MANUFACTURED HOMES

Section 1. Minnesota Statutes 2012, section 327B.04, subdivision 4, is amended to read:

Subd. 4. **License prerequisites.** No application shall be granted nor license issued until the applicant proves to the commissioner that:

The owner of a licensed manufactured home park who resides in or adjacent to the park may use the residence as the established place of business required by this subdivision, unless prohibited by local zoning ordinance.

If a license is granted, the licensee may use unimproved lots and premises for sale, storage, and display of manufactured homes, if the licensee first notifies the commissioner in writing;

(b) if the applicant desires to sell, solicit or advertise the sale of new manufactured homes, it has a bona fide contract or franchise in effect with a manufacturer or distributor of the new manufactured home it proposes to deal in;

(c) the applicant has secured: (1) a surety bond in the amount of \$20,000 for each agency and each subagency location that bears the applicant's name and the name under which the applicant will be licensed and do business in this state. Each bond is for the protection of consumer customers, and must be executed by the applicant as principal and issued by a surety company admitted to do business in this state. Each bond shall be exclusively for the purpose of reimbursing consumer customers and shall be conditioned upon the faithful compliance by the applicant with all of the laws and rules of this state pertaining to the applicant's business as a dealer or manufacturer, including sections 325D.44, 325F.67 and 325F.69, and upon the applicant's faithful performance of all its legal obligations to consumer customers; and (2) a certificate of liability insurance in the amount of \$1,000,000 that provides aggregate coverage for the agency and each subagency location. In the event of a policy cancellation, the insurer shall send written notice to the commissioner at the same time that a cancellation request is received from or a notice is sent to the insured;

(d) the applicant has established a trust account as required by section 327B.08, subdivision 3, unless the applicant states in writing its intention to limit its business to selling, offering for sale, soliciting or advertising the sale of new manufactured homes; and

(e) the applicant has provided evidence of having had at least two years' prior experience in the sale of manufactured homes, working for a licensed dealer. The applicant does not have to satisfy the two-year prior experience requirement if the applicant:

(c) **Criminal background checks.** Criminal history record information obtained by a health-related licensing board is classified under section 214.075, subdivision 7.

Sec. 2. **[214.075] HEALTH-RELATED LICENSING BOARDS; CRIMINAL BACKGROUND CHECKS.**

Subdivision 1. **Applications.** (a) By January 1, 2018, each health-related licensing board, as defined in section 214.01, subdivision 2, shall require applicants for initial licensure, licensure by endorsement, or reinstatement or other relicensure after a lapse in licensure, as defined by the individual health-related licensing boards to submit to a criminal history records check of state data completed by the Bureau of Criminal Apprehension (BCA) and a national criminal history records check, including a search of the records of the Federal Bureau of Investigation (FBI).

(b) An applicant must complete a criminal background check if more than one year has elapsed since the applicant last submitted a background check to the board.

Subd. 2. **Investigations.** If a health-related licensing board has reasonable cause to believe a licensee has been charged with or convicted of a crime in this or any other jurisdiction, the health-related licensing board may require the licensee to submit to a criminal history records check of state data completed by the BCA and a national criminal history records check, including a search of the records of the FBI.

Subd. 3. **Consent form; fees; and fingerprints.** In order to effectuate the federal and state level, fingerprint-based criminal background check, the applicant or licensee must submit a completed criminal history records check consent form and a full set of fingerprints to the respective health-related licensing board or a designee in the manner and form specified by the board. The applicant or licensee is responsible for all fees associated with preparation of the fingerprints, the criminal records check consent form, and the criminal background check. The fees for the criminal records background check shall be set by the BCA and the FBI and are not refundable.

Subd. 4. **Refusal to consent.** (a) The health-related licensing boards shall not issue a license to any applicant who refuses to consent to a criminal background check or fails to submit fingerprints within 90 days after submission of an application for licensure. Any fees paid by the applicant to the board shall be forfeited if the applicant refuses to consent to the criminal background check or fails to submit the required fingerprints.

(b) The failure of a licensee to submit to a criminal background check as provided in subdivision 3 is grounds for disciplinary action by the respective health licensing board.

Subd. 5. **Submission of fingerprints to the Bureau of Criminal Apprehension.** The health-related licensing board or designee shall submit applicant or licensee fingerprints to the BCA. The BCA shall perform a check for state criminal justice information and shall forward the applicant's or licensee's fingerprints to the FBI to perform a check for national criminal justice information regarding the applicant or licensee. The BCA shall report to the board or the commissioner the results of the state and national criminal justice information checks.

Subd. 6. **Alternatives to fingerprint-based criminal background checks.** The health-related licensing board may require an alternative method of criminal history checks for an applicant or licensee who has submitted at least three sets of fingerprints in accordance with this section that have been unreadable by the BCA or the FBI.

Subd. 7. **Data practices.** (a) State criminal history record information obtained by the health-related licensing board under this section is private data on individuals under section 13.02, subdivision 12.

(b) National criminal history record information obtained by the health-related licensing board under this section is confidential data on individuals under section 13.02, subdivision 3.

Subd. 8. **Opportunity to challenge accuracy of report.** Prior to taking disciplinary action against an applicant or a licensee based on a criminal conviction, the health-related licensing board shall provide the applicant or the licensee an opportunity to complete or challenge the accuracy of the criminal history information reported to the board. The applicant or licensee shall have 30 calendar days following notice from the board of the intent to deny licensure or to take disciplinary action to request an opportunity to correct or complete the record prior to the board taking disciplinary action based on the information reported to the board. The board shall provide the applicant up to 180 days to challenge the accuracy or completeness of the report with the agency responsible for the record.

Subd. 9. **Instructions to the board; plans.** The health-related licensing boards, in collaboration with the commissioner of human services and the BCA, shall establish a plan for completing criminal background checks of all licensees who were licensed before the effective date requirement under subdivision 1. The plan must seek to minimize duplication of requirements for background checks of licensed health professionals. The plan for background checks of current licensees shall be developed no later than January 1, 2017, and may be contingent upon the implementation of a system by the BCA or FBI in which any new crimes that an applicant or licensee commits after an initial background check are flagged in the BCA's or FBI's database and reported back to the board. The plan shall include recommendations for any necessary statutory changes.

Sec. 3. INCLUSION OF OTHER HEALTH-RELATED OCCUPATIONS TO CRIMINAL BACKGROUND CHECKS.

(a) If the Department of Health is not reviewed by the Sunset Advisory Commission according to the schedule in Minnesota Statutes, section 3D.21, the commissioner of health, as the regulator for occupational therapy practitioners, speech-language pathologists, audiologists, and hearing instrument dispensers, shall require applicants for licensure or renewal to submit to a criminal history records check as required under Minnesota Statutes, section 214.075, for other health-related licensed occupations regulated by the health-related licensing boards.

(b) Any statutory changes necessary to include the commissioner of health to Minnesota Statutes, section 214.075, shall be included in the plan required in Minnesota Statutes, section 214.075, subdivision 9.
