To the extent practicable, the agency shall balance the loans made between projects in the metropolitan area and projects outside the metropolitan area. Of the loans made to projects outside the metropolitan area, the agency shall, to the extent practicable, balance the loans made between projects in counties or cities with a population of 20,000 or less, as established by the most recent decennial census, and projects in counties or cities with populations in excess of 20,000."
