Sec. 9. [473J.01] PURPOSE.

The purpose of this chapter is to provide for the construction, financing, and long-term use of a stadium and related stadium infrastructure as a venue for professional football and a broad range of other civic, community, athletic, educational, cultural, and commercial activities. The legislature finds and declares that the expenditure of public money for this purpose is necessary and serves a public purpose, and that property acquired by the Minnesota Sports Facilities Authority for the construction of the stadium and related stadium infrastructure is acquired for a public use or public purpose under chapter 117. The legislature further finds and declares that any provision in a lease or use agreement with a professional football team that requires the team to play all of its home games in a publicly funded stadium for the duration of the lease or use agreement, serves a unique public purpose for which the remedies of specific performance and injunctive relief are essential to its enforcement. The legislature further finds and declares that government assistance to facilitate the presence of professional football provides to the state of Minnesota and its citizens highly valued intangible benefits that are virtually impossible to quantify and, therefore, not recoverable even if the government receives monetary damages in the event of a team's breach of contract. Minnesota courts are, therefore, charged with protecting those benefits through the use of specific performance and injunctive relief as provided in this chapter and in the lease and use agreements.

Subd. 4. **Data practices; open meetings.** Except as otherwise provided in this chapter, the authority is subject to chapters 13 and 13D.

Subd. 5. **Facility operation.** The authority may develop, construct, equip, improve, own, operate, manage, maintain, finance, and control the stadium, stadium infrastructure, and related facilities constructed or acquired under this chapter, or may delegate such duties through an agreement, subject to the rights and obligations transferred to and assumed by the authority, the NFL team, other user, third-party manager, or program manager, under the terms of a lease, use agreement, or development agreement.

Subd. 6. **Employees; contracts for services.** The authority may employ persons and contract for services necessary to carry out its functions, including the utilization of employees and consultants retained by other governmental entities. The authority shall enter into an agreement with the city regarding traffic control for the stadium.

Subd. 7. **Gifts, grants, loans.** The authority may accept monetary contributions, property, services, and grants or loans of money or other property from the United States, the state, any subdivision of the state, any agency of those entities, or any person for any of its purposes, and may enter into any agreement required in connection with the gifts, grants, or loans. The authority shall hold, use, and dispose of the money, property, or services according to the terms of the monetary contributions, grant, loan, or agreement.

Subd. 8. **Use agreements.** The authority may lease, license, or enter into use agreements and may fix, alter, charge, and collect rents, fees, and charges for the use, occupation, and availability of part or all of any premises, property, or facilities under its ownership, operation, or control for purposes that will provide athletic, educational, cultural, commercial, or other entertainment, instruction, or activity for the citizens of Minnesota and visitors. The use agreements may provide that the other contracting party has exclusive use of the premises at the times agreed upon, as well as the right to retain some or all revenues from ticket sales, suite licenses, concessions, advertising, naming rights, NFL team designated broadcast/media, club seats, signage, and other revenues derived from the stadium. The lease or use agreement with an NFL team must provide for the payment by the NFL team of an agreed-upon portion of operating and maintenance costs and expenses and provide other terms in which the authority and NFL team agree. In no case may a lease or use agreement permit smoking in the stadium.

Subd. 9. **Research.** The authority may conduct research studies and programs; collect and analyze data; prepare reports, maps, charts, and tables; and conduct all necessary hearings and investigations in connection with its functions.

Subd. 10. **Insurance.** The authority may require any employee to obtain and file with the authority an individual bond or fidelity insurance policy. The authority may procure insurance in the amounts the authority considers necessary against liability of the authority or its officers and employees for personal injury or death and property damage or destruction, consistent with chapter 466, and against risks of damage to or destruction of any of its facilities, equipment, or other property.

Subd. 11. **Exemption from Metropolitan Council review; Business Subsidy Act.** The acquisition and betterment of a stadium and stadium infrastructure by the authority must be conducted pursuant to this chapter and are not subject to sections 473.165 and 473.173. Section 116J.994 does not apply to any transactions of the authority or other governmental entity related to the stadium or stadium infrastructure or to any tenant or other users of the stadium or stadium infrastructure.

Subd. 12. **Incidental powers.** In addition to the powers expressly granted in this chapter, the authority has all powers necessary or incidental thereto.

Subd. 13. **Legislative report.** The authority must report to the chairs and ranking minority members of the legislative committees with jurisdiction over state government finance by January 15 of each year on the following:

- (a) any recommended increases in the rate or dollar amount of tax;
- (b) any recommended increases in the debt of the authority;
- (c) the overall work and role of the authority;
- (d) the authority's proposed operating and capital budgets; and
- (e) the authority's implementation of the operating and capital budgets.

Subd. 14. **Study; raffle.** The authority shall study the feasibility of conducting a raffle for chances to win a pair or other limited numbers of prime seats (such as lower deck, 50 yard line seats) in the stadium for professional football games for the duration of the lease or use agreement. In conducting the study, the authority must consult with the NFL team. If the authority determines that conducting the raffle is financially feasible, the authority in cooperation with the director of the Gambling Control Board shall conduct the raffle. The proceeds of the raffle must be transmitted to the commissioner of revenue for deposit in the general fund and are appropriated to the commissioner of management and budget for prepayment of principal and interest on appropriation bonds under section 16A.965.

Sec. 14. **[473J.10] LOCATION.**

The stadium to be constructed under this chapter shall be located at the stadium site in the city of Minneapolis.

Sec. 15. **[473J.11] STADIUM DESIGN AND CONSTRUCTION.**

Subdivision 1. **Contracts.** (a) The design, development, and construction of the stadium shall be a collaborative process between the authority and the NFL team. The authority and the NFL team shall establish a process to reach consensus on key elements of the stadium program and design, development, and construction.

(b) Unless the authority and the NFL team agree otherwise:

(1) the authority shall create a stadium design and construction group, including representatives of the authority and the NFL team, to manage the design of the stadium and oversee construction;

(2) this group shall engage an owner's representative to act on behalf of the group. The cost of

the owner's representative shall be a stadium cost; and

(3) the authority and the NFL team shall enter into a development administration agreement providing for rights and responsibilities of the authority and the NFL team, the design and construction group, and the owner's representative for design and construction of the stadium, including, but not limited to, establishment of minimum design standards. This development administration agreement shall provide for binding arbitration in the event that the authority and the NFL team are unable to agree on minimum design standards or other material aspects of the design.

(c) The authority may enter into an agreement with the NFL team and any other entity relating to the design, construction, financing, operation, maintenance, and use of the stadium and related facilities and stadium infrastructure. The authority may contract for materials, supplies, and equipment in accordance with section 471.345, except that the authority may employ or contract with persons, firms, or corporations to perform one or more or all of the functions of architect, engineer, construction manager, or program manager with respect to all or any part of the design, construction, financing, operation, maintenance, and use of the stadium and stadium infrastructure under the traditional separate design and build, integrated design-build, construction manager at risk, or public/private partnership (P3) structures, or a combination thereof.

To the extent practicable, the agreement must provide that at least 25 percent of the materials, supplies, and equipment used in the construction, operation, maintenance, and use of the stadium and related facilities and stadium infrastructure, other than the material subject to section 473J.15, subdivision 11, paragraph (c), must be made or produced by Minnesota businesses.

(d) The authority and the NFL team shall prepare a request for proposals for one or more of the functions described in paragraph (c). The request must be published in the State Register and shall include, at a minimum, such requirements that are agreed to by the authority and the NFL team. The authority and the NFL team may prequalify offerors by issuing a request for qualifications, in advance of the request for proposals, and select a short list of responsible offerors prior to discussions and evaluations.

(e) As provided in the request for proposals, the authority, and the NFL team, may conduct discussions and negotiations with responsible offerors in order to determine which proposal is most advantageous to the authority and the NFL team and to negotiate the terms of an agreement. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors and the content of all proposals is nonpublic data under chapter 13 until such time as a notice to award a contract is given by the authority. The agreement shall be subject to the approval of the NFL team.

(f) Prior to the time the authority enters into a construction contract with a construction manager or program manager certifying a maximum price and a completion date as provided in paragraph (h), at the request of the NFL team, the authority may authorize, such authorization not to be unreasonably withheld or delayed, the NFL team to provide for management of the construction of the stadium and related stadium infrastructure, in which event the NFL team must assume the role and responsibilities of the authority for completion of construction in a manner consistent with the agreed minimum design standards and design documents, subject to the terms of this act, including responsibility for cost overruns.

(g) For each contract for supplies, materials, labor, equipment, or services for the construction of the stadium or infrastructure, the construction manager or program manager shall require: (1)

that the contract specify a guaranteed maximum price; and (2) if the amount charged under the contract is less than the guaranteed maximum price, the authority shall pay as follows: (i) half of the difference to the contract holder; and (ii) half of the difference to the state for transfer to the authority for capital reserves.

(h) The construction manager or program manager may enter into contracts with contractors for labor, materials, supplies, and equipment for the construction of the stadium and related stadium infrastructure through the process of public bidding, except that the construction manager or program manager may, with the consent of the authority or the NFL team if the NFL team has assumed responsibility for construction:

(1) narrow the listing of eligible bidders to those which the construction manager or program manager determines to possess sufficient expertise to perform the intended functions;

(2) award contracts to the contractors that the construction manager or program manager determines provide the best value under a request for proposals as described in section 16C.28, subdivision 1, paragraphs (a), clause (2), and (c), which are not required to be the lowest responsible bidder; and

(3) for work the construction manager or program manager determines to be critical to the completion schedule, award contracts on the basis of competitive proposals, or perform work with its own forces without soliciting competitive bids if the construction manager or program manager provides evidence of competitive pricing.

(i) The authority and the NFL team shall require that the construction manager or program manager certify, before the contract is signed, a guaranteed maximum construction price and completion date to the authority and post a performance bond in an amount at least equal to 100 percent of the certified price or such other security satisfactory to the authority, to cover any costs which may be incurred in excess of the certified price including, but not limited to, costs incurred by the authority or loss of revenues resulting from incomplete construction on the completion date. The authority may secure surety bonds as provided in section 574.26, securing payment of just claims in connection with all public work undertaken by the authority. Persons entitled to the protection of the bonds may enforce them as provided in sections 574.28 to 574.32 and are not entitled to a lien on any property of the authority under the provisions of sections 514.01 to 514.16. The construction of the stadium is a project as that term is defined in section 177.42, subdivision 2, and is subject to the prevailing wage law under sections 177.41 to 177.43. The authority's contract with the construction manager or program manager shall provide that if the construction manager's or program manager's fees charged under the contract are less than the guaranteed maximum price, the authority shall pay: (1) half of the difference to the contract holder; and (2) half of the difference to the state for transfer to the authority for capital reserves. Costs or fees above the agreed guaranteed maximum price shall be the responsibility of the construction manager or program manager.

Subd. 2. **Changes.** Unless otherwise agreed to by the authority and the NFL team, if either party requests an agreed upon change in minimum design standards, and this change is responsible for requiring the project to exceed the stated budget, the requesting party is liable for any cost overruns or associated liabilities.

Subd. 3. **Stadium design.** The stadium and stadium infrastructure shall be designed and constructed incorporating the following general program and design elements:

(1) unless otherwise agreed to by the authority and the NFL team, the stadium shall comprise approximately 1,500,000 square feet with approximately 65,000 seats, expandable to 72,000, shall meet or exceed NFL program requirements, and include approximately 150 suites and approximately 7,500 club seats or other such components as agreed to by the authority and the NFL team;

(2) space for NFL team-related exhibitions and sales, which shall include the following: NFL team museum and Hall of Fame, retail merchandise and gift shop retail venues, and themed concessions and restaurants;

(3) year-round space for the NFL team administrative operations, sales, and marketing, including a ticket office, team meeting space, locker, and training rooms;

(4) space for administrative offices of the authority;

(5) 2,000 parking spaces within one block of the stadium, connected by skyway or tunnel to the stadium, and 500 parking spaces within two blocks of the stadium, with a dedicated walkway on game days;

(6) elements sufficient to provide community and civic uses as determined by the authority; and

(7) a roof that is fixed or retractable, provided that if the roof is retractable, it is accomplished without any increase to the funding provided by the state or the city.

Subd. 4. **Cost overruns, savings.** (a) Within the limits of paragraph (b), the authority may accept financial obligations relating to cost overruns associated with acquisition of the stadium site, stadium infrastructure, and stadium design, development, and construction, provided that the authority shall bid project construction in a manner that any cost overruns are the responsibility of the successful bidder and not the authority or the state. The authority shall not accept responsibility for cost overruns and shall not be responsible for cost overruns if the authority has authorized the NFL team to provide for management of construction of the stadium under subdivision 1. Cost savings or additional funds obtained by the authority or the NFL team for the stadium or stadium infrastructure may be used first to fund additional stadium or stadium infrastructure, as agreed to by the authority and the NFL team, if any, and then to fund capital reserves.

(b) The state share of stadium costs shall be limited to \$348,000,000 for construction of a new stadium, as permitted under section 16A.726. The city of Minneapolis share shall be limited to no more than a \$150,000,000 contribution for construction, and the annual operating cost and capital contributions contained under section 473J.13.

Sec. 16. [473J.112] COMMEMORATIVE BRICKS.

The authority shall sell commemorative bricks to be displayed at a prominent location in the new stadium, for an amount to be determined by the authority. Funds raised through this section shall be appropriated to the commissioner of management and budget for transfer to the Minnesota Sports Facilities Authority.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 17. [473J.12] EMPLOYMENT.

Subdivision 1. **Hiring and recruitment.** In the design, development, construction, management,

operation, maintenance and capital repair, replacement and improvement of the stadium and stadium infrastructure, the authority shall make every effort to employ, and cause the NFL team, the construction manager and other subcontractors, vendors, and concessionaires to employ women and members of minority communities when hiring. In addition, the authority shall contract with an employment assistance firm, preferably minority-owned, or owned by a disabled individual or a woman, to create an employment program to recruit, hire, and retain minorities for the stadium facility. The authority shall hold a job fair and recruit and advertise at Minneapolis Urban League, Sabathani, American Indian OIC, Youthbuild organizations, and other such organizations. Further, goals for construction contracts to be awarded to women- and minority-owned businesses will be in a percentage at least equal to the minimum used for city of Minneapolis development projects, and the other construction workforce will establish workforce utilization goals at least equal to current city goals and include workers from city zip codes that have high rates of poverty and unemployment.

Subd. 2. **Other required agreements.** The NFL team or the authority shall give food, beverage, retail, and concession workers presently employed by the NFL team or the Metropolitan Sports Facilities Commission or its vendors at the existing football stadium the opportunity to continue their employment in comparable positions at the new stadium. Workers who are presently represented under a collective bargaining agreement may seek to continue such representation in the facility and designate such, or another collective bargaining unit, as their representative.

Sec. 18. [473J.13] STADIUM OPERATIONS; CAPITAL IMPROVEMENTS.

Subdivision 1. **Stadium operation.** The stadium shall be operated in a first-class manner, similar to and consistent with other comparable NFL stadiums. The authority and the team will mutually agree on a third-party management company or individual to manage the stadium and on certain major vendors to the stadium. The authority, with the approval of the NFL team, may enter into an agreement with a program manager for management of the stadium, for a maximum of 30 years.

Subd. 2. **Operating expenses.** (a) The authority must pay or cause to be paid all operating expenses of the stadium. The authority must require in the lease or use agreement with the NFL team that the NFL team pay the authority, beginning January 1, 2016, or other date as mutually agreed upon by the parties, toward operating costs of the stadium, \$8,500,000 each year, increased by a three percent annual inflation rate.

(b) Beginning January 1, 2016, or other date as mutually agreed upon by the parties, and continuing through 2020, the state shall pay the authority operating expenses, \$6,000,000 each year, increased by an annual adjustment factor. The payment of \$6,000,000 per year beginning in 2016 is a payment by the state, which shall be repaid to the state, using funds as provided under section 297A.994, subdivision 4, clause (4). After 2020, the state shall assume this payment, using funds generated in accordance with the city of Minneapolis as specified under section 297A.994, subdivision 4, clause (3).

(c) The authority may establish an operating reserve to cover operating expense shortfalls and may accept funds from any source for deposit in the operating reserve. The establishment or funding of an authority operating reserve must not decrease the amounts required to be paid to the authority toward operating costs under this subdivision unless agreed to by the authority.

(d) The authority will be responsible for operating cost overruns.

(e) After the joint selection of the third-party manager or program manager, the authority may agree with a program manager or other third-party manager of the stadium on a fixed cost operating, management, or employment agreement with operating cost protections under which the program manager or third-party manager assumes responsibility for stadium operating costs and shortfalls. The agreement with the manager must require the manager to prepare an initial and ongoing operating plan and operating budgets for approval by the authority in consultation with the NFL team. The manager must agree to operate the stadium in accordance with the approved operating plan and operating budget.

Subd. 3. **Public access.** The authority will work to maximize access for public and amateur sports, community, and civic events, and other public events in type and on terms consistent with those currently held at the existing football stadium, as defined in section 473.551, subdivision 9. The authority may provide that these events have exclusive use of the premises at agreed-upon times subject to the scheduling rights of the NFL team under the lease or use agreement.

Subd. 4. **Capital improvements.** (a) The authority shall establish a capital reserve fund. The authority shall be responsible for making, or for causing others to make, all capital repairs, replacements, and improvements for the stadium and stadium infrastructure. The authority shall maintain, or cause others to maintain, the stadium and stadium infrastructure in a safe, clean, attractive, and first-class manner so as to cause them to remain in a condition comparable to that of other comparable NFL facilities of similar design and age. The authority shall make, or cause others to make, all necessary or appropriate repairs, renewals, and replacements, whether structural or nonstructural, interior or exterior, ordinary or extraordinary, foreseen or unforeseen, in a prompt and timely manner. In addition, the authority, with approval of the NFL team, may enter into an agreement with a program manager to perform some or all of the responsibilities of the authority in this subdivision and to assume and accept financial liability for the cost of performing the responsibilities.

(b) The NFL team must contribute \$1,500,000 each year, beginning in 2016 or as otherwise determined for the term of the lease or use agreement to the capital reserve fund, increased by a three percent annual inflation rate.

(c) The state shall contribute \$1,500,000 each year, beginning in 2016 or as otherwise determined for the term of the lease to the capital reserve fund. The contributions of the state are subject to increase by an annual adjustment factor. The contribution under this paragraph by the state from 2016 through 2020 shall be repaid to the state using funds in accordance with section 297A.994, subdivision 4, clause (4).

(d) The authority with input from the NFL team shall develop short-term and long-term capital funding plans and shall use those plans to guide the future capital needs of the stadium and stadium infrastructure. The authority shall make the final determination with respect to funding capital needs. Any capital improvement proposed by the NFL team intended primarily to provide revenue enhancements to the NFL team shall be paid for by the NFL team, unless otherwise agreed to with the authority.

(e) The NFL team has authority to determine the design of a retractable roof feature for the stadium. The NFL team must cooperate with the authority in designing the feature to minimize any additional operating cost. The design must not result in a material marginal increase in the operating or capital costs of the stadium, considering current collections and reserves.

Subd. 5. **Game-day payments.** In addition to operating expense contributions of the NFL team under subdivision 2, the NFL team shall pay all NFL game day, NFL team-owned major league soccer, as provided in section 473J.15, subdivision 15, and other NFL team-sponsored event expenses within the stadium and stadium plaza areas.

Subd. 6. **Cooperation with financing.** The authority shall cooperate with the NFL team to facilitate the financing of the NFL team's contribution. Such agreement to cooperate shall not require the authority to incur any additional costs or provide conduit financing. The lease, license, and other transaction documents shall include provisions customarily required by lenders in stadium financings.

Sec. 19. **[473J.15] CRITERIA AND CONDITIONS.**

Subdivision 1. **Binding and enforceable.** In developing the stadium and entering into related contracts, the authority must follow and enforce the criteria and conditions in this section, provided that a determination by the authority that those criteria or conditions have been met under any agreement or otherwise shall be conclusive.

Subd. 2. **NFL team/private contribution; timing of expenditures.** (a) The NFL team/private contribution, including stadium builder license proceeds, for stadium costs must be made in cash in the amount of at least \$477,000,000.

(b) Prior to the initial deposit of funds under this section, the team must provide security or other credit worthiness in the amount of \$50,000,000, subject to the satisfaction of the authority. Prior to the first issuance of bonds under section 16A.965, the first portion of the NFL team/private contribution in the amount of \$50,000,000 must be deposited as costs are incurred to the construction fund to pay for the initial stadium costs.

(c) After the first \$50,000,000 of stadium costs have been paid from the initial NFL team/private contribution, state funds shall be deposited as costs are incurred to the construction fund to pay for the next \$50,000,000 of costs of the project. Prior to any state funds being deposited in the construction fund, the NFL team must provide security or a financing commitment reasonably satisfactory to the authority for the balance of the required NFL team/private contribution and for payment of cost overruns if the NFL team assumes responsibility for stadium construction under section 473J.11. Thereafter, budgeted project costs shall be borne by the authority and the NFL team/private contributions in amounts proportionate to their remaining funding commitments.

(d) In the event the project terminates before the initial \$100,000,000 in contributions are expended by the parties under this subdivision, the parties shall be reimbursed in the amounts they have deposited to the construction fund proportionate to project funding percentages, in the amounts of 51 percent by the authority and 49 percent by the NFL team/private contributions.

Subd. 3. **Lease or use agreements; 30-year term.** The authority must enter into a long-term lease or use agreement with the NFL team for the NFL team's use of the stadium. The NFL team must agree to play all preseason, regular season, and postseason home games at the stadium. However, the team may play up to three home games outside of the United States during the first 15 years of the lease or use agreement and up to three home games outside of the United States in the next 15 years of the lease or use agreement. Training facilities must remain in Minnesota during the term of the lease or use agreement. The lease or use agreement must be for a term of at least 30 years from the date of substantial completion of the stadium for professional football games. The lease or use

agreement may provide options for the NFL team to extend the term for up to four additional periods of five years. The lease or use agreement must include terms for default, termination, and breach of the agreement. Recognizing that the presence of professional football provides to the state of Minnesota and its citizens highly valued, intangible benefits that are virtually impossible to quantify and, therefore, not recoverable in the event of the NFL team owner's breach of contract, the lease and use agreements must provide for specific performance and injunctive relief to enforce provisions relating to use of the stadium for professional football and must not include escape clauses or buyout provisions. The NFL team must not enter into or accept any agreement or requirement with or from any entity that is inconsistent with the NFL team's binding commitment to the 30-year term of the lease or use agreement or that would in any manner dilute, interfere with, or negate the provisions of the lease or use agreement, providing for specific performance or injunctive relief. The legislature conclusively determines, as a matter of public policy, that the lease or use agreement, and any grant agreement under this chapter that includes a specific performance clause:

- (1) explicitly authorizes specific performance as a remedy for breach;
- (2) is made for adequate consideration and upon terms which are otherwise fair and reasonable;
- (3) has not been included through sharp practice, misrepresentation, or mistake;
- (4) if specifically enforced, does not cause unreasonable or disproportionate hardship or loss to the NFL team or to third parties; and
- (5) involves performance in a manner and the rendering of services of a nature and under circumstances that the beneficiary cannot be adequately compensated in damages.

Subd. 4. **Lease or use agreements; revenues, payments.** A lease or use agreement shall include rent and other fees and expenses to be paid by the NFL team. The authority shall agree to provide in the lease or use agreement for the NFL team to receive all NFL and team event related revenues, including but not limited to, suite revenues, advertising, concessions, signage, broadcast and media, and club seat revenue. The agreement shall also provide that all naming rights to the stadium are retained by the NFL team, subject to the approval of the name or names by the authority consistent with those criteria set out in the lease or use agreement. The agreement shall provide for the authority to receive all general ticket revenues and other event revenues other than from NFL team games, NFL team-owned major league soccer games, and other NFL team events agreed to by the authority.

Subd. 5. **Notice of breach or default.** Until 30 years from the date of stadium completion, the NFL team must provide written notice to the authority not less than 180 days prior to any action, including any action imposed upon the NFL team by the NFL, which would result in a breach or default of provisions of the lease or use agreements required to be included under subdivision 3. If this notice provision is violated and the NFL team has already breached or been in default under the required provisions, the authority or the state of Minnesota may specifically enforce the lease or use agreement and Minnesota courts shall fashion equitable remedies so that the NFL team fulfills the conditions of the lease and use agreements.

Subd. 6. **Enforceable financial commitments.** The authority must determine before stadium construction begins that all public and private funding sources for construction, operating expenses, and capital improvements and repairs of the stadium are included in written agreements. The committed funds must be adequate to design, construct, furnish, and equip the stadium, and pay projected operating expenses and the costs of capital improvements and repairs during the term

of the lease or use agreement with the NFL team. The NFL team must provide the authority access to NFL team financial or other information, which the authority deems necessary for such determination. Any financial information obtained by the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

Subd. 7. **Environmental requirements.** The authority must comply with all environmental requirements imposed by regulatory agencies for the stadium, site, and structure, except as provided by section 473J.09, subdivision 11, or by section 473J.17.

Subd. 8. **Public share on sale of NFL team.** (a) The lease or use agreement must provide that if the NFL team is sold, or an interest in the NFL team is sold after the effective date of this section, a portion of the sale price, determined according to the schedule in paragraph (b), is the public share and must be paid to the state and the city, in amounts proportionate to the expenditures made by the state and from city taxes, respectively, for the purposes of this chapter. If any portion of the public share of the sale price remains after the state and city have been paid, that amount must be deposited in the general fund.

(b) The portion of the sale price required to be paid under paragraph (a) is:

(1) 25 percent of the amount in excess of the purchase price of the NFL team by the selling owner or owners for ten years, beginning on the effective date of this section;

(2) 15 percent during years 11 to 15 after the effective date of this section; and

(3) ten percent during years 16 to 20 after the effective date of this section.

Thereafter, no portion of the sale price is required to be paid under paragraph (a).

(c) The agreement must provide exceptions for sales to members of the owners' families and entities and trusts beneficially owned by family members, sales to employees of equity interests aggregating up to ten percent, sales related to capital infusions not distributed to the owners, and sales among existing owners not exceeding 20 percent equity interest in the NFL team.

Subd. 9. **Authority's access to NFL team financial information.** A notice provision for a material breach shall be agreed to between the authority and the NFL team. In the event there is a material breach by the NFL team under the lease or use agreement, the lease or use agreement must provide the authority access to audited financial statements of the NFL team and other financial information that the authority deems necessary to enforce the terms of any lease or use agreements. Any financial information obtained by the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

Subd. 10. **NFL team name retained.** The lease or use agreement must provide that the NFL shall retain the Minnesota Vikings' heritage and records, including the name, logo, colors, history, playing records, trophies, and memorabilia in the event of relocation of the NFL team in violation of the lease or use agreement, and shall not permit use of these rights except for a team located in the state of Minnesota.

Subd. 11. **Stadium design.** (a) To the extent practicable, the authority and the NFL team will build a stadium that is environmentally and energy efficient and will make an effort to build a stadium that is eligible to receive the Leadership in Energy and Environmental Design (LEED) certification or the Green Building Initiative Green Globes certification for environmental design, and to the

extent practicable, will strive to make the stadium design architecturally significant.

(b) To the extent practicable, the stadium design must, to the extent that the costs of following the guidelines have a payback in energy savings in 30 years or less, follow sustainable building guidelines established under section 16B.325. The authority and NFL team must work with local utility companies to establish a base utility cost under the state energy codes and calculate energy cost savings resulting from complying with the guidelines. The authority and NFL team must fully utilize conservation improvement assistance under section 216B.241 and other energy savings programs available to them.

(c) To the extent practicable, the authority and the team must ensure that the stadium be built with American-made steel that is made from Minnesota iron ore.

Subd. 12. **Necessary approvals.** The authority and the NFL team must secure any necessary approvals to the terms of the lease and use agreement and the design and construction plans for the stadium, including prior approval of the NFL.

Subd. 13. **Affordable access.** The lease or use agreement must provide for an agreed-upon number of affordable tickets to the professional sporting events held in the stadium.

Subd. 14. **Stadium builder's licenses.** The authority shall own and retain the exclusive right to sell stadium builder's licenses in the stadium. The authority will retain the NFL team to act as the authority's agent in marketing and selling such licenses.

Subd. 15. **Major league soccer.** The authority shall, for five years after the first NFL team home game is played in the stadium, grant the NFL team the exclusive right to establish major league soccer at the stadium. The authority and the NFL team may enter into an agreement providing the terms and conditions of such an arrangement, provided:

(1) if any of the NFL team owners whose family owns at least three percent of the NFL team purchases full or partial ownership in a major league soccer franchise, such franchise may play in the stadium under a use agreement with similar terms as are applicable to the NFL team which shall include rent based on market conditions but not less than a provision of payment of game-day costs and reasonable marginal costs incurred by the authority as a result of the major league soccer team; and

(2) capital improvements required by a major league soccer franchise must be financed by the owners of the major league soccer team, unless otherwise agreed to by the authority.

Subd. 16. **NFL team-related entities.** Subject to the prior approval of the authority, which shall not be unreasonably withheld, any of the obligations by the NFL team may be performed by the NFL team, a related entity, or a third party, and the NFL team, any entity related to the NFL team or third party may receive any revenues to which the NFL team is entitled hereunder; provided, however, the NFL team shall remain liable if any obligations are assigned to a related entity or third party.

Sec. 20. [473J.17] MUNICIPAL ACTIVITIES.

Subdivision 1. **Property acquisition and disposition.** The city may, to the extent legally permissible, acquire land, air rights, and other property interests within the development area for the stadium site and stadium infrastructure and convey it to the authority with or without consideration, prepare a site for development as a stadium, and acquire and construct any related

stadium infrastructure. To the extent property parcels or interests acquired are more extensive than the stadium infrastructure requirements, the city may sell or otherwise dispose of the excess.

Subd. 2. **Claims.** Except as may be mutually agreed to by the city and the authority, the city has no interest in or claim to any assets or revenues of the authority.

Subd. 3. **Environmental; planning and zoning.** The authority is the responsible governmental unit for an environmental impact statement for the stadium prepared under section 116D.04, if an environmental impact statement is necessary. Notwithstanding section 116D.04, subdivision 2b, and implementing rules: (1) the environmental impact statement shall not be required to consider alternative stadium sites; and (2) the environmental impact statement must be determined to be adequate before commencing work on the foundation of the stadium, but the stadium and stadium infrastructure may otherwise be started and all preliminary and final government decisions and actions may be made and taken including, but not limited to, acquiring land; obtaining financing; granting permits or other land use approvals; entering into grant, lease, or use agreements; or preparing the site or related stadium infrastructure prior to a determination of the adequacy of the environmental impact statement.

Subd. 4. **Local government expenditure.** The city may make expenditures or grants for other costs incidental and necessary to further the purposes of this chapter and may, by agreement, reimburse in whole or in part, any entity that has granted, loaned, or advanced funds to the city to further the purposes of this chapter. The city may reimburse the authority or a local governmental entity or make a grant to the authority or such a governmental unit or be reimbursed by the authority or local governmental entity for site acquisition, preparation of the site for stadium development, and stadium infrastructure.

Subd. 5. **Municipal authority.** The legislature intends that, except as expressly limited herein, the city may acquire and develop stadium infrastructure, enter into contracts with the authority and other governmental or nongovernmental entities, appropriate funds, and make employees, consultants, and other revenues available for those purposes.

Subd. 6. **Stadium Implementation Committee; city review.** In order to accomplish the objectives of this act within the required time frame, it is necessary to establish an alternative process for municipal land use and development review. It is hereby found and declared that the construction of a stadium within the development area is consistent with the adopted area plan, is the preferred stadium location, and is a permitted land use. This subdivision establishes a procedure for all land use and development reviews and approvals by the city of Minneapolis for the stadium and related stadium infrastructure and supersedes all land use and development rules and restrictions and procedures imposed by other law, charter, or ordinance, including without limitation section 15.99. No later than 30 days after timely compliance of the city as provided in article 3, section 7, of this act, the city of Minneapolis shall establish a stadium implementation committee to make recommendations on the design plans submitted for the stadium, and stadium infrastructure, and related improvements. The implementation committee must take action to issue its recommendations within the time frames established in the planning and construction timetable issued by the authority which shall provide for no less than 60 days for the committee's review. The recommendations of the implementation committee shall be forwarded to the city of Minneapolis Planning Commission for an advisory recommendation and then to the city council for final action in a single resolution, which final action must be taken within 45 days of the submission of the recommendations to the planning commission. The city council shall not impose any unreasonable

conditions on the recommendations of the implementation committee, nor take any action or impose any conditions that will result in delay from the time frames established in the planning and construction timetable or in additional overall costs. Failure of the city council to act within the 45-day period shall be deemed to be approval. The authority may seek de novo review in the district court of any city council action. The district court or any appellate court shall expedite review to the maximum extent possible and timely issue relief, orders, or opinions as necessary to give effect to the provisions and objectives in this act.

Sec. 21. [473J.19] PROPERTY TAX EXEMPTION; SPECIAL ASSESSMENTS.

Any real or personal property acquired, owned, leased, controlled, used, or occupied by the authority for any of the purposes of this chapter, is acquired, owned, leased, controlled, used, and occupied for public, governmental, and municipal purposes. The stadium and stadium infrastructure are exempt from ad valorem taxation by the state or any political subdivision of the state provided that the properties are subject to special assessments levied by a political subdivision for a local improvement in amounts proportionate to and not exceeding the special benefit received by the properties from the improvement. No possible use of any of the properties in any manner different from their use under this chapter may be considered in determining the special benefit received by the properties. Notwithstanding section 272.01, subdivision 2, or 273.19, real or personal property which is subject to a lease or use agreement between the authority and another person for uses related to the purposes of this chapter, including the operation of the stadium and related parking facilities, is exempt from taxation regardless of the length of the lease or use agreement or the characteristics of the entity leasing or using the property. This section, insofar as it provides an exemption or special treatment, does not apply to any real property that is leased for residential, business, or commercial development or to a restaurant that is open for general business more than 200 days a year, or other purposes different from those contemplated in this chapter.

Sec. 22. [473J.21] LIQUOR LICENSES.

At the request of the authority, the city may issue intoxicating liquor licenses that are reasonably required for the premises of the stadium site. These licenses are in addition to the number authorized by law. All provisions of chapter 340A not inconsistent with this section apply to the licenses authorized under this section.

Sec. 23. [473J.23] LOCAL TAXES.

No new or additional local sales or use tax shall be imposed on sales at the stadium site unless the tax is applicable throughout the taxing jurisdiction. Except for a tax imposed under section 16A.1524, no new or additional local tax shall be imposed on sales of tickets and admissions to NFL team, NFL team-owned major league soccer, or other team related events at the stadium, notwithstanding any law or ordinance, unless the tax is applicable throughout the taxing jurisdiction. The admissions and amusements tax currently imposed by the city of Minneapolis pursuant to Laws 1969, chapter 1092, may apply to admissions for football and NFL team related events, including NFL team-owned major league soccer, as provided in section 473J.15, subdivision 15, at the stadium.

Sec. 24. [473J.25] METROPOLITAN SPORTS FACILITIES COMMISSION ASSETS; LIABILITIES TO AUTHORITY.

Subdivision 1. **Authority expenses.** The Metropolitan Sports Facilities Commission shall pay

the operating expenses of the authority including salaries, compensation, and other personnel, office, equipment, consultant and any other costs, until the commission is abolished pursuant to subdivision 3.

Subd. 2. **Transfer.** Within 90 days of the enactment of this chapter, the Metropolitan Sports Facilities Commission shall pay its outstanding obligations, settle its accounts, and transfer its remaining assets, liabilities, and obligations to the authority, for its purposes.

Subd. 3. **Metropolitan Sports Facilities Commission abolished; interim powers conferred on authority.** Upon transfer to the authority of all remaining assets, liabilities, and obligations of the Metropolitan Sports Facilities Commission, in subdivision 2, the Metropolitan Sports Facilities Commission is abolished. When the remaining assets, liabilities, and obligations of the Metropolitan Sports Facilities Commission have been transferred to the authority and the commission has been abolished, the powers and duties of the commission under sections 473.551 to 473.599, and any other law shall devolve upon the authority, in addition to the powers and duties of the authority under chapter 473J, until the first NFL home game is played at the stadium.

Subd. 4. **Employees.** Upon transfer of ownership all persons employed by the Metropolitan Sports Facilities Commission shall be transferred to the Minnesota Sports Facilities Authority without loss of right or privilege. Nothing in this section shall be construed to give any such person the right or privilege to continue in the same level or classification of employment previously held. The Minnesota Sports Facilities Authority may assign any such person to an employment level and classification which it deems appropriate and desirable in accordance with its personnel code.

Subd. 5. **Conforming changes.** The Metropolitan Sports Facilities Commission shall submit a technical bill to the 2013 legislature making any cross-reference, grammatical, or other conforming changes necessary as a result of this act. This bill shall be submitted by February 12, 2013.

Sec. 25. **EFFECTIVE DATE.**

Except as otherwise provided, this article is effective the day following final enactment.

ARTICLE 2

STATE STADIUM FUNDING

Section 1. **[16A.965] STADIUM APPROPRIATION BONDS.**

Subdivision 1. **Definitions.** (a) The definitions in this subdivision and in chapter 473J apply to this section.

(b) "Appropriation bond" means a bond, note, or other similar instrument of the state payable during a biennium from one or more of the following sources:

(1) money appropriated by law from the general fund in any biennium for debt service due with respect to obligations described in subdivision 2, paragraph (b);

(2) proceeds of the sale of obligations described in subdivision 2, paragraph (b);

(3) payments received for that purpose under agreements and ancillary arrangements described in subdivision 2, paragraph (d); and

(4) investment earnings on amounts in clauses (1) to (3).

(c) "Debt service" means the amount payable in any biennium of principal, premium, if any, and interest on appropriation bonds.

Subd. 2. **Authorization to issue appropriation bonds.** (a) Subject to the limitations of this subdivision, the commissioner may sell and issue appropriation bonds of the state under this section for public purposes as provided by law, including, in particular, the financing of all or a portion of the acquisition, construction, improving, and equipping of the stadium project of the Minnesota Sports Facilities Authority as provided by chapter 473J. Proceeds of the appropriation bonds must be credited to a special appropriation stadium bond proceeds fund in the state treasury. Net income from investment of the proceeds, as estimated by the commissioner, must be credited to the special appropriation stadium bond proceeds fund.

(b) Appropriation bonds may be sold and issued in amounts that, in the opinion of the commissioner, are necessary to provide sufficient funds, not to exceed \$498,000,000 net of costs of issuance, revenue generated under section 16A.6455, and allocated by the commissioner of management and budget for this purpose and costs of credit enhancement for achieving the purposes authorized as provided under paragraph (a), and pay debt service including capitalized interest, pay costs of issuance, make deposits to reserve funds, pay the costs of credit enhancement, or make payments under other agreements entered into under paragraph (d); provided, however, that appropriation bonds issued and unpaid shall not exceed \$600,000,000 in principal amount, excluding refunding bonds sold and issued under subdivision 4.

(c) Appropriation bonds may be issued from time to time in one or more series on the terms and conditions the commissioner determines to be in the best interests of the state, but the term on any series of appropriation bonds may not exceed 30 years. The appropriation bonds of each issue and series thereof shall be dated and bear interest, and may be includable in or excludable from the gross income of the owners for federal income tax purposes.

(d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any time thereafter, so long as the appropriation bonds are outstanding, the commissioner may enter into agreements and ancillary arrangements relating to the appropriation bonds, including but not limited to trust indentures, grant agreements, lease or use agreements, operating agreements, management agreements, liquidity facilities, remarketing or dealer agreements, letter of credit agreements, insurance policies, guaranty agreements, reimbursement agreements, indexing agreements, or interest exchange agreements. Any payments made or received according to the agreement or ancillary arrangement shall be made from or deposited as provided in the agreement or ancillary arrangement. The determination of the commissioner included in an interest exchange agreement that the agreement relates to an appropriation bond shall be conclusive.

(e) The commissioner may enter into written agreements or contracts relating to the continuing disclosure of information necessary to comply with, or facilitate the issuance of appropriation bonds in accordance with federal securities laws, rules, and regulations, including Securities and Exchange Commission rules and regulations in Code of Federal Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants with purchasers and holders of appropriation bonds set forth in the order or resolution authorizing the issuance of the appropriation bonds, or a separate document authorized by the order or resolution.

(f) The appropriation bonds are not subject to chapter 16C.

Subd. 3. **Form; procedure.** (a) Appropriation bonds may be issued in the form of bonds, notes, or other similar instruments, and in the manner provided in section 16A.672. In the event that any provision of section 16A.672 conflicts with this section, this section shall control.

(b) Every appropriation bond shall include a conspicuous statement of the limitation established in subdivision 6.

(c) Appropriation bonds may be sold at either public or private sale upon such terms as the commissioner shall determine are not inconsistent with this section and may be sold at any price or percentage of par value. Any bid received may be rejected.

(d) Appropriation bonds must bear interest at a fixed or variable rate.

(e) Notwithstanding any other law, appropriation bonds issued under this section shall be fully negotiable.

Subd. 4. **Refunding bonds.** The commissioner from time to time may issue appropriation bonds for the purpose of refunding any appropriation bonds then outstanding, including the payment of any redemption premiums on the bonds, any interest accrued or to accrue to the redemption date, and costs related to the issuance and sale of the refunding bonds. The proceeds of any refunding bonds may, in the discretion of the commissioner, be applied to the purchase or payment at maturity of the appropriation bonds to be refunded, to the redemption of the outstanding appropriation bonds on any redemption date, or to pay interest on the refunding bonds and may, pending application, be placed in escrow to be applied to the purchase, payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be invested and reinvested in obligations that are authorized investments under section 11A.24. The income earned or realized on the investment may also be applied to the payment of the appropriation bonds to be refunded or interest or premiums on the refunded appropriation bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been fully satisfied, any balance of the proceeds and any investment income may be returned to the general fund or, if applicable, the special appropriation stadium bond proceeds fund for use in any lawful manner. All refunding bonds issued under this subdivision must be prepared, executed, delivered, and secured by appropriations in the same manner as the appropriation bonds to be refunded.

Subd. 5. **Appropriation bonds as legal investments.** Any of the following entities may legally invest any sinking funds, money, or other funds belonging to them or under their control in any appropriation bonds issued under this section:

(1) the state, the investment board, public officers, municipal corporations, political subdivisions, and public bodies;

(2) banks and bankers, savings and loan associations, credit unions, trust companies, savings banks and institutions, investment companies, insurance companies, insurance associations, and other persons carrying on a banking or insurance business; and

(3) personal representatives, guardians, trustees, and other fiduciaries.

Subd. 6. **No full faith and credit; state not required to make appropriations.** The appropriation bonds are not public debt of the state, and the full faith, credit, and taxing powers of the state are not pledged to the payment of the appropriation bonds or to any payment that the state agrees to make under this section. Appropriation bonds shall not be obligations paid directly, in

whole or in part, from a tax of statewide application on any class of property, income, transaction, or privilege. Appropriation bonds shall be payable in each fiscal year only from amounts that the legislature may appropriate for debt service for any fiscal year, provided that nothing in this section shall be construed to require the state to appropriate funds sufficient to make debt service payments with respect to the appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no longer be outstanding on the earlier of (1) the first day of a fiscal year for which the legislature shall not have appropriated amounts sufficient for debt service, or (2) the date of final payment of the principal of and interest on the appropriation bonds.

Subd. 7. **Appropriation of proceeds.** The proceeds of appropriation bonds and interest credited to the special appropriation stadium bond proceeds fund are appropriated to the commissioner for payment of capital expenses including capitalized interest, debt service on outstanding indebtedness of the state, and for the operating and capital reserves of the authority, each as permitted by state and federal law, and nonsalary expenses incurred in conjunction with the sale of the appropriation bonds, and such proceeds may be granted, loaned, or otherwise provided to the authority for the public purpose provided by subdivision 2, paragraph (a).

Subd. 8. **Appropriation for debt service and other purposes.** The amount needed to pay principal and interest on appropriation bonds issued under this section is appropriated each fiscal year from the general fund to the commissioner, subject to repeal, unallotment under section 16A.152, or cancellation, otherwise pursuant to subdivision 6, for deposit into the bond payments account established for such purpose in the special appropriation stadium bond proceeds fund.

Subd. 9. **Waiver of immunity.** The waiver of immunity by the state provided for by section 3.751, subdivision 1, shall be applicable to the appropriation bonds and any ancillary contracts to which the commissioner is a party.

Subd. 10. **Validation.** (a) Appropriation bonds issued under this section may be validated in the manner provided by this subdivision. If comparable appropriation bonds are judicially determined to be valid, nothing in this subdivision shall be construed to prevent the sale or delivery of any appropriation bonds or notes without entry of a judgment of validation by the Minnesota Supreme Court pursuant to this subdivision with respect to the appropriation bonds authorized under this section.

(b) Any appropriation bonds issued under this section that are validated shall be validated in the manner provided by this subdivision.

(c) The Minnesota Supreme Court shall have original jurisdiction to determine the validation of appropriation bonds and all matters connected therewith.

(d) The commissioner may determine the commissioner's authority to issue appropriation bonds and the legality of all proceedings in connection with issuing bonds. For this purpose, a complaint shall be filed by the commissioner in the Minnesota Supreme Court against the state and the taxpayers and citizens.

(e) As a condition precedent to filing of a complaint for the validation of appropriation bonds, the commissioner shall take action providing for the issuance of appropriation bonds in accordance with law.

(f) The complaint shall set out the state's authority to issue appropriation bonds, the action or

proceeding authorizing the issue and its adoption, all other essential proceedings had or taken in connection with issuing bonds, the amount of the appropriation bonds to be issued and the maximum interest they are to bear, and all other pertinent matters.

(g) The Minnesota Supreme Court shall issue an order directed against the state and taxpayers, citizens, and others having or claiming any right, title, or interest affected by the issuance of appropriation bonds, or to be affected by the bonds, allowing all persons, in general terms and without naming them, and the state through its attorney general, to appear before the Minnesota Supreme Court at a designated time and place and show why the complaint should not be granted and the proceedings and appropriation bonds validated. A copy of the complaint and order shall be served on the attorney general at least 20 days before the time fixed for hearing. The attorney general shall examine the complaint, and, if it appears or there is reason to believe that it is defective, insufficient, or untrue, or if in the opinion of the attorney general the issuance of the appropriation bonds in question has not been duly authorized, defense shall be made by the attorney general as the attorney general deems appropriate.

(h) Before the date set for hearing, as directed by the Minnesota Supreme Court, either the clerk of the Minnesota appellate courts or the commissioner shall publish a copy of the order in a legal newspaper of general circulation in Ramsey County and the state, at least once each week for two consecutive weeks, commencing with the first publication, which shall not be less than 20 days before the date set for hearing. By this publication, all taxpayers, citizens, and others having or claiming any right, title, or interest in the state, are made parties defendant to the action and the Minnesota Supreme Court has jurisdiction of them to the same extent as if named as defendants in the complaint and personally served with process.

(i) Any taxpayer, citizen, or person interested may become a party to the action by moving against or pleading to the complaint at or before the time set for hearing. The Minnesota Supreme Court shall determine all questions of law and fact and make orders that will enable it to properly try and determine the action and render a final judgment within 30 days of the hearing with the least possible delay.

(j) If the judgment validates appropriation bonds, the judgment is forever conclusive as to all matters adjudicated and as against all parties affected and all others having or claiming any right, title, or interest affected by the issuance of appropriation bonds, or to be affected in any way by issuing the bonds, and the validity of appropriation bonds or of any revenues pledged for the payment of the bonds, or of the proceedings authorizing the issuance of the bonds, including any remedies provided for their collection, shall never be called in question in any court by any person or party.

(k)(1) Appropriation bonds, when validated under this section, shall have stamped or written on the bonds, by the proper officers of the state issuing them, a statement in substantially the following form: "This appropriation bond is one of a series of appropriation bonds which were validated by judgment of the Supreme Court of the State of Minnesota, rendered on , (year)".

(2) A certified copy of the judgment or decree shall be received as evidence in any court in this state.

(l) The costs shall be paid by the state, except when a taxpayer, citizen, or other person contests the action or intervenes, the court may tax the whole or any part of the costs against the person that is equitable.

(m) A justice of the Minnesota Supreme Court is not disqualified in any validation action because the justice is a landowner or taxpayer of the state.

ARTICLE 3

MINNEAPOLIS CONVENTION CENTER

Section 1. [297A.994] CITY OF MINNEAPOLIS SALES TAX; ALLOCATION OF REVENUES.

Subdivision 1. **Scope.** Notwithstanding the provisions of section 297A.99, subdivision 11, the provisions of this section govern the remittance of the proceeds of taxes imposed by the city of Minneapolis under the special law.

Subd. 2. **Definitions.** (a) For purposes of this section, the following definitions apply.

(b) "City" means the city of Minneapolis.

(c) "Special law" means Laws 1986, chapter 396, sections 4 and 5, as amended.

(d) "Tax" means the sales taxes imposed by the city under the special law.

(e) The terms defined under section 473J.03 apply for purposes of this section.

Subd. 3. **General allocation of revenues.** The commissioner shall remit the revenues from the taxes, less the deductions listed in this subdivision, to the city at least quarterly. The commissioner shall make the following deductions in the order listed before distribution to the city:

(1) refunds of any of these taxes due to taxpayers, if any;

(2) the direct and indirect costs of the department to administer, audit, and collect the tax, according to the applicable law and agreements between the commissioner and the city. For revenues from the general local sales and use tax, the commissioner must deduct a proportionate share of costs described in section 297A.99, subdivision 11; and

(3) notwithstanding the provisions of any agreement between the commissioner and the city providing for collection and remittance of these taxes, the commissioner must deposit to the general fund the amounts specified in subdivision 4.

Subd. 4. **General fund allocations.** The commissioner must retain and deposit to the general fund the following amounts, as required by subdivision 3, clause (3):

(1) for state bond debt service support beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, periodic amounts so that not later than December 31, 2046, an aggregate amount equal to a present value of \$150,000,000 has been deposited in the general fund. To determine aggregate present value, the commissioner must consult with the commissioner of management and budget regarding the present value dates, discount rate or rates, and schedules of annual amounts. The present value date or dates must be based on the date or dates bonds are sold under section 16A.965, or the date or dates other state funds, if any, are deposited into the construction fund. The discount rate or rates must be based on the true interest cost of the bonds issued under section 16A.965, or an equivalent 30-year bond index, as determined by the commissioner of management and budget. The schedule of annual amounts must be certified to the

commissioner by the commissioner of management and budget and the finance officer of the city;

(2) for the capital improvement reserve appropriation to the sports facilities authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, an aggregate annual amount equal to the amount paid by the state for this purpose in that calendar year under section 473J.13, subdivision 4;

(3) for the operating expense appropriation to sports facilities authority beginning in calendar year 2021, and for each calendar year thereafter through calendar year 2046, an aggregate annual amount equal to the amount paid by the state for this purpose in that calendar year under section 473J.13, subdivision 2;

(4) for recapture of state advances for capital improvements and operating expenses for calendar years 2016 through 2020 beginning in calendar year 2021, and for each calendar year thereafter until all amounts under this clause have been paid, proportionate amounts periodically until an aggregate amount equal to the present value of all amounts paid by the state have been deposited in the general fund. To determine the present value of the amounts paid by the state to the authority and the present value of amounts deposited to the general fund under this clause, the commissioner shall consult with the commissioner of management and budget regarding the present value dates, discount rate or rates, and schedule of annual amounts. The present value dates must be based on the dates state funds are paid to the authority, or the dates the commissioner of revenue deposits taxes for purposes of this clause to the general fund. The discount rates must be based on the reasonably equivalent cost of state funds as determined by the commissioner of management and budget. The schedule of annual amounts must be revised to reflect amounts paid under section 473J.13, subdivision 2, paragraph (b) for 2016 to 2020, and subdivision 4, paragraph (c) for 2016 to 2020, and taxes deposited to the general fund from time to time under this clause, and the schedule and revised schedules must be certified to the commissioner by the commissioner of management and budget and the finance officer of the city, and are transferred as accrued from the general fund for repayment of advances made by the state to the authority; and

(5) to capture increases in taxes imposed under the special law, for the benefit of the sports facilities authority, beginning in calendar year 2013 and for each calendar year thereafter through 2046, there shall be deposited to the general fund in proportionate periodic payments in the following year, an amount equal to the following:

(i) 50 percent of the difference, if any, by which the amount of the net annual taxes for the previous year exceeds the sum of the net actual taxes in calendar year 2011 plus \$1,000,000, inflated at two percent per year since 2011, minus

(ii) 25 percent of the difference, if any, by which the amount of the net annual taxes for the preceding year exceeds the sum of the net actual taxes in calendar year 2011 plus \$3,000,000, inflated at two percent per year since 2011.

Sec. 2. Laws 1986, chapter 396, section 4, as amended by Laws 1987, chapter 55, sections 5 and 6, and Laws 2009, chapter 88, article 4, sections 11 and 12, is amended to read:

Sec. 4. SALES AND USE TAX.

Subdivision 1. **Imposition.** Notwithstanding Minnesota Statutes, section 477A.016, or any other contrary provision of law, ordinance, or city charter, upon approval by the city's board of estimate

and taxation by a vote of at least five members, the city of Minneapolis may by ordinance impose an additional sales tax of up to one-half of one percent on sales taxable pursuant to Minnesota Statutes, chapter 297A that occur within the city, and may also by ordinance impose an additional compensating use tax of up to one-half of one percent on uses of property within the city, the sale of which would be subject to the additional sales tax but for the fact such property was sold outside the city. The tax may not be imposed on gross receipts from sales of intoxicating liquor that are exempt from taxation under sections 297A.25 to 297A.257 or other provision of chapter 297A exempting sales of intoxicating liquor and use from taxation, including amendments adopted after enactment of this act is imposed on the tax base defined in Minnesota Statutes, section 297A.99, subdivision 4, and is subject to the exemptions and credits in Minnesota Statutes, section 297A.99, subdivisions 7 and 8.

For purposes of this subdivision, sales that occur within the city shall not include (a) the sale of tangible personal property (i) which, without intermediate use, is shipped or transported outside Minneapolis by the purchaser and thereafter used in a trade or business or is stored, processed, fabricated or manufactured into, attached to or incorporated into other tangible personal property transported or shipped outside Minneapolis and thereafter used in a trade or business outside Minneapolis, and which is not thereafter returned to a point within Minneapolis, except in the course of interstate or intrastate commerce (storage shall not constitute intermediate use); or (ii) which the seller delivers to a common carrier for delivery outside Minneapolis, places in the United States mail or parcel post directed to the purchaser outside Minneapolis, or delivers to the purchaser outside Minneapolis by means of the seller's own delivery vehicles, and which is not thereafter returned to a point within Minneapolis, except in the course of interstate or intrastate commerce; or (b) sales which would be described in clause (e) or (u) of Minnesota Statutes, section 297A.25, subdivision 1 if the word "Minneapolis" were substituted for the words "Minnesota" or "state of Minnesota" in such clauses. A tax may be imposed under this section only if the taxes imposed under section 5 are imposed at the maximum rate allowed under that section. The tax authorized by this section shall be imposed, must not be terminated before January 1, 2047. The tax must be imposed and may be adjusted periodically by the city council in conformity with Minnesota Statutes, section 297A.99, subdivision 12, such that the rate imposed, rounded to the next highest one-tenth of one percent, does not exceed the rate estimated to be required to produce revenue sufficient to finance the costs purposes described in subdivision subdivisions 3 and 4, and in Minnesota Statutes, section 297A.994, but in no case may the rate exceed one-half of one percent.

Subd. 2. **Enforcement; collection.** (a) Except as provided in paragraph (b), these taxes shall be subject to the same interest, penalties, and other rules imposed under Minnesota Statutes, chapter 297A. The commissioner of revenue may enter into appropriate agreements with the city to provide for collection of these taxes by the state on behalf of the city. The commissioner may charge the city a reasonable fee for its collection from the proceeds of any taxes, as provided in Minnesota Statutes, section 297A.99, subdivision 11.

(b) A taxpayer located outside of the city of Minneapolis who collects use tax under this section in an amount that does not exceed \$10 in a reporting period is not required to remit that tax until the amount of use tax collected is \$10.

Subd. 3. **Use of property.** Revenues received by the city from the tax may only be used:

(1) to pay costs of collection;

~~(2)~~ (1) to pay or secure the payment of any principal of, premium or interest on bonds issued in accordance with this act;

~~(3)~~ (2) to pay costs to acquire, design, equip, construct, improve, maintain, operate, administer, or promote the convention center or related facilities, and other capital projects or economic developments under subdivision 4, including financing costs related to them;

~~(4)~~ (3) to pay reasonable and appropriate costs determined by the city to replace housing and the ice arena removed from the site;

~~(5)~~ (4) to maintain reserves for the foregoing purposes deemed reasonable and appropriate by the city; and

~~(6)~~ (5) to fund projects and for other purposes under subdivision 4.

Money for replacement housing shall be made available by the city only for new construction, conversion of nonresidential buildings, and for rehabilitation of vacant residential structures, only if all of the units in the newly constructed building, converted nonresidential building, or rehabilitated residential structure are to be used for replacement housing.

Subd. 4. **Minneapolis downtown and neighborhood projects.** (a) For revenues collected in calendar years 2009 and 2010, to the extent that revenues from the tax authorized in subdivision 1 exceeds the amount needed to fund the purposes in subdivision 3, the city may use the excess revenue to fund any city services.
