(2) a license holder, a controlling individual, or an individual living in the household where the licensed services are provided or is otherwise subject to a background study has a disqualification which has not been set aside under section 245C.22;

(3) a license holder knowingly withholds relevant information from or gives false or misleading information to the commissioner in connection with an application for a license, in connection with the background study status of an individual, during an investigation, or regarding compliance with applicable laws or rules; or

(4) after July 1, 2012, and upon request by the commissioner, a license holder fails to submit the information required of an applicant under section 245A.04, subdivision 1, paragraph (f) or (g).

A license holder who has had a license suspended, revoked, or has been ordered to pay a fine must be given notice of the action by certified mail or personal service. If mailed, the notice must be mailed to the address shown on the application or the last known address of the license holder. The notice must state in plain language the reasons the license was suspended, or revoked, or a fine was ordered.

(b) If the license was suspended or revoked, the notice must inform the license holder of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking a license. The appeal of an order suspending or revoking a license must be made in writing by certified mail or personal service. If mailed, the appeal must be postmarked and sent to the commissioner within ten calendar days after the license holder receives notice that the license has been suspended or revoked. If a request is made by personal service, it must be received by the commissioner within ten calendar days after

the license holder received the order. Except as provided in subdivision 2a, paragraph (c), if a license holder submits a timely appeal of an order suspending or revoking a license, the license holder may continue to operate the program as provided in section 245A.04, subdivision 7, paragraphs (g) and (h), until the commissioner issues a final order on the suspension or revocation.

(c)(1) If the license holder was ordered to pay a fine, the notice must inform the license holder of the responsibility for payment of fines and the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an order to pay a fine must be made in writing by certified mail or personal service. If mailed, the appeal must be postmarked and sent to the commissioner within ten calendar days after the license holder receives notice that the fine has been ordered. If a request is made by personal service, it must be received by the commissioner within ten calendar days after the license holder received the order.

(2) The license holder shall pay the fines assessed on or before the payment date specified. If the license holder fails to fully comply with the order, the commissioner may issue a second fine or suspend the license until the license holder complies. If the license holder receives state funds, the state, county, or municipal agencies or departments responsible for administering the funds shall withhold payments and recover any payments made while the license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine until the commissioner issues a final order.

(3) A license holder shall promptly notify the commissioner of human services, in writing, when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the commissioner determines that a violation has not been corrected as indicated by the order to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify the license holder by certified mail or personal service that a second fine has been assessed. The license holder may appeal the second fine as provided under this subdivision.

(4) Fines shall be assessed as follows:

(i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a child under section 626.556 or the maltreatment of a vulnerable adult under section 626.557 for which the license holder is determined responsible for the maltreatment under section 626.556, subdivision 10e, paragraph (i), or 626.557, subdivision 9c, paragraph (c);

(ii) if the commissioner determines that a determination of maltreatment for which the license holder is responsible is the result of maltreatment that meets the definition of serious maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit \$5,000;

(iii) for a program that operates out of the license holder's home and a program licensed under Minnesota Rules, parts 9502.0300 to 9502.0495, the fine assessed against the license holder shall not exceed \$1,000 for each determination of maltreatment;

(iv) the license holder shall forfeit \$200 for each occurrence of a violation of law or rule governing matters of health, safety, or supervision, including but not limited to the provision of adequate staff-to-child or adult ratios, and failure to comply with background study requirements under chapter 245C; and

(v) the license holder shall forfeit \$100 for each occurrence of a violation of law or rule other than those subject to a \$5,000, \$1,000, or \$200 fine in items (i) to (iv).

For purposes of this section, "occurrence" means each violation identified in the commissioner's fine order. Fines assessed against a license holder that holds a license to provide home and community-based services, as identified in section 245D.03, subdivision 1, and a community residential setting or day services facility license under chapter 245D where the services are provided, may be assessed against both licenses for the same occurrence, but the combined amount of the fines shall not exceed the amount specified in this clause for that occurrence.

(5) When a fine has been assessed, the license holder may not avoid payment by closing, selling, or otherwise transferring the licensed program to a third party. In such an event, the license holder will be personally liable for payment. In the case of a corporation, each controlling individual is personally and jointly liable for payment.

(d) Except for background study violations involving the failure to comply with an order to immediately remove an individual or an order to provide continuous, direct supervision, the commissioner shall not issue a fine under paragraph (c) relating to a background study violation to a license holder who self-corrects a background study violation before the commissioner discovers the violation. A license holder who has previously exercised the provisions of this paragraph to avoid a fine for a background study violation may not avoid a fine for a subsequent background study violation unless at least 365 days have passed since the license holder self-corrected the earlier background study violation.

EFFECTIVE DATE. This section is effective January 1, 2019."

"ARTICLE 8**MISCELLANEOUS**

Section 1. Minnesota Statutes 2016, section 148B.56, is amended to read:

148B.56 RECIPROCITY.

Subdivision 1. Persons licensed in another jurisdiction for less than five years. The board may issue a license to an individual who holds a current license or other credential from another

jurisdiction if the board finds that the requirements for that credential are substantially similar to the requirements in sections 148B.50 to 148B.593.

Subd. 2. **Persons licensed in another jurisdiction for five or more years.** (a) The board may issue a license to an individual who holds a current license or other credential in good standing from another jurisdiction if the board finds that the individual has been in active practice for a minimum of five years after receiving licensure or other credential.

(b) The board shall determine, based on the individual's experience and qualifications, whether the individual is granted the licensed professional counselor license or the licensed professional clinical counselor license.

Sec. 2. Minnesota Statutes 2016, section 148B.593, is amended to read:

148B.593 DISCLOSURE OF INFORMATION.

(a) A person licensed under sections 148B.50 to 148B.593 may not disclose without written consent of the client any communication made by the client to the licensee in the course of the practice of professional counseling, nor may any employee of the licensee reveal the information without the consent of the employer or client except as provided under section 626.556 or 626.557.

(b) For purposes of sections 148B.50 to 148B.593, the confidential relations and communications between the licensee and a client are placed upon the same basis as those that exist between a licensed psychologist and client. Nothing in sections 148B.50 to 148B.593 may be construed to require any communications to be disclosed except by court order.

(c) Private information may be disclosed without the consent of the client when a duty to warn arises, or as otherwise provided by law or court order. The duty to warn of, or take reasonable precautions to provide protection from, violent behavior arises only when a client or other person has communicated to the provider a specific, serious threat of physical violence to self or a specific, clearly identified or identifiable potential victim. If a duty to warn arises, the duty is discharged by the provider if reasonable efforts are made to communicate the threat to law enforcement agencies, the potential victim, the family of the client, or appropriate third parties who are in a position to prevent or avert the harm. No monetary liability and no cause of action or disciplinary action by the board may arise against a provider for disclosure of confidences to third parties, for failure to disclose confidences to third parties, or for erroneous disclosure of confidences to third parties in a good faith effort to warn against or take precautions against a client's violent behavior or threat of suicide.

(d) For purposes of this subdivision, "provider" includes a licensee, an applicant for licensure, and a student or intern practicing professional counseling or professional clinical counseling under supervision as part of an accredited graduate educational program or under a supervised postgraduate experience in professional counseling or professional clinical counseling required for licensure.

(c) The board shall issue a license if the board finds that the requirements which the applicant met to obtain the credential from the other jurisdiction were substantially similar to the current requirements for licensure in this chapter and that the applicant is not otherwise disqualified under section 148F.09.

Subd. 2. Persons licensed or credentialed in another jurisdiction for five or more years.

"Section 1. Minnesota Statutes 2016, section 10A.01, subdivision 10, is amended to read:

Subd. 10. **Candidate.** "Candidate" means an individual who seeks nomination or election as a state constitutional officer, legislator, ~~or judge,~~ or Metropolitan Council member. An individual is deemed to seek nomination or election if the individual has taken the action necessary under the law of this state to qualify for nomination or election, has received contributions or made expenditures in excess of \$750, or has given implicit or explicit consent for any other person to receive contributions or make expenditures in excess of \$750, for the purpose of bringing about the individual's nomination or election. A candidate remains a candidate until the candidate's principal campaign committee is dissolved as provided in section 10A.243.

Sec. 2. Minnesota Statutes 2016, section 10A.09, subdivision 6a, is amended to read:

Subd. 6a. **Place of filing.** A public official required to file a statement under this section must file it with the board. A local official required to file a statement under this section must file it with the governing body of the official's political subdivision, except that a member of the Metropolitan Council must file the statement with the board. The governing body must maintain statements filed with it under this subdivision as public data. If an official position is defined as both a public official and as a local official of a metropolitan governmental unit under this chapter, the official must file the statement with the board.

Sec. 3. Minnesota Statutes 2016, section 10A.25, subdivision 2, is amended to read:

(2) for attorney general, \$626,000 in the election segment and \$208,700 in the nonelection segment;

(c) If a special election cycle occurs during a general election cycle, expenditures by or on behalf of a candidate in the special election do not count as expenditures by or on behalf of the candidate in the general election.

(d) The expenditure limits in this subdivision for an office are increased by ten percent for a candidate who has not previously held the same office, whose name has not previously been on the primary or general election ballot for that office, and who has not in the past ten years raised or spent more than \$750 in a run for any other office whose territory now includes a population that is more than one-third of the population in the territory of the new office. In the case of a legislative candidate, the office is that of a member of the house of representatives or senate without regard to any specific district.

Sec. 4. Minnesota Statutes 2016, section 10A.27, subdivision 1, is amended to read:

Sec. 5. **10A.313 METROPOLITAN COUNCIL PUBLIC SUBSIDY.**

Subdivision 1. **Funding.** The Metropolitan Council must provide sufficient money to pay the public subsidy provided for in this section.

Subd. 2. **Eligibility.** A candidate is eligible to receive a public subsidy in the amount of \$20,000 if the candidate has filed with the board a spending limit agreement under section 10A.322 and an affidavit of contributions under section 10A.323, the candidate was opposed in the primary election or will be opposed in the general election, and the candidate's name will appear on the ballot in the general election.

Money in the fund is appropriated to the board for purposes of the public subsidy program.

Subd. 4. **Payment.** The board shall pay the public subsidy to the eligible candidates as soon as the board has obtained from the secretary of state the results of the primary election but not later than one week after certification by the State Canvassing Board of the results of the primary. Amounts not paid to candidates, or returned by candidates to the board, must be returned by the board to the Metropolitan Council.

Sec. 6. Minnesota Statutes 2016, section 10A.315, is amended to read:

10A.315 SPECIAL ELECTION SUBSIDY.

Subdivision 1. **Legislative office.** (a) Each eligible candidate for a legislative office in a special election must be paid a public subsidy equal to the sum of:

(1) the party account money at the last general election for the candidate's party for the office the candidate is seeking; and

(2) the general account money paid to a candidate for the same office at the last general election.

(b) A candidate who wishes to receive this public subsidy must submit a signed agreement under section 10A.322 to the board and must meet the contribution requirements of section 10A.323. The special election subsidy must be distributed in the same manner as money in the party and general accounts is distributed to legislative candidates in a general election.

(c) The amount necessary to make the payments required by this section is appropriated from the general fund for transfer to the state special elections campaign account for distribution by the board as set forth in this section.

Subd. 2. **Metropolitan Council office.** Each eligible candidate for Metropolitan Council office in a special election must be paid a public subsidy equal to the subsidy paid in a general election. To be eligible to receive this public subsidy, a candidate must file a spending limit agreement under section 10A.322 and meet the contribution requirements of section 10A.323, except that the candidate may count contributions received during the two months immediately preceding the special election, other than contributions the candidate has previously included on an affidavit for another election, and the amount required is one-quarter of the amount stated in section 10A.323. To receive the subsidy, the candidate must be opposed in either the primary or the general election. The special election subsidy must be distributed in the same manner as the public subsidy in a general election.

Sec. 7. Minnesota Statutes 2016, section 10A.323, is amended to read:

10A.323 AFFIDAVIT OF CONTRIBUTIONS.

(a) In addition to the requirements of section 10A.322, to be eligible to receive a public subsidy under section 10A.31 a candidate or the candidate's treasurer must:

(1) between January 1 of the previous year and the cutoff date for transactions included in the report of receipts and expenditures due before the primary election, accumulate contributions from individuals eligible to vote in this state in at least the amount indicated for the office sought, counting only the first \$50 received from each contributor, excluding in-kind contributions:

- (v) candidates for the house of representatives, \$1,500; and
- (vi) candidates for the Metropolitan Council, \$3,000;

(2) file an affidavit with the board stating that the principal campaign committee has complied with this paragraph. The affidavit must state the total amount of contributions that have been received from individuals eligible to vote in this state, excluding:

- (i) the portion of any contribution in excess of \$50;
- (ii) any in-kind contribution; and
- (iii) any contribution for which the name and address of the contributor is not known and recorded; and

(3) submit the affidavit required by this section to the board in writing by the deadline for reporting of receipts and expenditures before a primary under section 10A.20, subdivision 4.

(b) A candidate for a vacancy to be filled at a special election for which the filing period does not coincide with the filing period for the general election must accumulate the contributions specified in paragraph (a) and must submit the affidavit required by this section to the board within five days after the close of the filing period for the special election for which the candidate filed.

Sec. 8. Minnesota Statutes 2016, section 10A.324, subdivision 1, is amended to read:

Subdivision 1. **When return required.** A candidate must return all or a portion of the public subsidy received from the state elections campaign account or the public subsidy received under section 10A.313 or 10A.315, under the circumstances in this section or section 10A.257, subdivision 1.

To the extent that the amount of public subsidy received exceeds the aggregate of: (1) actual expenditures made by the principal campaign committee of the candidate; and (2) approved expenditures made on behalf of the candidate, the treasurer of the candidate's principal campaign committee must return an amount equal to the difference to the board. The cost of postage that was not used during an election cycle and payments that created credit balances at vendors at the close of an election cycle are not considered expenditures for purposes of determining the amount to be returned. Expenditures in excess of the candidate's spending limit do not count in determining aggregate expenditures under this paragraph.

Subd. 3. **Inability or refusal to serve.** In addition to a vacancy arising under section 351.02, a vacancy in the office of a Metropolitan Council member may be declared by the Metropolitan Council when a member is unable to serve in the office or attend council meetings for a 90-day period because of illness, or absence from or refusal to attend council meetings for a 90-day period. If any of the conditions described or referred to in this subdivision occur, the council may, after the council by resolution has declared a vacancy to exist, appoint someone to fill the vacancy at a regular or special meeting for the remainder of the unexpired term or until the ill or absent member is again able to resume duties and attend council meetings, whichever is earlier. If the council determines that the original member is again able to resume duties and attend council meetings, the council must say so in a resolution and remove the appointed officeholder and restore the original member to office.
