~(e) To qualify for the external fixed costs payment rate adjustment under this subdivision, the closing facilities shall:~~

~~(1) submit an application for closure according to section 256R.40, subdivision 2; and~~

~~(2) follow the resident relocation provisions of section 144A.161.~~

~~(f)~~ (d) The county or counties in which a facility or facilities are closed under this subdivision shall not be eligible for designation as a hardship area under subdivision 3 for five years from the

date of the approval of the proposed consolidation. The applicant shall notify the county of this limitation and the county shall acknowledge this in a letter of support.

~~(g) Projects approved on or after March 1, 2020, are not subject to paragraph (a), clauses (2) and (3), and paragraph (e). The 65 (c) Sixty-five percent of the projected net cost savings to the state calculated in paragraph (b) must be applied to the moratorium cost of the project and the remainder must be added to the moratorium funding under section 144A.073, subdivision 11.~~

~~(h) (f) Consolidation project applications not approved by the commissioner prior to March 1, 2020, are subject to the moratorium process under section 144A.073, subdivision 2. Upon request by the applicant, the commissioner may extend this deadline to August 1, 2020, so long as the facilities, bed numbers, and counties specified in the original application are not altered. Proposals from facilities seeking approval for a consolidation project prior to March 1, 2020, must be received by the commissioner no later than January 1, 2020. This paragraph expires August 1, 2020.~~

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 71. Minnesota Statutes 2024, section 609A.06, subdivision 7, is amended to read:

Subd. 7. **Review and determination.** (a) The Cannabis Expungement Board shall review all available records to determine whether the conviction or stay of adjudication or charge is eligible for an expungement or resentencing to a lesser offense. An expungement under this section is presumed to be in the public interest unless there is clear and convincing evidence that an expungement or resentencing to a lesser offense would create a risk to public safety.

(b) If the Cannabis Expungement Board determines that an expungement is in the public interest, the board shall determine whether a person's conviction should be vacated and charges should be dismissed.

(c) If the Cannabis Expungement Board determines that an expungement is in the public interest, the board shall determine whether the limitations under section 609A.03, subdivision 5a, apply.

(1) the nature and severity of the underlying crime, including but not limited to the total amount of marijuana or tetrahydrocannabinols possessed by the person and whether the offense involved a dangerous weapon, the intentional infliction of bodily harm on another, an attempt to inflict bodily harm on another, or an act committed with the intent to cause fear in another of immediate bodily harm or death;

(2) whether an expungement or resentencing the person a lesser offense would increase the risk, if any, the person poses to other individuals or society;

(3) if the person is under sentence, whether an expungement or resentencing to a lesser offense would result in the release of the person and whether release earlier than the date that the person would be released under the sentence currently being served would present a danger to the public or would be compatible with the welfare of society;

(4) aggravating or mitigating factors relating to the underlying crime, including the person's level of participation and the context and circumstances of the underlying crime;

(5) statements from victims and law enforcement, if any;

(6) if an expungement or resentencing the person to a lesser offense is considered, whether there is good cause to restore the person's right to possess firearms and ammunition;

(7) if an expungement is considered, whether an expunged record of a conviction or stay of adjudication may be opened for purposes of a background check required under section 122A.18, subdivision 8; and

(8) whether the person was also charged with other offenses in addition to the underlying crime, the disposition of those other charges, and other factors deemed relevant by the Cannabis Expungement Board.

(g) In making a determination under this subdivision, the Cannabis Expungement Board shall not consider the impact the expungement would have on the offender based on any records held by the Department of Health; Department of Children, Youth, and Families; or Department of Human Services.

(h) The affirmative vote of three members is required for action taken at any meeting.

EFFECTIVE DATE. This section is effective the day following final enactment.

(2) the court file number of the eligible conviction or stay of adjudication;

(3) whether the person is eligible for an expungement;

(4) if the person is eligible for an expungement, whether the person's conviction should be vacated and charges should be dismissed;

(5) if the person is eligible for an expungement, whether there is good cause to restore the offender's right to possess firearms and ammunition;

(6) if the person is eligible for an expungement, whether the limitations under section 609A.03, subdivision 7a, paragraph (b), clause (5), apply; ~~and~~

(7) if the person is eligible for an expungement, whether the expungement should also apply to any other offenses charged in addition to the underlying crime; and

(8) if the person is eligible for resentencing to a lesser offense, the lesser sentence to be imposed.

The courts shall not order the Department of Health; the Department of Children, Youth, and Families; or the Department of Human Services to seal records under this section. If the Cannabis Expungement Board determined that the person's conviction should be vacated and charges should be dismissed, the order shall vacate and dismiss the charges.

(b) If the Cannabis Expungement Board determined that there is good cause to restore the person's right to possess firearms and ammunition, the court shall issue an order pursuant to section 609.165, subdivision 1d.

(c) If the Cannabis Expungement Board determined that an expunged record of a conviction or stay of adjudication may not be opened for purposes of a background check required under section 122A.18, subdivision 8, the court shall direct the order specifically to the Professional Educator Licensing and Standards Board.

(d) The court administrator shall send a copy of an expungement order issued under this section to each agency and jurisdiction whose records are affected by the terms of the order and send a letter to the last known address of the person whose offense has been expunged identifying each agency to which the order was sent.

(e) If a local unit of government is conducting studies or has authorized a study to be conducted or has held or has scheduled a hearing for the purpose of considering adoption or amendment of reasonable restrictions on the time, place, and manner of the operation of a cannabis business, the governing body of the local unit of government may adopt an interim ordinance applicable to all or part of its jurisdiction for the purpose of protecting the planning process and the health, safety, and welfare of its citizens. Before adopting the interim ordinance, the governing body must hold a public hearing. The interim ordinance may regulate, restrict, or prohibit the operation of a cannabis business within the jurisdiction or a portion thereof ~~until January 1, 2025~~ for two years from the date on which the ordinance was adopted.

(f) Within 30 days of receiving a copy of an application from the office, a local unit of government shall certify on a form provided by the office whether a proposed cannabis business complies with local zoning ordinances and, if applicable, whether the proposed business complies with the state fire code and building code. The office may not issue a license if the local unit of government informs the office that the cannabis business does not meet local zoning and land use laws. If the local unit of government does not provide the certification to the office within 30 days of receiving a copy of an application from the office, the office may issue a license.

If a local unit of government notifies the office that a cannabis business other than a cannabis retailer, cannabis microbusiness or cannabis mezzobusiness with a retail operations endorsement, lower-potency hemp edible retailer, or medical cannabis combination business operating a retail location poses an immediate threat to the health or safety of the public, the office must respond within one business day and may take any action described in section 342.19 or 342.21.

(h) A local government unit that issues a cannabis retailer registration under section 342.22 may, by ordinance, limit the number of licensed cannabis retailers, cannabis mezzobusinesses with a retail operations endorsement, and cannabis microbusinesses with a retail operations endorsement to no fewer than one registration for every 12,500 residents.

(i) If a county has one active registration for every 12,500 residents, a city or town within the county is not obligated to register a cannabis business.

(j) Nothing in this section shall prohibit a local government unit from allowing licensed cannabis retailers in excess of the minimums set in paragraph (h).

(k) Notwithstanding the foregoing provisions, the state shall not issue a license to any cannabis business to operate in Indian country, as defined in United States Code, title 18, section 1151, of a Minnesota Tribal government without the consent of the Tribal government."
