Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2000, section 10A.01, subdivision 9, is amended to read:

Subd. 9. [CAMPAIGN EXPENDITURE.] (a) "Campaign expenditure" or "expenditure" means a purchase or payment of money or anything of value, or an advance of credit, made or incurred for the purpose of influencing the nomination or election of a candidate or for the purpose of promoting or defeating a ballot question. "Expenditure" includes a cost incurred to design, produce, or disseminate a communication if the communication contains words such as "vote for," "reelect," "(name of candidate) for (office)," "vote against," "defeat," or another phrase or campaign slogan that in context can have no reasonable meaning other than to advocate support for or opposition to the nomination or election of one or more clearly identified candidates.

(b) "Expenditure" is presumed to include a cost incurred to design, produce, or disseminate a communication if the communication names or depicts one or more clearly identified candidates, is disseminated during the 45 days before a primary election, during the 60 days before a general election, or during a special election cycle until election day, and the cost exceeds the following amounts for a communication naming or depicting a candidate for the following offices:

(1) \$500 for a candidate for governor, lieutenant governor, attorney general, secretary of state, or state auditor; or

(2) \$100 for a candidate for state senator or representative.

An individual or association presumed under this paragraph to have made an expenditure may rebut the presumption by a written statement signed by the spender and filed with the board stating that the cost was not incurred with intent to influence the nomination, election, or defeat of any candidate, supported by any additional evidence the spender chooses to submit. The board may consider any additional evidence it deems relevant and material and must determine by a preponderance of the evidence whether the cost was incurred with intent to influence the nomination, election, or defeat of a candidate.

(c) An expenditure is considered to be made in the year in which the candidate made the purchase of goods or services or incurred an obligation to pay for goods or services.

(d) An expenditure made for the purpose of defeating a candidate is considered made for the purpose of influencing the nomination or election of that candidate or any opponent of that candidate.

(e) Except as provided in clause (1), "expenditure" includes the dollar value of a donation in kind.

"Expenditure" does not include:

(1) noncampaign disbursements as defined in subdivision 26;

(2) services provided without compensation by an individual volunteering personal time on behalf of a candidate, ballot question, political committee, political fund, principal campaign committee, or party unit; or

(3) the publishing or broadcasting of news items or editorial comments by the news media, if the news medium is not owned by or affiliated with any candidate or principal campaign committee; or

(4) a cost incurred by an association for a communication targeted to inform solely its own dues-paying members of the association's position on a candidate.

Sec. 2. Minnesota Statutes 2000, section 10A.01, subdivision 18, is amended to read:

Subd. 18. [INDEPENDENT EXPENDITURE.] (a) "Independent expenditure" means an expenditure expressly advocating the election or defeat of a clearly identified candidate, if the expenditure that is made without the express or implied consent, authorization, or cooperation of,

and not in concert with or at the request or suggestion of, any candidate or any candidate's principal campaign committee or agent. An independent expenditure is not a contribution to that candidate. ~~An expenditure by a political party or political party unit in a race where the political party has a candidate on the ballot is not an independent expenditure.~~

(b) An expenditure is presumed to be not independent if, for example:

(1) in the same election cycle in which the expenditure occurs, the spender or the spender's agent retains the professional services of an individual or entity that, in a nonministerial capacity, provides or has provided campaign-related service, including polling or other campaign research, media consulting or production, direct mail, or fundraising, to a candidate supported by the spender for nomination or election to the same office as any candidate whose nomination or election the expenditure is intended to influence or to a political party working in coordination with the supported candidate;

(2) the expenditure pays for a communication that disseminates, in whole or in substantial part, a broadcast or written, graphic, or other form of campaign material designed, produced, or distributed by the candidate, the candidate's principal campaign committee, or their agents;

(3) the expenditure is based on information about the candidate's electoral campaign plans, projects, or needs that is provided by the candidate, the candidate's principal campaign committee, or their agents directly or indirectly to the spender or the spender's agent, with an express or tacit understanding that the spender is considering making the expenditure;

(4) before the election, the spender or the spender's agent informs a candidate or the principal campaign committee or agent of a candidate for the same office as a candidate clearly identified in a communication paid for by the expenditure about the communication's contents; timing, location, mode, or frequency of dissemination; or intended audience; or

(5) in the same election cycle in which the expenditure occurs, the spender or the spender's agent is serving or has served in an executive, policymaking, fundraising, or advisory position with the candidate's campaign or has participated in strategic or policymaking discussions with the candidate's campaign relating to the candidate's pursuit of nomination or election to office and the candidate is pursuing the same office as a candidate whose nomination or election the expenditure is intended to influence.

An individual or association presumed under this paragraph to have made an expenditure that was not independent may rebut the presumption by a written statement signed by the spender and filed with the board stating that the expenditure was made without the express or implied consent, authorization, or cooperation of, and not in concert with or at the request or suggestion of, any candidate or any candidate's principal campaign committee or agent, supported by any additional evidence the spender chooses to submit. The board may consider any additional evidence it deems relevant and material and must determine by a preponderance of the evidence whether the expenditure was independent.

(c) An expenditure by anyone other than a principal campaign committee that does not qualify as an independent expenditure under this subdivision is deemed to be an approved expenditure under subdivision 4.

Sec. 3. Minnesota Statutes 2000, section 10A.20, subdivision 6b, is amended to read:

The affidavit notice must contain the information with respect to the expenditure that is required to be reported under subdivision 3, paragraph (g); except that if an expenditure is reported before it is made, the notice must include a reasonable estimate of the anticipated amount. Each new expenditure requires a new notice.

(b) An individual or association that has made an independent expenditure of which notice was required under this subdivision must submit to the board within 24 hours after disseminating a communication, a description of the content of the communication for which the expenditure was made, including a copy of any printed advertisement or a transcript of any broadcast advertisement.

(c) An individual or the treasurer of a political committee or political fund who fails to give notice as required by this subdivision, or who files a false affidavit of notice, is guilty of a gross misdemeanor and is subject to a civil fine of up to four times the amount of the independent expenditure stated in the notice or of which notice was required, whichever is greater.

(d) An affidavit of notice is false if it indicates that an independent expenditure was made on behalf of one candidate when the facts and circumstances show that the intent of the expenditure was actually to defeat that candidate and benefit an opponent.

(b) If the independent expenditure advocates the defeat of a candidate or the election of the candidate's opponent, the spending limit of the candidate is increased by the amount of the independent expenditure.

(c) An independent expenditure matching account is established in the state treasury. \$3,500,000 for each state general election is appropriated from the general fund for transfer to the independent expenditure matching account. (d) The unobligated balance in the account on June 30 following the state general election is canceled to the general fund.

(e) A candidate who is the target of an independent expenditure may accept additional contributions from political party units to match the amount of the independent expenditure.

(c) The spending limit agreement remains in effect until the end of the first general election cycle completed after the agreement was filed or the dissolution of the political party, whichever occurs first.

(d) The board must notify the commissioner of revenue of any agreement filed under this subdivision.

[MINOR POLITICAL PARTY.] (a) "Minor political party" means a political party that is not a major political party as defined by subdivision 7 and that has adopted a state constitution, designated a state party chair, held a state convention in the last two years, filed with the secretary of state a certification that the party has met the foregoing requirements, and met the requirements of paragraph (b) or (c), as applicable.

(b) To be considered a minor party in all elections statewide, the political party must have presented at least one candidate for a partisan office voted on statewide at the preceding state general election for constitutional officers who received votes in each county that in the aggregate equal at least one percent of the total number of individuals who voted in the election, or its members must have presented to the secretary of state a nominating petition in a form prescribed by the secretary of state containing the signatures of party members in a number equal to at least one percent of the total number of individuals who voted in the preceding state general election.

Sec. 20. Minnesota Statutes 2000, section 290.06, subdivision 23, is amended to read:

Subd. 23. [REFUND OF CONTRIBUTIONS TO POLITICAL PARTIES AND CANDIDATES.] (a) A taxpayer may claim a refund equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to a political party. The maximum refund for an individual must not exceed \$50 and for a married couple, filing jointly, must not exceed \$100. A refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the chair or treasurer of the party unit, after the contribution was received. The receipt forms must be numbered, and the data on the receipt that are not public must be made available to the campaign finance and public disclosure board upon its request. A claim must be filed with the commissioner no sooner than January 1 of the calendar year in which the

contribution was made and no later than April 15 of the calendar year following the calendar year in which the contribution was made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution was made must include interest at the rate specified in section 270.76.

(b) No refund is allowed under this subdivision for a contribution to a candidate unless the candidate:

(1) has signed and filed an agreement to limit campaign expenditures as provided in section 10A.322;

(2) is seeking an office for which voluntary spending limits are specified in section 10A.25; and

(3) has designated a principal campaign committee.

This subdivision does not limit the campaign expenditures of a candidate who does not sign an agreement but accepts a contribution for which the contributor improperly claims a refund.

No refund is allowed under this subdivision for a contribution to a political party or party unit unless the state chair of the political party has signed and filed an agreement to limit campaign expenditures as provided in section 10A.322.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a.

A "major party" or "minor party" includes the aggregate of that party's organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts.

"Candidate" means a candidate as defined in section 10A.01, subdivision 10, except a candidate for judicial office.

"Contribution" means a gift of money.

(d) The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The commissioner shall report to the campaign finance and public disclosure board by each August 1 a summary showing the total number and aggregate amount of political contribution refunds made on behalf of each candidate and each political party. These data are public.

(g) The amount necessary to pay claims for the refund provided in this section is appropriated from the general fund to the commissioner of revenue.

Sec. 21. [NONSEVERABILITY.]

Notwithstanding Minnesota Statutes, section 645.20, if a provision of section 7 (Minnesota Statutes, section 10A.25, subdivision 15) is found to be unconstitutional and void, the provisions of section 6 (Minnesota Statutes, section 10A.25, subdivision 14) are also void.
