(b) In determining whether the individual has met the burden of proof by demonstrating the individual does not pose a risk of harm, the commissioner shall consider:

- (1) the nature, severity, and consequences of the event or events that led to the disqualification;

"Sec. 6. Minnesota Statutes 2018, section 245C.22, subdivision 5, is amended to read:

Subd. 5. **Scope of set-aside.** (a) If the commissioner sets aside a disqualification under this section, the disqualified individual remains disqualified, but may hold a license and have direct contact with or access to persons receiving services. (b) If the commissioner has previously set aside an individual's disqualification for one or more programs or agencies, and the individual is the subject of a subsequent background study for a different program or agency, the commissioner shall determine whether the disqualification is set aside for the program or agency that initiated the subsequent background study. A notice of a set-aside under paragraph (c) shall be issued within 15 working days if all of the following criteria are met:

(1) the subsequent background study was initiated in connection with a program licensed or regulated under the same provisions of law and rule for at least one program for which the individual's disqualification was previously set aside by the commissioner;

(3) the commissioner has received no new information to indicate that the individual may pose a risk of harm to any person served by the program; and

(4) the previous set-aside was not limited to a specific person receiving services.

(c) Notwithstanding paragraph (b), clause (2), or an individual who is employed in the substance use disorder field, if the commissioner has previously set aside an individual's disqualification for one or more programs or agencies, and the individual is the subject of a subsequent background study for a different program or agency, the commissioner shall set aside the disqualification for the program or agency that initiated the subsequent background study when the criteria under paragraph (b), clauses (1), (3), and (4) are met and the individual is not disqualified for an offense

specified in section 254C.15, subdivision 1. A notice of a set-aside under paragraph (d) shall be issued within 15 working days.

~~(e)~~ (d) When a disqualification is set aside under paragraph (b), the notice of background study results issued under section 245C.17, in addition to the requirements under section 245C.17, shall state that the disqualification is set aside for the program or agency that initiated the subsequent background study.
