Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2024, section 518B.01, subdivision 6, is amended to read:

Subd. 6. **Relief by court.** (a) Upon notice and hearing, the court may provide relief as follows:

- (1) restrain the abusing party from committing acts of domestic abuse;
- (2) exclude the abusing party from the dwelling which the parties share or from the residence of the petitioner;
- (3) exclude the abusing party from a reasonable area surrounding the dwelling or residence, which area shall be described specifically in the order;
- (4) award temporary custody or establish temporary parenting time with regard to minor children of the parties on a basis which gives primary consideration to the safety of the victim and the children.

In addition to the primary safety considerations, the court may consider particular best interest factors that are found to be relevant to the temporary custody and parenting time award. Findings under section 257.025, 518.17, or 518.175 are not required with respect to the particular best interest factors not considered by the court. If the court finds that the safety of the victim or the children will be jeopardized by unsupervised or unrestricted parenting time, the court shall condition or restrict parenting time as to time, place, duration, or supervision, or deny parenting time entirely, as needed to guard the safety of the victim and the children. The court's decision on custody and parenting time shall in no way delay the issuance of an order for protection granting other relief provided for in this section. The court must not enter a parenting plan under section 518.1705 as part of an action for an order for protection;

(5) on the same basis as is provided in chapter 518 or 518A, establish temporary support for minor children or a spouse, and order the withholding of support from the income of the person obligated to pay the support according to chapter 518A;

(6) provide upon request of the petitioner counseling or other social services for the parties, if married, or if there are minor children;

(7) order the abusing party to participate in treatment or counseling services, including requiring the abusing party to successfully complete a domestic abuse counseling program or educational program under section 518B.02;

(8) award temporary use and possession of property and restrain one or both parties from transferring, encumbering, concealing, or disposing of property except in the usual course of business or for the necessities of life, and to account to the court for all such transfers, encumbrances, dispositions, and expenditures made after the order is served or communicated to the party restrained in open court;

(9) exclude the abusing party from the place of employment of the petitioner, or otherwise limit access to the petitioner by the abusing party at the petitioner's place of employment;

(10) order the abusing party to have no contact with the petitioner whether in person, by telephone, mail, or electronic mail or messaging, through a third party, or by any other means;

(11) order the abusing party to pay restitution to the petitioner;

(12) order the continuance of all currently available insurance coverage without change in coverage or beneficiary designation;

(13) order, in its discretion, other relief as it deems necessary for the protection of a family or household member, including orders or directives to the sheriff or other law enforcement or corrections officer as provided by this section;

(14) direct the care, possession, or control of a pet or companion animal owned, possessed, or kept by the petitioner or respondent or a child of the petitioner or respondent; ~~and~~

(15) direct the respondent to refrain from physically abusing or injuring any pet or companion animal, without legal justification, known to be owned, possessed, kept, or held by either party or

a minor child residing in the residence or household of either party as an indirect means of intentionally threatening the safety of such person; and

(16) if requested by the petitioner, issue a separate order under section 518B.03.

(b) Any relief granted by the order for protection shall be for a period not to exceed two years, except when the court determines a longer period is appropriate. When a referee presides at the hearing on the petition, the order granting relief becomes effective upon the referee's signature.

(c) An order granting the relief authorized in paragraph (a), clause (1), may not be vacated or modified in a proceeding for dissolution of marriage or legal separation, except that the court may hear a motion for modification of an order for protection concurrently with a proceeding for dissolution of marriage upon notice of motion and motion. The notice required by court rule shall not be waived. If the proceedings are consolidated and the motion to modify is granted, a separate order for modification of an order for protection shall be issued.

(d) An order granting the relief authorized in paragraph (a), clause (2) or (3), is not voided by the admittance of the abusing party into the dwelling from which the abusing party is excluded.

(e) If a proceeding for dissolution of marriage or legal separation is pending between the parties, the court shall provide a copy of the order for protection to the court with jurisdiction over the dissolution or separation proceeding for inclusion in its file.

(f) An order for restitution issued under this subdivision is enforceable as civil judgment.

(g) An order granting relief shall prohibit the abusing party from possessing firearms for the length the order is in effect if the order (1) restrains the abusing party from harassing, stalking, or threatening the petitioner or restrains the abusing party from engaging in other conduct that would place the petitioner in reasonable fear of bodily injury, and (2) includes a finding that the abusing party represents a credible threat to the physical safety of the petitioner or prohibits the abusing party from using, attempting to use, or threatening to use physical force against the petitioner. The order shall inform the abusing party of that party's prohibited status. Except as provided in paragraph (i), the court shall order the abusing party to transfer any firearms that the person possesses, within three business days, to a federally licensed firearms dealer, a law enforcement agency, or a third party who may lawfully receive them. The transfer may be permanent or temporary. A temporary firearm transfer only entitles the receiving party to possess the firearm. A temporary transfer does not transfer ownership or title. An abusing party may not transfer firearms to a third party who resides with the abusing party. If an abusing party makes a temporary transfer, a federally licensed firearms dealer or law enforcement agency may charge the abusing party a reasonable fee to store the person's firearms and may establish policies for disposal of abandoned firearms, provided such policies require that the person be notified via certified mail prior to disposal of abandoned firearms. For temporary firearms transfers under this paragraph, a law enforcement agency, federally licensed firearms dealer, or third party shall exercise due care to preserve the quality and function of the transferred firearms and shall return the transferred firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The return of temporarily transferred firearms to an abusing party shall comply with state and federal law. If an abusing party permanently transfers the abusing party's firearms to a law enforcement agency, the agency is not required to compensate the

abusing party and may charge the abusing party a reasonable processing fee. A law enforcement agency is not required to accept an abusing party's firearm under this paragraph.

(h) An abusing party who is ordered to transfer firearms under paragraph (g) must file proof of transfer as provided for in this paragraph. If the transfer is made to a third party, the third party must sign an affidavit under oath before a notary public either acknowledging that the abusing party permanently transferred the abusing party's firearms to the third party or agreeing to temporarily store the abusing party's firearms until such time as the abusing party is legally permitted to possess firearms. The affidavit shall indicate the serial number, make, and model of all firearms transferred by the abusing party to the third party. The third party shall acknowledge in the affidavit that the third party may be held criminally and civilly responsible under section 624.7144 if the abusing party gains access to a transferred firearm while the firearm is in the custody of the third party. If the transfer is to a law enforcement agency or federally licensed firearms dealer, the law enforcement agency or federally licensed firearms dealer shall provide proof of transfer to the abusing party. The proof of transfer must specify whether the firearms were permanently or temporarily transferred and include the name of the abusing party, date of transfer, and the serial number, make, and model of all transferred firearms. The abusing party shall provide the court with a signed and notarized affidavit or proof of transfer as described in this section within two business days of the firearms transfer. The court shall seal affidavits and proofs of transfer filed pursuant to this paragraph.

(i) When a court issues an order containing a firearms restriction provided for in paragraph (g), the court shall determine by a preponderance of evidence if an abusing party poses an imminent risk of causing another person substantial bodily harm. Upon a finding of imminent risk, the court shall order that the local law enforcement agency take immediate possession of all firearms in the abusing party's possession. The local law enforcement agency shall exercise due care to preserve the quality and function of the abusing party's firearms and shall return the firearms to the person upon request after the expiration of the prohibiting time period, provided the person is not otherwise prohibited from possessing firearms under state or federal law. The local law enforcement agency shall, upon written notice from the abusing party, transfer the firearms to a federally licensed firearms dealer or a third party who may lawfully receive them. Before a local law enforcement agency transfers a firearm under this paragraph, the agency shall require the third party or federally licensed firearms dealer receiving the firearm to submit an affidavit or proof of transfer that complies with the requirements for affidavits or proofs of transfer established in paragraph (h). The agency shall file all affidavits or proofs of transfer received with the court within two business days of the transfer. The court shall seal all affidavits or proofs of transfer filed pursuant to this paragraph. A federally licensed firearms dealer or third party who accepts a firearm transfer pursuant to this paragraph shall comply with paragraphs (g) and (h) as if accepting transfer from the abusing party. If the law enforcement agency does not receive written notice from the abusing party within three business days, the agency may charge a reasonable fee to store the abusing party's firearms. A law enforcement agency may establish policies for disposal of abandoned firearms, provided such policies require that the abusing party be notified via certified mail prior to disposal of abandoned firearms.

Sec. 2. [518B.03] TRANSFER OR RELEASE OF DOMESTIC ABUSE VICTIMS FROM SHARED WIRELESS PLANS.

(i) if the protected party is a minor, to a parent or legal guardian of the minor other than the respondent; or

(ii) if the protected party is not a minor, to another person who shall serve as the account holder with the protected party's approval; or

(2) remove or release the protected party from a shared wireless plan and assign a substitute telephone number or numbers and:

(i) if the protected party is a minor, order the parent or legal guardian of the minor, other than the respondent, to be the account holder for the substitute telephone number or numbers; or

(ii) if the protected party is not a minor, order another person, with the protected party's approval, to be the account holder for the substitute telephone number or numbers.

(c) At a protected party's request, the court may order a wireless telecommunications service provider to transfer without charge, penalty, or fee any and all devices associated with the petitioner or protected party's phone number to a substitute telephone number or numbers.

Subd. 4. **Separate order; content.** (a) The order issued pursuant to subdivision 3 must be a separate order from one issued under section 518B.01 that is directed to the wireless telecommunications service provider, but may be addressed in the same proceeding for an order under section 518B.01 or in a separate proceeding after an order under section 518B.01 is issued.

Subd. 7. **Deadline to transfer.** Upon receipt of an order issued under this section, a wireless telecommunications service provider must abide by the terms of the order by the end of the following billing cycle.

Subd. 8. **Confidentiality.** A wireless telecommunications service provider must treat an order and any supporting information received under this section as confidential and must not disclose the order or the information, except to the extent necessary to comply with the order.

Subd. 9. **Unpaid balance.** (a) A person who is the account holder before an order is issued under this section remains liable for an unpaid balance incurred before an account is transferred pursuant to an order issued under this section.

(b) A wireless telecommunications service provider must provide the petitioner or protected party with a partitioned telephone line and additional time to pay off the outstanding balance.

Subd. 10. **Immunity.** A cause of action shall not lie against a wireless telecommunications service provider or its officers, employees, or agents for the actions taken that are related to the transfer of the billing authority and rights to the wireless telephone number or numbers in accordance with the terms of a court order issued pursuant to this section."

Doe*, 457 U.S. 202 (1982), which held that it is unconstitutional for a state to deny children a free public education on the basis of immigration status. In order to promote the right to educational equality, as established under the decision in *Plyler v. Doe*, schools must take steps to protect the integrity of school learning environments for all children so that no parent is discouraged from sending their child to school and no child is discouraged from attending school, including protection from the threat of immigration enforcement or other law enforcement activity on a school campus.

(c) A school must not use policies or procedures or engage in practices that have the effect of excluding a child from participation in or denying the benefits of any program or activity or the effect of excluding participation of the child's parent or guardian from parental engagement activities or programs because of the child's actual or perceived immigration status or the actual or perceived immigration status of the child's parent or guardian. These policies, procedures, and practices include:

(1) requesting or collecting information or documentation from a student or the student's parent or guardian about citizenship or immigration status unless required by state or federal law; and

Subd. 4. **Required procedures.** By July 1, 2027, a school must develop procedures for reviewing and authorizing requests from law enforcement agents attempting to enter a school or school facility. The procedures must comply with the requirements of subdivision 3, paragraph (a), and at a minimum, include procedures for:

(1) reviewing and contacting a designated authorized person at the school or school facility and the district superintendent's office or school administrative office, who may contact the school's legal counsel, and procedures for that authorized person or legal counsel to review requests to enter a school or school facility, including judicial warrants, nonjudicial warrants, and subpoenas;

Subd. 21. **Provider enrollment.** (a) The commissioner shall enroll providers and conduct screening activities as required by Code of Federal Regulations, title 42, section 455, subpart E. A provider must enroll each provider-controlled location where direct services are provided. The commissioner may deny a provider's incomplete application if a provider fails to respond to the commissioner's request for additional information within 60 days of the request. The commissioner must conduct a background study under chapter 245C, including a review of databases in section 245C.08, subdivision 1, paragraph (a), clauses (1) to (5), for a provider described in this paragraph. The background study requirement may be satisfied if the commissioner conducted a fingerprint-based background study on the provider that includes a review of databases in section 245C.08, subdivision 1, paragraph (a), clauses (1) to (5).

(b) The commissioner shall revalidate:

(1) each provider under this subdivision at least once every five years;

(2) each personal care assistance agency, CFSS provider-agency, and CFSS financial management services provider under this subdivision at least once every three years;

(3) each EIDBI agency under this subdivision at least once every three years; and

(4) at the commissioner's discretion, any medical-assistance-only provider type the commissioner deems "high-risk" under this subdivision.

(c) The commissioner shall conduct revalidation as follows:

(1) provide 30-day notice of the revalidation due date including instructions for revalidation and a list of materials the provider must submit;

(2) if a provider fails to submit all required materials by the due date, notify the provider of the deficiency within 30 days after the due date and allow the provider an additional 30 days from the notification date to comply; and

(3) if a provider fails to remedy a deficiency within the 30-day time period, give 60-day notice of termination and immediately suspend the provider's ability to bill. The provider does not have the right to appeal suspension of ability to bill.

(d) If a provider fails to comply with any individual provider requirement or condition of participation, the commissioner may suspend the provider's ability to bill until the provider comes into compliance. The commissioner's decision to suspend the provider is not subject to an administrative appeal.

(e) Correspondence and notifications, including notifications of termination and other actions, may be delivered electronically to a provider's MN-ITS mailbox. This paragraph does not apply to correspondences and notifications related to background studies.

(f) If the commissioner or the Centers for Medicare and Medicaid Services determines that a provider is designated "high-risk," the commissioner may withhold payment from providers within that category upon initial enrollment for a 90-day period. The withholding for each provider must begin on the date of the first submission of a claim.

(g) An enrolled provider that is also licensed by the commissioner under chapter 245A, is licensed as a home care provider by the Department of Health under chapter 144A, or is licensed as an assisted living facility under chapter 144G and has a home and community-based services designation on the home care license under section 144A.484, must designate an individual as the entity's compliance officer. The compliance officer must:

(1) develop policies and procedures to assure adherence to medical assistance laws and regulations and to prevent inappropriate claims submissions;

(2) train the employees of the provider entity, and any agents or subcontractors of the provider entity including billers, on the policies and procedures under clause (1);

(3) respond to allegations of improper conduct related to the provision or billing of medical assistance services, and implement action to remediate any resulting problems;

(4) use evaluation techniques to monitor compliance with medical assistance laws and regulations;

(5) promptly report to the commissioner any identified violations of medical assistance laws or regulations; and

(6) within 60 days of discovery by the provider of a medical assistance reimbursement overpayment, report the overpayment to the commissioner and make arrangements with the commissioner for the commissioner's recovery of the overpayment.

The commissioner may require, as a condition of enrollment in medical assistance, that a provider within a particular industry sector or category establish a compliance program that contains the core elements established by the Centers for Medicare and Medicaid Services.

(h) The commissioner may revoke the enrollment of an ordering or rendering provider for a period of not more than one year, if the provider fails to maintain and, upon request from the commissioner, provide access to documentation relating to written orders or requests for payment for durable medical equipment, certifications for home health services, or referrals for other items or services written or ordered by such provider, when the commissioner has identified a pattern of a lack of documentation. A pattern means a failure to maintain documentation or provide access to documentation on more than one occasion. Nothing in this paragraph limits the authority of the commissioner to sanction a provider under the provisions of section 256B.064.

(i) The commissioner shall terminate or deny the enrollment of any individual or entity if the individual or entity has been terminated from participation in Medicare or under the Medicaid program or Children's Health Insurance Program of any other state. The commissioner may exempt a rehabilitation agency from termination or denial that would otherwise be required under this paragraph, if the agency:

(1) is unable to retain Medicare certification and enrollment solely due to a lack of billing to the Medicare program;

(2) meets all other applicable Medicare certification requirements based on an on-site review completed by the commissioner of health; and

(3) serves primarily a pediatric population.

(j) As a condition of enrollment in medical assistance, the commissioner shall require that a provider designated "moderate" or "high-risk" by the Centers for Medicare and Medicaid Services or the commissioner permit the Centers for Medicare and Medicaid Services, its agents, or its designated contractors and the state agency, its agents, or its designated contractors to conduct unannounced on-site inspections of any provider location. The commissioner shall publish in the Minnesota Health Care Program Provider Manual a list of provider types designated "limited," "moderate," or "high-risk," based on the criteria and standards used to designate Medicare providers in Code of Federal Regulations, title 42, section 424.518. The list and criteria are not subject to the requirements of chapter 14. The commissioner's designations are not subject to administrative appeal.

(k) As a condition of enrollment in medical assistance, the commissioner shall require that a high-risk provider, or a person with a direct or indirect ownership interest in the provider of five percent or higher, consent to criminal background checks, including fingerprinting, when required to do so under state law or by a determination by the commissioner or the Centers for Medicare and Medicaid Services that a provider is designated high-risk for fraud, waste, or abuse.

(l)(1) Upon initial enrollment, reenrollment, and notification of revalidation, all durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) medical suppliers meeting the durable

medical equipment provider and supplier definition in clause (3), operating in Minnesota and receiving Medicaid funds must purchase a surety bond that is annually renewed and designates the Minnesota Department of Human Services as the obligee, and must be submitted in a form approved by the commissioner. For purposes of this clause, the following medical suppliers are not required to obtain a surety bond: a federally qualified health center, a home health agency, the Indian Health Service, a pharmacy, and a rural health clinic.

(2) At the time of initial enrollment or reenrollment, durable medical equipment providers and suppliers defined in clause (3) must purchase a surety bond of \$50,000. If a revalidating provider's Medicaid revenue in the previous calendar year is up to and including \$300,000, the provider agency must purchase a surety bond of \$50,000. If a revalidating provider's Medicaid revenue in the previous calendar year is over \$300,000, the provider agency must purchase a surety bond of \$100,000. The surety bond must allow for recovery of costs and fees in pursuing a claim on the bond. Any action to obtain monetary recovery or sanctions from a surety bond must occur within six years from the date the debt is affirmed by a final agency decision. An agency decision is final when the right to appeal the debt has been exhausted or the time to appeal has expired under section 256B.064.

(3) "Durable medical equipment provider or supplier" means a medical supplier that can purchase medical equipment or supplies for sale or rental to the general public and is able to perform or arrange for necessary repairs to and maintenance of equipment offered for sale or rental.

(m) The Department of Human Services may require a provider to purchase a surety bond as a condition of initial enrollment, reenrollment, reinstatement, or continued enrollment if: (1) the provider fails to demonstrate financial viability, (2) the department determines there is significant evidence of or potential for fraud and abuse by the provider, or (3) the provider or category of providers is designated high-risk pursuant to paragraph (f) and as per Code of Federal Regulations, title 42, section 455.450. The surety bond must be in an amount of \$100,000 or ten percent of the provider's payments from Medicaid during the immediately preceding 12 months, whichever is greater. The surety bond must name the Department of Human Services as an obligee and must allow for recovery of costs and fees in pursuing a claim on the bond. This paragraph does not apply if the provider currently maintains a surety bond under the requirements in section ~~256B.051~~, 256B.0659, 256B.0701, or 256B.85.

EFFECTIVE DATE. This section is effective the day following final enactment.
