(4) any additional information requested by the commissioner to clarify information presented in the renewal application. The applicant must submit the information within 30 days after the commissioner's request, or the renewal application is canceled.

Subd. 3. **Continuing education.** (a) A registered massage therapist or Asian bodywork therapist must obtain continuing education in the two-year registration period.

(b) The commissioner must establish the number of continuing education hours a registered massage therapist or Asian bodywork therapist must complete each registration period and the activities that qualify as continuing education.

(c) A registered massage therapist or Asian bodywork therapist:

(1) may complete continuing education in person or online; and

(2) must complete the continuing education hours required in a registration period between the effective date and expiration date of the registration.

Subd. 4. **Change of address.** A registrant or applicant who changes addresses must inform the commissioner in writing within 30 days of the change of address. Notices or other correspondence mailed to or served on a registrant or applicant at the registrant's or applicant's current address on file are considered received by the registrant or applicant.

Subd. 5. **Registration renewal notice.** (a) At least 60 days before the registration's expiration date, the commissioner shall send out a renewal notice to the registrant. The notice must include:

(1) a renewal application;

(2) a notice of fees required for renewal; and

(3) information stating that the registration will expire without further action by the commissioner if a renewal application is not received before the deadline for renewal.

(b) The registrant's failure to receive the renewal notice does not relieve the registrant of the obligation to meet the deadline and other requirements for registration renewal. Failure to receive the notice is not grounds for challenging expiration of the registration.

Subd. 6. **Renewal deadline.** The renewal application and fee must be received by the commissioner or must be postmarked before the registration's expiration date. If the postmark is illegible, the application is timely if received by the third working day after the deadline.

Subd. 7. **Inactive status and return to active status.** (a) A registration may be placed in inactive status upon application to the commissioner by the registrant and upon payment of an inactive status fee as specified in section 148.6377. Failure to pay the annual inactive status fee shall result in a lapse of registration.

(b) A registrant seeking registration restoration to active status from inactive status must:

(1) apply to the commissioner for registration renewal according to subdivision 2;

(2) submit the applicable reactivation fee as specified in section 148.6377; and

(3) if the registration has been in inactive status for more than five years, submit evidence of having received a passing score on a credentialing examination.

Subd. 8. **Registration following lapse for two years or less.** To regain active registration status for a registration that has lapsed for two years or less, the applicant must:

(1) apply to the commissioner for registration renewal according to subdivision 2; and

(2) submit all applicable renewal fees for the period not registered, including the fee for late renewal.

Subd. 9. **Cancellation due to nonrenewal.** The commissioner shall not renew, reissue, reinstate, or restore a registration that has lapsed and has not been renewed within two years. An individual whose registration is canceled for nonrenewal must obtain a new registration by applying for registration and fulfilling all requirements under section 148.6366, subdivision 1, for initial registration as a massage therapist or Asian bodywork therapist.

Sec. 9. **[148.6368] COMMISSIONER ACTION ON APPLICATIONS.**

Subdivision 1. **General.** (a) The commissioner must act on each application for registration or renewal according to this section.

(b) The commissioner shall determine if the applicant meets the requirements for registration or renewal under section 148.6366 or 148.6367. The commissioner may investigate information provided by an applicant to determine whether the information is accurate and complete and may request additional information or documentation.

(c) The commissioner shall notify each applicant in writing of action taken on the application, the grounds for denying registration if registration is denied, and the applicant's right to review under paragraph (d).

(d) An applicant denied registration may make a written request to the commissioner within 30 days of the commissioner's notice to appear before the advisory council and for the advisory council to review the commissioner's decision to deny registration. After reviewing the denial, the advisory council shall make a recommendation to the commissioner as to whether the denial must be affirmed. Each applicant is allowed only one request for review per registration period.

Subd. 2. **Registration prohibited.** (a) Except as provided in paragraph (b), the commissioner shall deny an application for registration if an applicant:

(1) has been convicted in this state of any of the following crimes or of equivalent crimes in another state:

(i) labor or sex trafficking under section 609.281, 609.282, 609.283, or 609.322;

(ii) criminal sexual conduct under sections 609.342 to 609.3451 or 609.3453; or

(iii) a violent crime as defined under section 611A.08, subdivision 6;

(2) is a registered sex offender under section 243.166;

(3) has been subject to disciplinary action under section 146A.09, if the commissioner determines that such denial is necessary to protect the public; or

(4) is charged with or under investigation for a complaint in this state or any other jurisdiction that would constitute a violation of statutes or rules established for massage therapy or Asian bodywork therapy registration in this state and the charge or complaint has not been resolved in favor of the applicant.

(b) The commissioner may establish criteria whereby an individual convicted of an offense listed in paragraph (a) may become registered if the criteria:

(1) utilize a rebuttable presumption that the applicant is not suitable for registration;

(2) provide a standard for overcoming the presumption; and

(3) require that a minimum of one year has elapsed since the applicant was released from incarceration or supervisory jurisdiction related to the offense.

(c) The commissioner shall not consider an application under paragraph (b) if the commissioner determines that the victim involved in the offense was a client of the applicant at the time of the offense.

Sec. 10. [148.6369] GROUNDS FOR DISCIPLINARY ACTION.

Subdivision 1. **Grounds listed.** (a) The commissioner may deny, revoke, suspend, limit, or condition the registration of a registrant or may otherwise discipline a registrant. The fact that massage therapy or Asian bodywork therapy may be considered a less customary approach to health care must not by itself constitute the basis for disciplinary action.

(b) The following are grounds for disciplinary action regardless of whether injury to a client is established:

(1) failing to demonstrate the qualifications or to satisfy the requirements for registration under sections 148.636 to 148.6377 or rules of the commissioner. In the case of an applicant, the burden of proof is on the applicant to demonstrate the qualifications or satisfy the requirements;

(2) advertising in a false, fraudulent, deceptive, or misleading manner, including but not limited to:

(i) advertising or holding oneself out as a "registered massage therapist," "RMT," "registered Asian bodywork therapist," "RABT," or any abbreviation or derivation thereof to indicate such a title, when such registration is not valid or current for any reason;

(ii) advertising or holding oneself out as a "registered massage therapist," "registered Asian bodywork therapist," or any abbreviation or derivation thereof to indicate such a title, except if the individual holds a registration in another state or jurisdiction and does not provide services in Minnesota;

(iii) advertising a service, the provision of which would constitute a violation of sections 148.636 to 148.6377 or rules established by the commissioner; and

(iv) using fraud, deceit, or misrepresentation when communicating with the general public, health care providers, or other business professionals;

(3) falsifying information in a massage therapy or Asian bodywork therapy registration or renewal application; attempting to obtain registration, renewal, or reinstatement by fraud, deception, or misrepresentation; or aiding and abetting any of these acts;

(4) engaging in conduct with a client that is sexual or may reasonably be interpreted by the client as sexual, or engaging in any verbal behavior that is seductive or sexually demeaning to a client, or engaging in sexual exploitation of a client, without regard to who initiates such behaviors;

(5) committing an act of gross malpractice, negligence, or incompetency, or failing to practice massage therapy or Asian bodywork therapy with the level of care, skill, and treatment that is recognized by a registrant as being acceptable under similar conditions and circumstances;

(6) having an actual or potential inability to practice massage therapy or Asian bodywork therapy with reasonable skill and safety to clients by reason of illness, as a result of any mental or physical condition, or use of alcohol, drugs, chemicals, or any other material. Being adjudicated as mentally incompetent, mentally ill, a chemically dependent person, or a person dangerous to the public by a court of competent jurisdiction, inside or outside of this state, may be considered evidence of an inability to practice massage therapy or Asian bodywork therapy;

(7) being the subject of disciplinary action as a massage therapist or Asian bodywork therapist in another state or jurisdiction if the commissioner or advisory council determines that the cause of the disciplinary action would be a violation under this state's statutes or rules of the commissioner had the violation occurred in this state;

(8) failing to notify the commissioner of revocation or suspension of a credential, or any other disciplinary action taken by this or any other state, territory, or country, including any restrictions on the right to practice; or the surrender or voluntary termination of a credential during a commissioner investigation of a complaint, as part of a disciplinary order, or while under a disciplinary order;

(9) conviction of a crime, including a finding or verdict of guilt, an admission of guilt, or a no-contest plea, in any court in Minnesota or any other jurisdiction in the United States, reasonably related to engaging in massage therapy practices or Asian bodywork therapy practices. Conviction, as used in this clause, includes a conviction for an offense that, if committed in this state, would be deemed a felony, gross misdemeanor, or misdemeanor regardless of its designation elsewhere, or a criminal proceeding where a finding or verdict of guilty is made or returned but the adjudication of guilt is either withheld or not entered;

(10) if a registrant is on probation, failing to abide by terms of probation;

(11) practicing or offering to practice beyond the scope of the practice of massage therapy or Asian bodywork therapy;

(12) managing client records and information improperly, including but not limited to failing to maintain adequate client records, comply with a client's request made according to sections 144.291 to 144.298, or furnish a client record or report required by law;

(13) revealing a privileged communication from or relating to a client except when otherwise required or permitted by law;

(14) providing massage therapy services or Asian bodywork therapy services that are linked to the financial gain of a referral source;

(15) obtaining money, property, or services from a client, other than reasonable fees for services provided to the client, through the use of undue influence, harassment, duress, deception, or fraud;

(16) engaging in abusive or fraudulent billing practices, including violations of federal Medicare and Medicaid laws or state medical assistance laws;

(17) failing to consult with a client's health care provider who prescribed a course of massage therapy treatment or Asian bodywork therapy treatment if the treatment needs to be altered from the original written order to conform with standards in the massage therapy or Asian bodywork therapy field or the registrant's level of training or experience;

(18) failing to cooperate with an investigation of the commissioner or the commissioner's representatives, including failing to: respond fully and promptly to any question raised by or on behalf of the commissioner relating to the subject of the investigation; execute all releases requested by the commissioner; provide copies of client records as reasonably requested by the commissioner to assist in the commissioner's investigation; and appear at conferences or hearings scheduled by the commissioner or the commissioner's staff;

(19) interfering with an investigation or disciplinary proceeding, including by willful misrepresentation of facts or by the use of threats or harassment to prevent a person from providing evidence in a disciplinary proceeding or any legal action;

(20) violating a statute, rule, order, or agreement for corrective action that the commissioner issued or is otherwise authorized or empowered to enforce;

(21) aiding or abetting a person in violating sections 148.636 to 148.6377;

(22) failing to report to the commissioner other massage therapists and Asian bodywork therapists who commit violations of sections 148.636 to 148.6377; and

(23) failing to notify the commissioner in writing of the entry of a final judgment by a court of competent jurisdiction against the registrant for malpractice of massage therapy or Asian bodywork therapy, or any settlement by the registrant in response to charges or allegations of malpractice of massage therapy or Asian bodywork therapy. The notice must be provided to the commissioner within 60 days after the entry of a judgment or date of settlement, and must contain the name of the court, case number, and the names of all parties to the action.

Subd. 2. **Evidence.** In disciplinary actions alleging a violation of subdivision 1, a copy of the judgment or proceeding under the seal of the court administrator or of the administrative agency must be admissible into evidence without further authentication and must constitute prima facie evidence of the violation.

Subd. 3. **Examination; access to medical data.** (a) The commissioner may take the following actions if the commissioner has probable cause to believe that grounds for disciplinary action exist under subdivision 1, paragraph (b), clause (6).

(b) The commissioner may direct the applicant or registrant to submit to a mental or physical examination or substance use disorder evaluation. For the purpose of this subdivision, when an applicant or registrant is directed in writing by the commissioner to submit to a mental or physical examination or substance use disorder evaluation, that applicant or registrant is considered to have consented and to have waived all objections to admissibility on the grounds of privilege. Failure of the applicant or registrant to submit to an examination when directed constitutes an admission of the allegations against the applicant or registrant, unless the failure was due to circumstances beyond the applicant's or registrant's control, and the commissioner may enter a default and final order without taking testimony or allowing evidence to be presented. A registrant affected under this paragraph shall, at reasonable intervals, be given an opportunity to demonstrate that the registrant can resume the competent practice of massage therapy or Asian bodywork therapy with reasonable skill and safety to clients. Neither the record of proceedings nor the orders entered by the commissioner in a proceeding under this paragraph may be used against a registrant in any other proceeding.

(c) The commissioner may, notwithstanding section 13.384, 144.651, or 595.02, or any other law limiting access to medical or other health data, obtain medical data and health records relating to an applicant or registrant without the applicant's or registrant's consent. The medical data may be requested from a provider, as defined in section 144.291, subdivision 2, paragraph (i); an insurance company; or a government agency, including the Department of Human Services and Direct Care and Treatment. A provider, insurance company, or government agency shall comply with any written request of the commissioner under this subdivision and is not liable in any action for damages for releasing the data requested by the commissioner if the data are released pursuant to a written request under this subdivision unless the information is false and the provider giving the information knew, or had reason to believe, the information was false. Information obtained under this subdivision is classified as private data on individuals as defined in section 13.02.

Sec. 11. **[148.6370] DISCIPLINARY ACTIONS.**

Subdivision 1. **Forms of disciplinary action.** When the commissioner finds that grounds for disciplinary action exist under section 148.6369, subdivision 1, the commissioner may take one or more of the following actions:

- (1) deny the registration;
- (2) revoke the registration;
- (3) suspend the registration;
- (4) impose limitations on the practice of massage therapy or Asian bodywork therapy, including but not limited to limitation of scope of practice or a requirement to practice under supervision;
- (5) impose conditions on the retention of a registration, including but not limited to imposing retraining or rehabilitation requirements or conditioning continued practice on a demonstration of knowledge or skills by appropriate examination, monitoring, or other review;
- (6) impose a civil penalty not exceeding \$10,000 for each separate violation, the amount of the civil penalty (i) to be fixed as to deprive the massage therapist or Asian bodywork therapist of any

economic advantage gained by reason of the violation charged, (ii) to reimburse the commissioner for the cost of counsel, investigation, and proceeding, and (iii) to discourage repeated violations;

(7) order the registrant to provide unremunerated service;

(8) censure or reprimand the registrant; or

(9) any other action justified by the facts of the case.

Subd. 2. **Automatic suspension.** (a) Unless the commissioner orders otherwise, a registration is automatically suspended if:

(1) a guardian for the registrant is appointed by order of a court under sections 524.5-101 to 524.5-502;

(2) the registrant is committed by order of a court under chapter 253B; or

(3) the registrant is determined to be mentally incompetent, mentally ill, chemically dependent, or a person dangerous to the public by a court of competent jurisdiction within or outside this state.

(b) A registration suspended under this subdivision remains suspended until the registrant is restored to capacity by a court and, upon petition by the registrant, the suspension is terminated by the commissioner after a hearing or upon agreement between the commissioner and the registrant.

Subd. 3. **Temporary suspension.** In addition to any other remedy provided by law, the commissioner, acting through a person to whom the commissioner has delegated this authority and without a hearing, may temporarily suspend the registration of a massage therapist or Asian bodywork therapist if the commissioner's delegate finds that the registrant has violated a statute or rule that the commissioner is empowered to enforce and that continued practice would create a serious risk of harm to others. The suspension is in effect upon service of a written order on the registrant specifying the statute or rule violated. The order remains in effect until the commissioner issues a final order in the matter after a hearing or upon agreement between the commissioner and the registrant. Service of the order is effective if the order is served on the registrant or counsel of record personally or by first class mail. Within ten days of service of the order, the commissioner shall hold a hearing on the sole issue of whether there is a reasonable basis to continue, modify, or lift the suspension. Evidence presented by the commissioner or registrant shall be in affidavit form only. The registrant or the counsel of record may appear for oral argument. Within five working days after the hearing, the commissioner shall issue the commissioner's order and, if the suspension is continued, schedule a contested case hearing within 45 days after issuance of the order. The administrative law judge shall issue a report within 30 days after closing of the contested case hearing record. The commissioner shall issue a final order within 30 days after receipt of that report.

Subd. 4. **Hearings.** If the commissioner proposes to take action against the applicant or registrant as described in subdivision 1, the commissioner must first notify the applicant or registrant against whom the action is proposed to be taken and provide the applicant or registrant with an opportunity to request a hearing under the contested case provisions of chapter 14. If the applicant or registrant does not request a hearing by notifying the commissioner within 30 days after service of the notice of the proposed action, the commissioner may proceed with the action without a hearing.

Subd. 5. **Reissuance.** The commissioner may reinstate and reissue a registration, but as a condition may impose any disciplinary or corrective measure that the commissioner might originally have imposed. Any person whose registration has been revoked, suspended, or limited may have the registration reinstated when, in the discretion of the commissioner, the action is warranted, provided that the person shall be required by the commissioner to pay the costs of the proceedings resulting in the revocation, suspension, or limitation of the registration and reinstatement of the registration and to pay the fee for the current registration period. The cost of proceedings shall include but not be limited to the cost paid by the commissioner to the Court of Administrative Hearings and the Office of the Attorney General for legal and investigative services, the costs of a court reporter and witnesses, reproduction of records, and Department of Health staff time, travel, and expenses.

Sec. 12. [148.6371] **REPORTING OBLIGATIONS.**

Subdivision 1. **Permission to report.** A person who has knowledge of any conduct constituting grounds for disciplinary action relating to massage therapy or Asian bodywork therapy under sections 148.636 to 148.6377 may report the violation to the commissioner.

Subd. 2. **Institutions.** A state agency, political subdivision, agency of a local unit of government, private agency, hospital, clinic, prepaid medical plan, or other health care institution or organization located in this state shall report to the commissioner any action taken by the agency, institution, or organization or any of its administrators or medical or other committees to revoke, suspend, restrict, or condition a registrant's privilege to practice or treat clients in the institution or, as part of the organization, any denial of privileges or any other disciplinary action for conduct that might constitute grounds for disciplinary action under sections 148.636 to 148.6377. The institution, organization, or governmental entity shall also report the resignation of a registrant prior to the conclusion of any disciplinary action proceeding for conduct that might constitute grounds for disciplinary action under sections 148.636 to 148.6377 or prior to the commencement of formal charges but after the registrant had knowledge that formal charges were contemplated or were being prepared.

Subd. 3. **Professional societies.** A state or local professional society for massage therapists or Asian bodywork therapists shall report to the commissioner any termination, revocation, or suspension of membership or any other disciplinary action taken against a registrant. If the society has received a complaint that might be grounds for disciplinary action under sections 148.636 to 148.6377 against a member for whom the society has not taken any disciplinary action, the society shall report the complaint and the reason the society has not taken action on the complaint to the commissioner, or shall direct the complainant to the commissioner.

Subd. 4. **Licensed health professionals.** (a) For purposes of this subdivision, "client" means an individual receiving health services from a licensed health professional.

(b) A licensed health professional shall report to the commissioner personal knowledge of any conduct by a registrant that the licensed health professional reasonably believes constitutes grounds for disciplinary action under sections 148.636 to 148.6377, including conduct indicating that the individual may be incompetent or may be mentally or physically unable to engage safely in the provision of services. If the information was obtained in the course of a client relationship, the client is a registrant, and the treating individual successfully counsels the client to limit or withdraw from

practice to the extent required by the impairment, the commissioner may deem this limitation of or withdrawal from practice to be sufficient disciplinary action.

Subd. 5. **Insurers.** (a) Four times each year as prescribed by the commissioner, each insurer authorized to sell insurance described in section 60A.06, subdivision 1, clause (13), that provided professional liability insurance to massage therapists or Asian bodywork therapists or the Joint Underwriting Association under chapter 62I shall submit to the commissioner a report concerning the registrants against whom malpractice settlements or awards have been made. The report must contain at least the following information:

(1) the total number of malpractice settlements or awards made;

(2) the dates the malpractice settlements or awards were made;

(3) the allegations contained in the claims or complaints leading to the settlements or awards made;

(4) the dollar amount of each malpractice settlement or award;

(5) the regular address of the practice of each registrant against whom an award was made or with whom a settlement was made; and

(6) the name of each registrant against whom an award was made or with whom a settlement was made.

(b) In addition to the information specified in paragraph (a), the insurer shall submit to the commissioner any information, records, and files, including client charts and records, the insurer possesses that tend to substantiate a charge that a registrant may have engaged in conduct that violates sections 148.636 to 148.6377.

Subd. 6. **Courts.** The court administrator of district court or any other court of competent jurisdiction shall report to the commissioner any judgment or other determination of the court that adjudges or includes a finding that a registrant is mentally ill, mentally incompetent, guilty of a felony, guilty of a violation of federal or state narcotics laws or controlled substances act, or guilty of abuse or fraud under Medicare or Medicaid; that appoints a guardian of a registrant under sections 524.5-101 to 524.5-502; or that commits a registrant under chapter 253B.

Subd. 7. **Self-reporting.** A registrant shall report to the commissioner:

(1) any personal action that would require a report to be filed under subdivisions 2 to 5 by any person, health care facility, business, or organization;

(2) the revocation, suspension, restriction, limitation, or other disciplinary action against the registrant's license, certificate, registration, or right of practice in another state or jurisdiction for offenses that would subject the registrant to disciplinary action in this state; and

(3) the filing of charges regarding their license, certificate, registration, or right of practice in another state or jurisdiction.

Subd. 8. **Deadlines; forms.** Reports required in subdivisions 2 to 5 and 7 must be submitted no later than 30 days after the reporter learns of the occurrence of the reportable event or transaction. The commissioner may provide forms for the submission of reports required in this section, may require reports to be submitted on the forms provided, and may adopt rules necessary to ensure prompt and accurate reporting.

Sec. 13. **[148.6372] IMMUNITY.**

Subdivision 1. **Reporting.** Any health care facility, business, organization, or person, other than the registrant who committed the violation, is immune from civil liability or criminal prosecution for submitting a report to the commissioner, for otherwise reporting to the commissioner violations or alleged violations of sections 148.636 to 148.6377, or for cooperating with an investigation of a report, except as provided in this subdivision. Any person who knowingly or recklessly makes a false report is liable in a civil suit for any damages suffered by the person or persons so reported and for any punitive damages set by the court or jury. An action requires clear and convincing evidence that the defendant made the statement with knowledge of falsity or with reckless disregard for its truth or falsity. The report or statement or any statement made in cooperation with an investigation or as part of a disciplinary proceeding is privileged except in an action brought under this subdivision.

Subd. 2. **Investigation.** The commissioner and employees of the Department of Health and other persons engaged in the investigation of violations and in the preparation, presentation, and management of and testimony pertaining to charges of violations of sections 148.636 to 148.6377 are immune from civil liability and criminal prosecution for any actions, transactions, or publications in the execution of, or relating to, their duties under sections 148.636 to 148.6377.

Sec. 14. **[148.6373] COOPERATION.**

(a) A registrant who is the subject of an investigation by or on behalf of the commissioner shall cooperate fully with the investigation. Cooperation includes:

(1) responding fully and promptly to any question raised by or on behalf of the commissioner relating to the subject of the investigation;

(2) providing copies of client or other records in the registrant's possession, as reasonably requested by the commissioner, to assist the commissioner in the investigation; and

(3) appearing at conferences and hearings scheduled by the commissioner.

(b) The commissioner shall pay for copies requested. If the commissioner does not have a written consent from a client permitting access to the client's records, the registrant shall delete any data in the record that identify the client before providing data to the commissioner. The commissioner shall maintain any records obtained pursuant to this section as investigative data under chapter 13. The registrant shall not be excused from giving testimony or producing any documents, books, records, or correspondence on the grounds of self-incrimination, but the testimony or evidence may not be used against the registrant in any criminal case.

Sec. 15. **[148.6374] DISCIPLINARY RECORD ON JUDICIAL REVIEW.**

Upon judicial review of any disciplinary action taken by the commissioner under sections 148.636 to 148.6377, the reviewing court shall seal the administrative record, except for the commissioner's final decision, and shall not make the administrative record available to the public.

Sec. 16. [148.6375] EFFECT ON MUNICIPAL ORDINANCES.

Subdivision 1. **License authority.** Effective July 1, 2028, sections 148.636 to 148.6377 preempt the licensure and regulation of massage therapists or Asian bodywork therapists by a municipality, including, without limitation, conducting a criminal background investigation and examination of a massage therapist or Asian bodywork therapist, or applicant for a municipality's credential to practice massage therapy or Asian bodywork therapy.

Subd. 2. **Municipal regulation.** Sections 148.636 to 148.6377 do not limit a municipality from:

(1) requiring a massage therapy or Asian bodywork therapy establishment to obtain a business license or permit to conduct business in the municipality; or

(2) conducting a criminal background investigation on any owners of a massage therapy or Asian bodywork therapy establishment who are not registered massage therapists or registered Asian bodywork therapists.

Sec. 17. [148.6376] MESSAGE THERAPY ADVISORY COUNCIL.

Subdivision 1. **Creation; membership.** (a) The Massage Therapy Advisory Council is created and is composed of five members appointed by the commissioner. All members must have resided in this state for at least three years immediately preceding appointment. The advisory council consists of:

(1) two public members, as defined in section 214.02; and

(2) three members who are registered under sections 148.636 to 148.6377, two of whom must be registered massage therapists.

(b) No more than one member of the advisory council may be an owner or administrator of a massage therapy education provider.

Subd. 2. **Administration.** The advisory council is established and administered under section 15.059.

Subd. 3. **Chair.** The advisory council shall elect a chair from among its members.

Subd. 4. **Duties.** The advisory council shall:

(1) advise the commissioner on establishing standards of practice and a code of ethics for registered massage therapists and Asian bodywork therapists;

(2) advise the commissioner on distributing information regarding massage therapy and Asian bodywork therapy practice standards;

(3) establish educational requirements, approve massage therapy and Asian bodywork therapy schools or programs, and conduct or provide for surveys of schools, programs, and courses; and

(4) perform other duties authorized for advisory councils under chapter 214, as directed by the commissioner.

Subd. 5. **Expiration.** Notwithstanding section 15.059, the advisory council does not expire.

Sec. 18. **[148.6377] FEES.**

Subdivision 1. **Fees.** Fees are as follows:

(1) initial registration with application fee must not exceed \$285;

(2) biennial registration renewal fee must not exceed \$185;

(3) late fee, \$50;

(4) annual inactive status, \$50;

(5) inactive to active status reactivation, \$50;

(6) temporary registration, \$50; and

(7) returned check, \$35.

Subd. 2. **Late renewal fee.** An application for registration renewal submitted after the deadline must be accompanied by a late fee in addition to the required fees.

Subd. 3. **Nonrefundable fees.** All of the fees in this section are nonrefundable.

Subd. 4. **Deposit.** Fees collected by the commissioner under this section must be deposited into the state government special revenue fund.

Sec. 19. **INITIAL MASSAGE THERAPY ADVISORY COUNCIL.**

Subdivision 1. **Initial member appointments.** The commissioner of health shall make the initial appointments to the Massage Therapy Advisory Council authorized under Minnesota Statutes, section 148.6376, by January 1, 2027. The initial therapist members appointed to the advisory council need not be registered under Minnesota Statutes, sections 148.636 to 148.6377, prior to initial appointment, but must be a practicing massage therapist or Asian bodywork therapist with at least five years of experience in the practice of massage therapy or Asian bodywork therapy. A massage therapist or Asian bodywork therapist initially appointed to the advisory council must become registered under Minnesota Statutes, sections 148.636 to 148.6377, by January 1, 2028. If the massage therapist or Asian bodywork therapist member does not become registered by January 1, 2028, the member must be removed from the advisory council by the commissioner and a new member who is registered under Minnesota Statutes, sections 148.636 to 148.6377, must be appointed by the commissioner.

Subd. 2. **First advisory council meeting; initial chair.** The commissioner of health shall designate one member from the initial appointments to call the first meeting of the advisory council. The first meeting must be convened by May 15, 2027. The advisory council shall elect a chair from its members at the first advisory council meeting.

Sec. 20. **APPROPRIATION.**

§..... in fiscal year 2027 is appropriated from the state government special revenue fund to the commissioner of health to implement Minnesota Statutes, sections 148.636 to 148.6377.

ARTICLE 2

CONFORMING AMENDMENTS

Section 1. Minnesota Statutes 2024, section 144.0572, subdivision 1, is amended to read:
