(3) the physical or mental condition of the person creates a medical or mental health emergency that requires an immediate medication change based on circumstances that either exist or would be caused by the continuation of current medications when those circumstances are identified and documented by a licensed health care professional; or

(4) the person provides written notice to informs the licensed health care professional who is responsible for inmate health care at the correctional facility or the licensed health care professional's designee that the person no longer desires to take the medication and the decision is documented in the person's medical records.

(2) separately track wages paid to inmates at either the PIECP wage or the non-PIECP wage, which is a wage rate that is exempt from the PIECP's prevailing wage requirement;

(3) not use a blended wage rate that combines PIECP wages and non-PIECP wages when assessing and evaluating contract costs, profitability, and potential partnerships with private businesses; and

(4) classify and document each inmate's MINNCOR position as either a PIECP wage position or a non-PIECP wage position.

(b) Except as otherwise provided in the act, once the time served on active supervision plus earned compliance credits equals the total length of the supervised release term or, if applicable, the aggregate length of the supervised release term and conditional release term, the individual is eligible for supervision abatement status. However, the commissioner must not place the individual on supervision abatement status for the remainder of the supervised or conditional release term if the commissioner determines that doing so would present a risk to public safety, after weighing factors including the individual's stability, behavior, or overall adjustment while on supervision. For individuals with lifetime terms of conditional release, the commissioner shall not place the individual on supervision abatement status unless the time served on active supervision plus earned compliance credits equals at least ten years.

**EFFECTIVE DATE.** This section is effective September 1, 2026.

(ii) the nonconformance does not present an imminent risk of life-threatening harm or serious physical injury to the individuals detained or housed in or served by the facility; and

(2) issue a correction order or a conditional license order requiring that the deficiency be remedied within a reasonable and specified period.

(b) A conditional license order may restrict the use of any facility that does not substantially conform to minimum standards, including by:

(2) the nonconformance does not present an imminent risk of life-threatening harm or serious physical injury to the individuals detained or housed in or served by the facility.

(b) The notice of intent to issue a revocation order must include:

- (1) the citation to minimum standards that have been violated;
  - (2) the nature and severity of each violation;

(2) a written plan:

(i) indicating how the facility will ensure the transfer of individuals detained or housed in or served by the facility and records if the facility closes; and

(ii) specifying arrangements that the facility will make to transfer individuals detained or housed in or served by the facility to another licensed local correctional facility for continuation of detention.

(d) When revoking a license, the commissioner must consider:

(1) the nature, chronicity, or severity of the statute or rule violation; and

(2) the effect of the violation on the health, safety, or rights of individuals detained or housed in or served by the facility.

(e) The commissioner must issue a revocation order if the facility administrator does not respond within 30 days to the notice or if the commissioner does not have assurance that satisfactory progress toward substantial compliance with minimum standards will be made. The revocation order must be sent to the facility administrator and the facility's governing board, clearly stating:

(f) A revocation order may authorize facility use until a certain date, not to exceed the duration of the active license:

(1) unless a limited license is issued by the commissioner to effectuate a facility closure; and

(2) if continued operation does not present an imminent risk of life-threatening harm or is not likely to result in serious physical injury to the individuals detained or housed in or served by the facility.

(g) After a facility's license is revoked, the facility must not be used until the license is reinstated. When the commissioner is assured that satisfactory progress toward substantial compliance with minimum standards is being made, the commissioner may, at the request of the facility administrator supported by a written schedule for compliance, reinstate the license.

**Subd. 4. Reconsideration orders.** (a) If a facility administrator believes that a correction order, conditional license order, or revocation order is in error, the facility administrator may ask the commissioner to reconsider the parts of the order or action that are alleged to be in error. (2) be postmarked and sent to the commissioner within 30 calendar days after receiving the order;

(3) specify the parts of the order or the action that is alleged to be in error;

(4) explain why the order or action is in error; and

(b) The commissioner must issue a disposition within 60 days of receiving the facility administrator's response under paragraph (a). A request for reconsideration does not stay any provisions or requirements of the order.

**Subd. 5. Temporary immediate license suspension.** (a) The commissioner must act immediately to temporarily suspend a license issued under sections 241.011 to 241.013 if:

(1) the facility's failure to comply with applicable minimum standards or the conditions in the facility pose an imminent risk of life-threatening harm or serious physical injury to individuals detained or housed in or served by the facility, staff, law enforcement, visitors, or the public and:

(i) if the imminent risk of life-threatening harm or serious physical injury cannot be promptly corrected through a different type of order under this section; and

(ii) the facility cannot or has not corrected the violation giving rise to the imminent risk of life-threatening harm or serious physical injury; or

(2) while the facility continues to operate pending due notice and opportunity for written response to the commissioner's notice of intent to issue a revocation order under subdivision 3, the commissioner identifies one or more subsequent violations of minimum standards that may adversely affect the health or safety of individuals detained or housed in or served by the facility, staff, law enforcement, visitors, or the public.

(b) A notice stating the reasons for the temporary immediate suspension must be delivered by personal service to the facility administrator and the facility's governing board.

(c) A facility administrator and the facility's governing board must discontinue operating the facility upon receiving the commissioner's order to immediately suspend the license.

Subd. 6. **Requesting reconsideration of temporary immediate suspension.** (a) A facility administrator may request reconsideration of an order immediately suspending a license. The request for reconsideration must be made in writing and sent by certified mail or personal service as follows:

(1) if mailed, the request for reconsideration must be postmarked and sent to the commissioner within five business days after the facility administrator receives notice that the license has been immediately suspended; and

(2) if a request is made by personal service, the request must be received by the commissioner within five business days after the facility administrator received the order.

(b) The request for reconsideration must:

(1) specify the parts of the order that are alleged to be in error;

(2) explain why they are in error; and

(3) include documentation to support the allegation of error.

(c) Within five business days of receiving the facility administrator's timely request for reconsideration, the commissioner must review the request. For a review under subdivision 5, paragraph (a), clause (2), the review must be limited solely to whether the temporary immediate suspension order should remain in effect pending the written response to the commissioner's notice of intent to issue a revocation order.

Subd. 7. **Appealing commissioner's reconsideration request.** (a) The commissioner's disposition of a request for reconsideration of a correction, conditional license, temporary immediate suspension, or revocation order is final and subject to appeal. Before a facility administrator may request an appeal under paragraph (b), the facility administrator must request reconsideration according to this section of any correction, conditional license, temporary immediate suspension, or revocation order.

(b) Within 60 days after the postmark date of the mailed notice of the commissioner's decision on a request for reconsideration, the facility administrator may appeal the decision by filing for a writ of certiorari with the court of appeals under section 606.01 and Minnesota Rules of Civil Appellate Procedure, Rule 115.

Subd. 8. **Public notice of restriction, revocation, or suspension.** If a facility's license is revoked or suspended under this section, a facility's use is restricted for any reason under a conditional license order, or a correction order is issued to a facility, the commissioner must publicly post the following information on the department's website:

Subd. 6. **Licensing actions.** The licensing actions under section 241.012 apply to a facility licensed under this section.

Subd. 7. **Education for juveniles.** Notwithstanding subdivision 1, the education program offered in a state or local correctional facility for the placement, confinement, or incarceration of juveniles must be approved by the commissioner of education before the commissioner of corrections may grant a license to the facility.

Sec. 4. **[241.014] SECURITY AUDITS FOR STATE CORRECTIONAL FACILITIES.**

Subdivision 1. **Purpose.** This section applies to state correctional facilities.

Subd. 2. **Definitions.** (a) For purposes of this section, the following terms have the meanings given.

(b) "Audit group" means the state correctional facilities security audit group under subdivision 5.

(c) "Corrections and detention confidential data" has the meaning given in section 13.85, subdivision 3.

(d) "Security information" has the meaning given in section 13.37, subdivision 1.

Subd. 3. **Biennial report and audit of security practices.** The department's inspection unit must conduct biennial security audits of each state correctional facility using the standards established by the audit group. The inspection unit must:

(1) prepare a report for each audit; and

(2) submit the report to the audit group within 30 days of completing the audit.

Subd. 4. **Data.** (a) Corrections and detention confidential data and security information contained in reports and records of the audit group:

(1) must maintain that classification, regardless of the data's classification in the hands of the person who provided the data; and

(2) are not subject to discovery or introduction into evidence in a civil or criminal action against the state arising out of any matter that the audit group is reviewing.

(b) Information, documents, and records otherwise available from other sources are not immune from discovery or use in a civil or criminal action solely because the information, documents, and records were acquired during an audit.

(c) Nothing in this subdivision limits a person who presented information to the audit group or who is an audit group member from testifying about matters within the person's knowledge. In a civil or criminal proceeding, a person must not be questioned about the person's good faith presentation of information to the audit group or opinions formed by the person as a result of an audit.

Subd. 5. **State correctional facilities security audit group.** (a) The commissioner must form a state correctional facilities security audit group. The audit group must consist of the following members:

(1) a department employee who is not assigned to the correctional institutions division, appointed by the commissioner;

(2) the ombudsperson for corrections or a designee;

(3) an elected sheriff or designee nominated by the Minnesota Sheriffs' Association, appointed by the commissioner;

(4) an individual with expertise in security related to infrastructure and operational logistics of correctional facilities who is not required to reside in Minnesota, appointed by the governor;

(8) two representatives, one appointed by the speaker of the house and one appointed by the minority leader of the house of representatives.

(b) The ombudsperson chairs the audit group. The audit group must establish security audit standards for state correctional facilities. In developing the standards, the audit group, or individual members of the audit group, may gather information from state correctional facilities and state correctional staff and inmates. The audit group must:

(1) periodically review and modify the standards as needed; and

(2) report the standards to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over public safety policy and finance when the standards are modified.

(c) The audit group must meet twice annually to review facility audit reports submitted to the audit group by the department's inspection unit. Notwithstanding any law to the contrary, the audit group may review the full audit reports, including but not limited to corrections and detention confidential data and security information.

(d) Within 60 days of meeting to review an audit report from the department's inspection unit, the audit group must make recommendations to the commissioner. Within 45 days of receiving the audit group's recommendations, the commissioner must respond in writing to the audit group's findings and recommendations. The commissioner's response must explain:

(1) whether the commissioner will implement the audit group's recommendations;

(2) the timeline for implementing the recommendations; and

(3) if the commissioner will not implement the recommendations, why the commissioner will not or cannot implement the recommendations.

(e) The commissioner must include a written aggregate of the audit group's recommendations based on each security audit and assessment of a state correctional facility and the commissioner's responses to the recommendations in the biennial report under section 241.016, subdivision 1. The commissioner must not include corrections and detention confidential data and security information in the commissioner's report.

(f) The commissioner must provide staffing and administrative support to the audit group.

Subd. 6. **Compensation.** Except as otherwise provided in this subdivision, the terms, compensation, and removal of audit group members are governed by section 15.059. Audit group members serve without compensation but may receive expense reimbursement.

Subd. 8. **Open meeting law.** The audit group is not subject to chapter 13D.

Sec. 5. Minnesota Statutes 2025 Supplement, section 241.021, subdivision 1, is amended to read:

Subdivision 1. **Correctional facilities; inspection; licensing.** ~~(a) Except as provided in paragraph (b),~~ The commissioner of corrections shall inspect and license all correctional facilities, as defined in subdivision 1i, throughout the state, whether public or private, established and operated for the detention and confinement of persons confined or incarcerated therein according to law except to the extent that they are inspected or licensed by other state regulating agencies. The commissioner shall promulgate pursuant to chapter 14, rules establishing minimum standards for these facilities with respect to their management, operation, physical condition, and the security, safety, health, treatment, and discipline of persons confined or incarcerated therein. These minimum standards shall include but are not limited to specific guidance pertaining to:

(1) screening, appraisal, assessment, and treatment for persons confined or incarcerated in correctional facilities with mental illness or substance use disorders;

(2) a policy on the involuntary administration of medications, including a process for determining on intake whether a Jarvis Order is in place and ensuring it will be followed during the confinement or incarceration;

(3) suicide prevention plans and training;

- (4) verification of medications in a timely manner;
- (5) well-being checks;
- (6) discharge planning, including providing prescribed medications to persons confined or incarcerated in correctional facilities upon release;
- (7) a policy on referrals or transfers to medical or mental health care in a noncorrectional institution;
- (8) use of segregation and mental health checks;
- (9) critical incident debriefings;
- (10) clinical management of substance use disorders and opioid overdose emergency procedures;
- (11) a policy regarding identification of persons with special needs confined or incarcerated in correctional facilities;
- (12) a policy regarding the use of telehealth;
- (13) self-auditing of compliance with minimum standards;
- (14) information sharing with medical personnel and when medical assessment must be facilitated;
- (15) a code of conduct policy for facility staff and annual training;
- (16) a policy on death review of all circumstances surrounding the death of an individual committed to the custody of the facility; and
- (17) dissemination of a rights statement made available to persons confined or incarcerated in licensed correctional facilities.

No individual, corporation, partnership, voluntary association, or other private organization legally responsible for the operation of a correctional facility may operate the facility unless it possesses a current license from the commissioner of corrections. Private adult correctional facilities shall have the authority of section 624.714, subdivision 13, if the Department of Corrections licenses the facility with the authority and the facility meets requirements of section 243.52.

The commissioner shall review the correctional facilities described in this subdivision at least once every two years, except as otherwise provided, to determine compliance with the minimum standards established according to this subdivision or other Minnesota statute related to minimum standards and conditions of confinement.

The commissioner shall grant a license to any facility found to conform to minimum standards or to any facility which, in the commissioner's judgment, is making satisfactory progress toward substantial conformity and the standards not being met do not impact the interests and well-being of the persons confined or incarcerated in the facility. A limited license under subdivision 1a may be issued for purposes of effectuating a facility closure. The commissioner may grant licensure up

to two years. Unless otherwise specified by statute, all licenses issued under this chapter expire at 12:01 a.m. on the day after the expiration date stated on the license.

The commissioner shall have access to the buildings, grounds, books, records, staff, and to persons confined or incarcerated in these facilities. The commissioner may require the officers in charge of these facilities to furnish all information and statistics the commissioner deems necessary, at a time and place designated by the commissioner. Notwithstanding chapter 13 or any other state law classifying or restricting access to data, the officers in charge of these facilities must furnish all data available to the facility that the commissioner deems necessary to conduct a review of any emergency or unusual occurrence at the facility. Failure to provide or grant access to relevant information or statistics necessary to fulfill inspection or emergency or unusual occurrence reviews, as requested by the commissioner, may be grounds for the commissioner to take action against a correctional facility's license under subdivision 1a, 1b, or 1c.

All facility administrators of correctional facilities are required to report all deaths of individuals who died while committed to the custody of the facility, regardless of whether the death occurred at the facility or after removal from the facility for medical care stemming from an incident or need for medical care at the correctional facility, as soon as practicable, but no later than 24 hours of receiving knowledge of the death, including any demographic information as required by the commissioner.

All facility administrators of correctional facilities are required to report all other emergency or unusual occurrences as defined by rule, including uses of force by facility staff that result in substantial bodily harm or suicide attempts, to the commissioner of corrections within ten days from the occurrence, including any demographic information as required by the commissioner. The commissioner of corrections shall consult with the Minnesota Sheriffs' Association and a representative from the Minnesota Association of Community Corrections Act Counties who is responsible for the operations of an adult correctional facility to define "use of force" that results in substantial bodily harm for reporting purposes.

The commissioner may require that any or all such information be provided through the Department of Corrections detention information system. The commissioner shall post each inspection report publicly and on the department's website within 30 days of completing the inspection. The education program offered in a correctional facility for the confinement or incarceration of juvenile offenders must be approved by the commissioner of education before the commissioner of corrections may grant a license to the facility.

~~(b) For juvenile facilities licensed by the commissioner of human services, the commissioner may inspect and certify programs based on certification standards set forth in Minnesota Rules. For the purpose of this paragraph, "certification" has the meaning given it in section 245A.02.~~

~~(e)~~ (b) Any state agency which regulates, inspects, or licenses certain aspects of correctional facilities shall, insofar as is possible, ensure that the minimum standards it requires are substantially the same as those required by other state agencies which regulate, inspect, or license the same aspects of similar types of correctional facilities, although at different correctional facilities.

~~(d)~~ (c) Nothing in this section shall be construed to limit the commissioner of corrections' authority to promulgate rules establishing standards of eligibility for counties to receive funds under

chapter 401, or to require counties to comply with operating standards the commissioner establishes as a condition precedent for counties to receive that funding.

~~(e)~~ (d) The department's inspection unit must report directly to a division head outside of the correctional institutions division.

Sec. 6. Minnesota Statutes 2024, section 241.021, subdivision 1f, is amended to read:

Subd. 1f. **Report.** By February 15, 2022, and by February 15 each year thereafter, the commissioner of corrections shall report to the chairs and ranking minority members of the house of representatives and senate committees and divisions with jurisdiction over public safety and judiciary on the status of the implementation of the provisions in ~~this section~~ sections 241.011 to 241.021 over the prior year, particularly the health and safety of individuals confined or incarcerated in ~~a local adult correctional facilities under this section, local correctional facilities under section 241.011, and state correctional facility and a facility licensed by the commissioner~~ facilities. (4) the number of suicide attempts, number of people transported to a medical facility, and number of people placed in segregation;

(5) the number of persons committed to the commissioner of corrections' custody that the commissioner is housing in facilities licensed under subdivision 1 and section 241.011, including but not limited to:

(4) award temporary custody or establish temporary parenting time with regard to minor children of the parties on a basis which gives primary consideration to the safety of the victim and the children. In addition to the primary safety considerations, the court may consider particular best interest factors that are found to be relevant to the temporary custody and parenting time award. Findings under section 257.025, 518.17, or 518.175 are not required with respect to the particular best interest factors not considered by the court. If the court finds that the safety of the victim or the children will be jeopardized by unsupervised or unrestricted parenting time, the court shall condition or restrict parenting time as to time, place, duration, or supervision, or deny parenting time entirely, as needed to guard the safety of the victim and the children. The court's decision on custody and parenting time shall in no way delay the issuance of an order for protection granting other relief provided for in this section. The court must not enter a parenting plan under section 518.1705 as part of an action for an order for protection;

(5) on the same basis as is provided in chapter 518 or 518A, establish temporary support for minor children or a spouse, and order the withholding of support from the income of the person obligated to pay the support according to chapter 518A;

(6) provide upon request of the petitioner counseling or other social services for the parties, if married, or if there are minor children;

(9) exclude the abusing party from the place of employment of the petitioner, or otherwise limit access to the petitioner by the abusing party at the petitioner's place of employment;

(10) order the abusing party to have no contact with the petitioner whether in person, by telephone, mail, or electronic mail or messaging, through a third party, or by any other means;

(11) order the abusing party to pay restitution to the petitioner;

(12) order the continuance of all currently available insurance coverage without change in coverage or beneficiary designation;

(13) order, in its discretion, other relief as it deems necessary for the protection of a family or household member, including orders or directives to the sheriff or other law enforcement or corrections officer as provided by this section;

(14) direct the care, possession, or control of a pet or companion animal owned, possessed, or kept by the petitioner or respondent or a child of the petitioner or respondent; ~~and~~

(16) if requested by the petitioner, issue a separate order under section 518B.04.

(b) Any relief granted by the order for protection shall be for a period not to exceed two years, except when the court determines a longer period is appropriate. When a referee presides at the hearing on the petition, the order granting relief becomes effective upon the referee's signature.

(c) An order granting the relief authorized in paragraph (a), clause (1), may not be vacated or modified in a proceeding for dissolution of marriage or legal separation, except that the court may hear a motion for modification of an order for protection concurrently with a proceeding for dissolution of marriage upon notice of motion and motion. The notice required by court rule shall not be waived. If the proceedings are consolidated and the motion to modify is granted, a separate order for modification of an order for protection shall be issued.

(d) An order granting the relief authorized in paragraph (a), clause (2) or (3), is not voided by the admittance of the abusing party into the dwelling from which the abusing party is excluded.

(e) If a proceeding for dissolution of marriage or legal separation is pending between the parties, the court shall provide a copy of the order for protection to the court with jurisdiction over the dissolution or separation proceeding for inclusion in its file.

(f) An order for restitution issued under this subdivision is enforceable as civil judgment.

(g) An order granting relief shall prohibit the abusing party from possessing firearms for the length the order is in effect if the order (1) restrains the abusing party from harassing, stalking, or threatening the petitioner or restrains the abusing party from engaging in other conduct that would place the petitioner in reasonable fear of bodily injury, and (2) includes a finding that the abusing party represents a credible threat to the physical safety of the petitioner or prohibits the abusing party from using, attempting to use, or threatening to use physical force against the petitioner. The order shall inform the abusing party of that party's prohibited status. Except as provided in paragraph (h), the court shall order the abusing party to transfer any firearms that the person possesses as provided for in section 518B.03 and direct the person to surrender all permits to carry and purchase firearms to the court. If the court does not take immediate possession of an abusing party's permit to carry or permit to purchase, the abusing party must surrender the permits to the chief law enforcement officer who issued the permit as required under sections 624.714, subdivision 8, and 624.7131, subdivision 7. If the abusing party surrenders their permits to the chief law enforcement officer, the person must declare that in the proof of transfer or declaration of nonpossession required under section 518B.03, subdivision 3.

(h) When a court issues an order containing a firearms restriction provided for in paragraph (g), the court shall determine by a preponderance of evidence if an abusing party poses an imminent risk of causing another person substantial bodily harm. Upon a finding of imminent risk, the court

An individual who is arrested on a charge of violation of an order for protection or violation of a domestic abuse no contact order is subject to the provisions of sections 518B.01, subdivision 14, paragraph (e), and 629.75, subdivision 3. The officer in charge of the police station or the county sheriff in charge of the jail shall issue a citation in lieu of continued detention for a charge of harassing or stalking any person or for domestic abuse unless it reasonably appears to the officer or sheriff that release of the person (1) poses a threat to the alleged victim or another family or household member, (2) poses a threat to public safety, or (3) involves a substantial likelihood the arrested person will fail to appear at subsequent proceedings. In determining if the person poses a threat to the alleged victim or another family or household member, the officer in charge of the police station or the county sheriff in charge of the jail must consider the person's history of domestic violence, including but not limited to:

(i) any previous arrest or conviction for harassing or stalking any person, domestic abuse, violation of an order for protection, or violation of a domestic abuse no contact order;

(ii) any order for protection, harassment restraining order, or domestic abuse no contact order in which the person was identified as the subject of the order; and

(iii) any pending petitions for an order for protection or a harassment restraining order in which the person is a respondent.

(c) If the arrested person is not issued a citation by the officer in charge of the police station or the county sheriff, the arrested person must be brought before the nearest available judge of the district court in the county in which the alleged harassing or stalking, domestic abuse, violation of an order for protection, or violation of a domestic abuse no contact order took place without unnecessary delay as provided by court rule.

Sec. 9. Minnesota Statutes 2024, section 629.72, subdivision 2, is amended to read:

Subd. 2. **Judicial review; release; bail.** (a) The judge before whom the arrested person is brought shall review the facts surrounding the arrest and detention of a person arrested for domestic abuse, harassing or stalking, violation of an order for protection, or violation of a domestic abuse no contact order. The prosecutor or prosecutor's designee shall present relevant information involving the victim's or the victim's family's account of the alleged crime to the judge to be considered in determining the arrested person's release. If the person was arrested for violation of an order for protection or violation of a domestic abuse no contact order, the prosecutor or prosecutor's designee must describe the allegations in the underlying petition or criminal case. The prosecutor or prosecutor's designee may present information and bail recommendations in person or by filing it with the court through the appropriate electronic filing system. In making a decision concerning pretrial release conditions of a person arrested for domestic abuse, harassing or stalking, violation of an order for protection, or violation of a domestic abuse no contact order, the judge shall review the facts of the arrest and detention of the person and the relevant information presented or filed by the prosecutor or prosecutor's designee and determine whether: (1) release of the person poses a threat to the alleged victim, another family or household member, or public safety; or (2) there is a substantial likelihood the person will fail to appear at subsequent proceedings. Before releasing a person arrested for or charged with a crime of domestic abuse, harassing or stalking, violation of an order for protection, or violation of a domestic abuse no contact order, the judge shall make findings on the record, to the extent possible, concerning the determination made in accordance with the factors specified in clauses (1) and (2). The findings should describe whether the person:

(i) was previously arrested for, or convicted of, harassing or stalking any person, domestic abuse, violation of an order for protection, or violation of a domestic abuse no contact order;

(ii) has ever been the subject of an order for protection, harassment restraining order, or domestic abuse no contact order and, if so, the nature of the allegations or charges that gave rise to the order; and

(iii) is the respondent in any pending petition for an order for protection or harassment restraining order and, if so, the nature of the allegations in any petition.

(b) The judge may impose conditions of release or bail, or both, on the person to protect the alleged victim or other family or household members and to ensure the appearance of the person at subsequent proceedings. These conditions may include an order:

(1) enjoining the person from threatening to commit or committing acts of domestic abuse or harassing or stalking against the alleged victim or other family or household members or from violating an order for protection or a domestic abuse no contact order;

(2) prohibiting the person from harassing, annoying, telephoning, contacting, or otherwise communicating with the alleged victim, either directly or indirectly;

(3) directing the person to vacate or stay away from the home of the alleged victim and to stay away from any other location where the alleged victim is likely to be;

(4) prohibiting the person from possessing a firearm or other weapon specified by the court;

(5) prohibiting the person from possessing or consuming alcohol or controlled substances; and

(6) specifying any other matter required to protect the safety of the alleged victim and to ensure the appearance of the person at subsequent proceedings.

(c) If conditions of release are imposed, the judge shall issue a written order for conditional release. The court administrator shall immediately distribute a copy of the order for conditional release to the agency having custody of the arrested person and shall provide the agency having custody of the arrested person with any available information on the location of the victim in a manner that protects the victim's safety. Either the court or its designee or the agency having custody of the arrested person shall serve upon the defendant a copy of the order. Failure to serve the arrested person with a copy of the order for conditional release does not invalidate the conditions of release.

(d) If the judge imposes as a condition of release a requirement that the person have no contact with the alleged victim, the judge may also, on its own motion or that of the prosecutor or on request of the victim, issue an ex parte temporary restraining order under section 609.748, subdivision 4, or an ex parte temporary order for protection under section 518B.01, subdivision 7. Notwithstanding section 518B.01, subdivision 7, paragraph (b), or 609.748, subdivision 4, paragraph (c), the temporary order is effective until the defendant is convicted or acquitted, or the charge is dismissed, provided that upon request the defendant is entitled to a full hearing on the restraining order under section 609.748, subdivision 5, or on the order for protection under section 518B.01. The hearing must be held within seven days of the defendant's request.

Minnesota Statutes 2024, section 629.72, subdivision 3, is repealed.
