Sec. 5. Minnesota Statutes 2018, section 35.155, subdivision 7, is amended to read:

Subd. 7. **Inspection.** As coordinated by the board, the commissioner of agriculture, an enforcement officer, as defined in section 97A.015, subdivision 18, and the Board of Animal Health may inspect farmed Cervidae, farmed Cervidae facilities, and farmed Cervidae records. For each

commercial herd, the owner or owners must, on or before January 1, pay an annual inspection fee equal to \$10 for each cervid in the herd as reflected in the most recent inventory submitted to the Board of Animal Health, up to a maximum fee of \$100. For each noncommercial herd, the owner or owners must, on or before January 1, pay an annual inspection fee of \$100. The commissioner of natural resources may inspect farmed Cervidae, farmed Cervidae facilities, and farmed Cervidae records with reasonable suspicion that laws protecting native wild animals have been violated and must notify the owner in writing at the time of the inspection of the reason for the inspection and must inform the owner in writing after the inspection of whether (1) the cause of the inspection was unfounded; or (2) there will be an ongoing investigation or continuing evaluation. The board shall ensure that each farmed Cervidae facility is inspected within four months of a previous inspection. The inspection by the agency authorized under this paragraph must include a physical inspection of the entire perimeter fence around the facility, and a verification that farmed Cervidae are tagged. The owner or owners of the herd must present an accurate inventory for review.

Sec. 6. Minnesota Statutes 2018, section 35.155, subdivision 9, is amended to read:

Subd. 9. **Contested case hearing.** (a) A person raising farmed Cervidae that is aggrieved with any decision regarding the farmed Cervidae may request a contested case hearing under chapter 14.

(b) A person requesting a contested case hearing regarding a registration revocation under subdivision 10, paragraph (b), must make the request within 30 days of the revocation notice.

Sec. 7. Minnesota Statutes 2018, section 35.155, subdivision 10, is amended to read:

Subd. 10. **Mandatory registration.** (a) A person may not possess live Cervidae in Minnesota unless the person is registered with the Board of Animal Health and meets all the requirements for farmed Cervidae under this section. Cervidae possessed in violation of this subdivision may be seized and destroyed by the commissioner of natural resources.

(b) If the facility experiences more than two escape incidents in any 12-month period, the board may revoke the facility's registration and the animals may be seized by the commissioner of natural resources. After investigation and review of fence deficiencies, escapes, and other program requirements, the board may revoke the registration of a person who owns farmed Cervidae, and the animals may be seized by the commissioner of natural resources. Unless it would prohibit the operator from receiving federal indemnification payments, an enforcement officer, as defined in section 97A.015, subdivision 18, may destroy seized Cervidae 30 days after the registration revocation notice or following a final decision of a contested case hearing, whichever is later.

Sec. 8. Minnesota Statutes 2018, section 35.155, subdivision 11, is amended to read:

Subd. 11. **Mandatory surveillance for chronic wasting disease.** (a) An inventory for each farmed Cervidae herd must be verified by an accredited veterinarian and filed with the Board of Animal Health every 12 months.

(b) Movement of farmed Cervidae from any premises to another location must be reported to the Board of Animal Health within 14 days of the movement on forms approved by the Board of Animal Health.

(c) All animals from farmed Cervidae herds that are over ~~46~~ 12 months of age that die or are slaughtered must be tested for chronic wasting disease.

(d) Except for a closed terminal facility in which live Cervidae are not transported out of the facility, the owner of a premises where chronic wasting disease is detected must:

(1) depopulate the premises of Cervidae;

(2) maintain exclusionary fencing on the premises for five years after the date of detection; and

(3) not stock Cervidae species on the premises after the date of detection.

(e) Before signing an agreement to sell or transfer the property, the owner of a premises where chronic wasting disease is detected must disclose in writing to the buyer or transferee:

(1) the date of detection of chronic wasting disease or the date of depopulation, whichever is later;

(2) the requirement to maintain exclusionary fencing on the premises for five years from the date in clause (1); and

(3) restriction of no stocking of Cervidae species on the premises from the date in clause (1).

Sec. 9. APPROPRIATION; DIAGNOSTIC TEST FOR CHRONIC WASTING DISEASE.

\$1,804,000 in fiscal year 2020 is appropriated from the general fund to the commissioner of natural resources for a grant to the Board of Regents of the University of Minnesota to develop a diagnostic test for chronic wasting disease that uses samples from living deer. Page 1, delete section 1 and insert:

"Section 1. [245A.60] OMBUDSPERSON FOR CHILD CARE PROVIDERS.

Subdivision 1. **Appointment.** The governor shall appoint an ombudsperson in the classified service to assist child care providers, including family child care providers and legal nonlicensed child care providers, with licensing, compliance, and other issues facing child care providers. The ombudsperson must be selected without regard to the person's political affiliation. The ombudsperson shall serve a term of two years and may be removed prior to the end of the term for just cause.

Subd. 2. **Duties.** (a) The ombudsperson's duties shall include:

(1) addressing all areas of concern to child care providers related to the provision of child care services, including licensing, correction orders, penalty assessments, complaint investigations, and other interactions with agency staff;

(2) assisting providers with interactions with county licensors and with appealing correction orders;

(3) providing recommendations for child care improvement or child care provider education;

(4) operating a telephone line to answer questions and provide guidance to child care providers;

The commissioner shall determine the form of the report and may specify additional reporting requirements.

Subd. 3. **Staff.** The ombudsperson may appoint and compensate out of available funds a deputy, confidential secretary, and other employees in the unclassified service as authorized by law. The ombudsperson and the full-time staff are members of the Minnesota State Retirement Association. The ombudsperson may delegate to members of the staff any authority or duties of the office except the duty to formally make recommendations to a child care provider or reports to the commissioner or the legislature.

Subd. 4. **Access to records.** (a) The ombudsperson or designee, excluding volunteers, has access to data of a state agency necessary for the discharge of the ombudsperson's duties, including records classified as confidential data on individuals or private data on individuals under chapter 13 or any other law. The ombudsperson's data request must relate to a specific case and is subject to section 13.03, subdivision 4. If the data concerns an individual, the ombudsperson or designee shall first obtain the individual's consent. If the individual cannot consent and has no legal guardian, then access to the data is authorized by this section.

(b) On a quarterly basis, each state agency responsible for licensing, regulating, and enforcing state and federal laws and regulations concerning child care providers must provide the ombudsperson copies of all correction orders, penalty assessments, and complaint investigation reports for all child care providers.

Subd. 5. **Independence of action.** In carrying out the duties under this section, the ombudsperson may act independently of the department to provide testimony to the legislature, make periodic reports to the legislature, and address areas of concern to child care providers.

Subd. 9. **Posting.** (a) The commissioner shall post on the department's website the address and telephone number for the office of the ombudsperson. The commissioner shall provide all child care providers with the address and telephone number of the office. Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 2018, section 82.55, is amended by adding a subdivision to read:

Subd. 5a. **Designated agency.** "Designated agency" means the buyer and seller in a real estate transaction are both represented by the same real estate brokerage, but (1) the buyer's agent is designated in the buyer's broker agreement and exclusively represents only the buyer's interest, and (2) the seller's agent is designated in the seller's broker agreement and exclusively represents only the seller's interest. The buyer's agent owes the buyer fiduciary duties and the seller's agent owes the seller fiduciary duties.

Sec. 2. Minnesota Statutes 2018, section 82.55, subdivision 6, is amended to read:

~~Subd. 6. **Dual agency.** "Dual agency" means a situation in which a licensee owes a duty to more than one party to the transaction.~~

Circumstances which establish dual agency the buyer and seller in a real estate transaction are both represented by the same real estate brokerage and all salespersons of that brokerage represent each side equally. A dual agent cannot act exclusively on behalf of one party, or advocate to the

detriment of the other party and must not disclose confidential information, unless the disclosure of the information is otherwise required by statute or rule or one party instructs the broker or salesperson in writing. Situations where dual agency could arise include the following:

- (1) when one licensee represents both the buyer and the seller in a real estate transaction; or
- (2) when two or more licensees, licensed to the same broker, each represent a party to the transaction.

Sec. 3. Minnesota Statutes 2018, section 82.55, is amended by adding a subdivision to read:

Subd. 9a. **Fiduciary duties.** "Fiduciary duties" means the following duties, with the associated meanings given them:

(1) "accounting" means a broker or salesperson must account for all money and property entrusted to them and not commingle client monies with their personal or business funds;

(2) "reasonable care" means a broker or salesperson must use reasonable care and diligence to perform duties on behalf of the client;

(3) "confidentiality" means a broker or salesperson must keep confidential any information given to them by the client, unless the disclosure of information is otherwise required by law or the client instructs the broker or salesperson in writing to disclose specific information;

(4) "disclosure" means a broker or salesperson must disclose to the client all material facts the broker or salesperson has knowledge of that might reasonably affect the client's use or enjoyment of the property;

(5) "loyalty" means a broker or salesperson acts solely in the client's best interests to the exclusion of all other interests, including the broker's or salesperson's and avoids any conflicts of interest; and

(6) "obedience" means a broker or salesperson carries out all the client's lawful instructions.

Sec. 4. Minnesota Statutes 2018, section 82.55, is amended by adding a subdivision to read:

Subd. 24a. **Supervising broker.** A "supervising broker" is the broker responsible for supervising the activities of the broker's salespersons and employees in a dual or designated agency transaction. In a dual or designated agency transaction, a supervising broker is responsible for supervising both sides of the transaction. This conflict of interest requires that the supervising broker not advocate for one party or the other when supervising and advising all parties involved in the transaction.

Sec. 5. Minnesota Statutes 2018, section 82.66, subdivision 1, is amended to read:

Subdivision 1. **Listing agreements.** (a) **Requirement.** Licensees shall obtain a signed listing agreement or other signed written authorization from the owner of real property or from another person authorized to offer the property for sale or lease before advertising to the general public that the real property is available for sale or lease.

For the purposes of this section "advertising" includes placing a sign on the owner's property that indicates that the property is being offered for sale or lease.

(b) **Contents.** All listing agreements must be in writing and must include:

- (1) a definite expiration date;
- (2) a description of the real property involved;
- (3) the list price and any terms required by the seller;
- (4) the amount of any compensation or commission or the basis for computing the commission;
- (5) a clear statement explaining the events or conditions that will entitle a broker to a commission;
- (6) a clear statement explaining if the agreement may be canceled and the terms under which the agreement may be canceled;
- (7) information regarding an override clause, if applicable, including a statement to the effect that the override clause will not be effective unless the licensee supplies the seller with a protective list within 72 hours after the expiration of the listing agreement;
- (8) the following notice in not less than ten-point boldface type immediately preceding any provision of the listing agreement relating to compensation of the licensee:

"NOTICE: THE COMPENSATION FOR THE SALE, LEASE, RENTAL, OR MANAGEMENT OF REAL PROPERTY SHALL BE DETERMINED BETWEEN EACH INDIVIDUAL BROKER AND THE BROKER'S CLIENT.";

(9) for residential property listings, the following "dual agency or designated agency" disclosure statement:

~~If a buyer represented by broker wishes to buy the seller's property, a dual agency will be created. This means that broker will represent both the seller(s) and the buyer(s), and owe the same duties to the buyer(s) that broker owes to the seller(s). This conflict of interest will prohibit broker from advocating exclusively on the seller's behalf. Dual agency will limit the level of representation broker can provide. If a dual agency should arise, the seller(s) will need to agree that confidential information about price, terms, and motivation will still be kept confidential unless the seller(s) instruct broker in writing to disclose specific information about the seller(s). All other information will be shared. Broker cannot act as a dual agent unless both the seller(s) and the buyer(s) agree to it. By agreeing to a possible dual agency, the seller(s) will be giving up the right to exclusive representation in an in-house transaction. However, if the seller(s) should decide not to agree to a possible dual agency, and the seller(s) want broker to represent the seller(s), the seller(s) may give up the opportunity to sell the property to buyers represented by broker. DUAL AGENCY OR DESIGNATED AGENCY REPRESENTATION: If buyer(s) and seller(s) are both represented by the same brokerage, then both buyer(s) and seller(s) must consent and agree to either dual agency or designated agency representation for the transaction to proceed.~~

What is Dual Agency?

Dual agency occurs when the buyer(s) and seller(s) in a real estate transaction are both represented by the same real estate brokerage and all salespersons of that brokerage act in a

What is Designated Agency?

Designated agency occurs when the buyer(s) and seller(s) in a real estate transaction are both represented by the same real estate brokerage and a buyer's agent(s) is designated in the buyer's

dual agency capacity by representing each side equally. A dual agent cannot act exclusively on behalf of one party, or advocate to the detriment of the other party.

How does Dual Agency affect me?

In a dual agency, both the buyer(s) and the seller(s) are represented by the same brokerage, and every salesperson who is licensed to that brokerage owes an equal obligation of representation and fiduciary duties to both the buyer(s) and the seller(s). This means that all salespersons within that brokerage cannot advocate for, counsel, or represent one party in any way that would adversely affect the other party.

What is the supervising broker's role in a dual agency?

The supervising broker's responsibility is to supervise the activities of the broker's salespersons and employees. In a dual agency transaction, a broker is responsible for maintaining a neutral position when advising and supervising each of the dual agents.

broker agreement and exclusively represents only the buyer's interest, and a listing agent(s) is designated in the seller's broker agreement and exclusively represents only the seller's interest.

How does Designated Agency affect me?

In a designated agency, the buyer(s) and the seller(s) are represented by the same brokerage. The buyer is represented by a designated buyer's agent(s) of the buyer's choosing, and the seller is represented by a designated listing agent(s) of the seller's choosing. A designated buyer's agent(s) must advocate exclusively on behalf of the buyer, and a designated listing agent(s) must advocate exclusively on behalf of the seller.

What is the supervising broker's role in a designated agency?

The supervising broker's responsibility is to supervise the activities of the broker's salespersons and employees. In a designated agency transaction, a broker is responsible for maintaining a neutral position when advising and supervising the buyer's agent(s), as designated in the buyer's broker agreement and the listing agent(s), as designated in the seller's broker agreement.

The fiduciary duties mentioned above are listed below and have the following meanings:

Accounting: means a broker or salesperson must account for all money and property entrusted to them and not commingle client monies with their personal or business funds;

Reasonable Care: means a broker or salesperson must use reasonable care and diligence to perform duties on behalf of the client;

Confidentiality: means a broker or salesperson must keep confidential any information given to them by the client, unless the disclosure of information is otherwise required by law or the client instructs the broker or salesperson in writing to disclose specific information;

Disclosure: means a broker or salesperson must disclose to the client all material facts the broker or salesperson has knowledge of that might reasonably affect the client's use or enjoyment of the property;

Loyalty: means a broker or salesperson acts solely in the client's best interests to the exclusion of all other interests, including the broker's or salesperson's and avoids any conflicts of interest; and

Obedience: means a broker or salesperson carries out all the client's lawful instructions.

"NOTICE: IN A DUAL AGENCY OR DESIGNATED AGENCY TRANSACTION, THE SUPERVISING BROKER IS SUPERVISING BOTH SIDES OF THE TRANSACTION. THIS CONFLICT OF INTEREST REQUIRES THAT THE SUPERVISING BROKER NOT ADVOCATE FOR ONE PARTY OR THE OTHER WHEN SUPERVISING AND ADVISING ALL PARTIES INVOLVED IN THE TRANSACTION."

Seller's Instructions to Broker

Having read and understood this information about dual agency or designated agency representation, seller(s) now instructs broker as follows (check only one of the three below):

..... I (seller(s)) choose designated agency representation and consent that the same brokerage may represent both me and the buyer(s) in the transaction, with my designated agent(s) exclusively representing my interests and another designated agent(s) exclusively representing the interests of the buyer(s).

..... ~~Seller(s) will agree to a dual agency representation and will consider offers made by buyers represented by broker~~ I (seller(s)) choose dual agency representation and consent that the same brokerage may represent both me and the buyers(s) in the transaction. In dual agency, the broker and its salespersons (including my agent(s)) must not advocate for one party or the other in a transaction involving buyer(s) and seller(s) represented by the same brokerage, regardless if one or more different salespersons are involved. In a dual agency, all confidential information must not be disclosed by either designated agent(s) or the broker to any party or third party, unless disclosure of the information is otherwise required by statute or rule, or one party instructs the broker or salesperson in writing.

..... ~~Seller(s) will not agree to a dual agency representation and will not consider offers made by buyers represented by broker~~ I (seller(s)) reject dual agency and designated agency representation and I will not consider offers made by buyer(s) represented by the brokerage.

(11) for residential listings, a notice stating that after the expiration of the listing agreement, the seller will not be obligated to pay the licensee a fee or commission if the seller has executed another valid listing agreement pursuant to which the seller is obligated to pay a fee or commission to another licensee for the sale, lease, or exchange of the real property in question. This notice may be used in the listing agreement for any other type of real estate.

(c) **Prohibited provisions.** Except as otherwise provided in paragraph (d), clause (2), licensees shall not include in a listing agreement a holdover clause, automatic extension, or any similar provision, or an override clause the length of which is more than six months after the expiration of the listing agreement.

(d) **Override clauses.** (1) Licensees shall not seek to enforce an override clause unless a protective list has been furnished to the seller within 72 hours after the expiration of the listing agreement.

(2) A listing agreement may contain an override clause of up to two years in length when used in conjunction with the purchase or sale of a business. The length of the override clause must be negotiable between the licensee and the seller of the business. The protective list provided in connection with the override clause must include the written acknowledgment of each party named on the protective list, that the business which is the subject of the listing agreement was presented to that party by the licensee.

(e) **Protective lists.** A broker or salesperson has the burden of demonstrating that each person on the protective list has, during the period of the listing agreement, either made an affirmative showing of interest in the property by responding to an advertisement or by contacting the broker or salesperson involved or has been physically shown the property by the broker or salesperson. For the purpose of this section, the mere mailing or other distribution by a licensee of literature setting forth information about the property in question does not, of itself, constitute an affirmative showing of interest in the property on the part of a subsequent purchaser.

For listings of nonresidential real property which do not contain the notice described in paragraph (b), clause (11), the protective list must contain the following notice in boldface type:

"IF YOU RELIST WITH ANOTHER BROKER WITHIN THE OVERRIDE PERIOD AND THEN SELL YOUR PROPERTY TO ANYONE WHOSE NAME APPEARS ON THIS LIST, YOU COULD BE LIABLE FOR FULL COMMISSIONS TO BOTH BROKERS. IF THIS NOTICE IS NOT FULLY UNDERSTOOD, SEEK COMPETENT ADVICE."

Sec. 6. Minnesota Statutes 2018, section 82.66, subdivision 2, is amended to read:

Subd. 2. **Buyer's broker agreements.** (a) **Requirements.** Licensees shall obtain a signed buyer's broker agreement from a buyer before performing any acts as a buyer's representative.

(b) **Contents.** All buyer's broker agreements must be in writing and must include:

- (1) a definite expiration date;
- (2) the amount of any compensation or commission, or the basis for computing the commission;
- (3) a clear statement explaining the services to be provided to the buyer by the broker, and the events or conditions that will entitle a broker to a commission or other compensation;
- (4) a clear statement explaining if the agreement may be canceled and the terms under which the agreement may be canceled;
- (5) information regarding an override clause, if applicable, including a statement to the effect that the override clause will not be effective unless the licensee supplies the buyer with a protective list within 72 hours after the expiration of the buyer's broker agreement;
- (6) the following notice in not less than ten-point boldface type immediately preceding any provision of the buyer's broker agreement relating to compensation of the licensee:

"NOTICE: THE COMPENSATION FOR THE PURCHASE, LEASE, RENTAL, OR MANAGEMENT OF REAL PROPERTY SHALL BE DETERMINED BETWEEN EACH INDIVIDUAL BROKER AND THE BROKER'S CLIENT.";

(7) the following "dual agency or designated agency representation" disclosure statement:

If the buyer(s) choose(s) to purchase a property listed by broker, a dual agency will be created. This means that broker will represent both the buyer(s) and the seller(s), and owe the same duties to the seller(s) that broker owes to the buyer(s). This conflict of interest will prohibit broker from advocating exclusively on the buyer's behalf. Dual agency will limit the level of representation broker can provide. If a dual agency should arise, the buyer(s) will need to agree that confidential information about price, terms, and motivation will still be kept confidential unless the buyer(s) instruct broker in writing to disclose specific information about the buyer(s). All other information will be shared. Broker cannot act as a dual agent unless both the buyer(s) and the seller(s) agree to it. By agreeing to a possible dual agency, the buyer(s) will be giving up the right to exclusive representation in an in-house transaction. However, if the buyer(s) should decide not to agree to a possible dual agency, and the buyer(s) want(s) broker to represent the buyer(s), the buyer(s) may give up the opportunity to purchase the properties listed by broker. DUAL AGENCY OR DESIGNATED AGENCY REPRESENTATION: If buyer(s) and seller(s) are both represented by the same brokerage, then both buyer(s) and seller(s) must consent and agree to either dual agency or designated agency representation for the transaction to proceed.

What is Dual Agency?

Dual agency occurs when the buyer(s) and seller(s) in a real estate transaction are both represented by the same real estate brokerage and all salespersons of that brokerage act in a dual agency capacity by representing each side equally. A dual agent cannot act exclusively on behalf of one party, or advocate to the detriment of the other party.

How does Dual Agency affect me?

In a dual agency, both the buyer(s) and the seller(s) are represented by the same brokerage, and every salesperson who is licensed to that brokerage owes an equal obligation of representation and fiduciary duties to both the buyer(s) and the seller(s). This means that all salespersons within that brokerage cannot advocate for, counsel, or represent one party in any way that would adversely affect the other party.

What is the supervising broker's role in a dual agency?

The supervising broker's responsibility is to supervise the activities of the broker's salespersons and employees. In a dual agency transaction, a broker is responsible for

What is Designated Agency?

Designated agency occurs when the buyer(s) and seller(s) in a real estate transaction are both represented by the same real estate brokerage and a buyer's agent(s) is designated in the buyer's broker agreement and exclusively represents only the buyer's interest, and a listing agent(s) is designated in the seller's broker agreement and exclusively represents only the seller's interest.

How does Designated Agency affect me?

In a designated agency, the buyer(s) and the seller(s) are represented by the same brokerage. The buyer is represented by a designated buyer's agent(s) of the buyer's choosing, and the seller is represented by a designated listing agent(s) of the seller's choosing. A designated buyer's agent(s) must advocate exclusively on behalf of the buyer, and a designated listing agent(s) must advocate exclusively on behalf of the seller.

What is the supervising broker's role in a designated agency?

The supervising broker's responsibility is to supervise the activities of the broker's salespersons and employees. In a designated agency transaction, a broker is responsible for

maintaining a neutral position when advising and supervising each of the dual agents.

maintaining a neutral position when advising and supervising the buyer's agent(s), as designated in the buyer's broker agreement and the listing agent(s), as designated in the seller's broker agreement.

The fiduciary duties mentioned above are listed below and have the following meanings:

Accounting: means a broker or salesperson must account for all money and property entrusted to them and not commingle client monies with their personal or business funds;

Reasonable Care: means a broker or salesperson must use reasonable care and diligence to perform duties on behalf of the client;

Confidentiality: means a broker or salesperson must keep confidential any information given to them by the client, unless the disclosure of information is otherwise required by law or the client instructs the broker or salesperson in writing to disclose specific information;

Disclosure: means a broker or salesperson must disclose to the client all material facts the broker or salesperson has knowledge of that might reasonably affect the client's use or enjoyment of the property;

Loyalty: means a broker or salesperson acts solely in the client's best interests to the exclusion of all other interests, including the broker's or salesperson's and avoids any conflicts of interest; and

Obedience: means a broker or salesperson carries out all the client's lawful instructions.

"NOTICE: IN A DUAL AGENCY OR DESIGNATED AGENCY TRANSACTION, THE SUPERVISING BROKER IS SUPERVISING BOTH SIDES OF THE TRANSACTION. THIS CONFLICT OF INTEREST REQUIRES THAT THE SUPERVISING BROKER NOT ADVOCATE FOR ONE PARTY OR THE OTHER WHEN SUPERVISING AND ADVISING ALL PARTIES INVOLVED IN THE TRANSACTION."

Buyer's Instructions to Broker

Having read and understood this information about dual agency or designated agency representation, the buyer(s) now instructs the broker as follows (check only one of the three below):

..... I (buyer(s)) choose designated agency representation and consent that the same brokerage may represent both me and the seller(s) in the transaction, with my designated agent(s) exclusively representing my interests and another designated agent(s) exclusively representing the interests of the seller(s).

..... ~~Buyer(s) will agree to a dual agency representation and will consider properties listed by broker~~ I (buyer(s)) choose dual agency representation and consent that the same brokerage may represent both me and the seller(s) in the transaction. In dual agency, the broker and its salespersons (including my agent(s)) must not advocate for one party or the other in a transaction involving buyer(s) and seller(s) represented by the same brokerage, regardless if one or more different salespersons are involved. In a dual agency, all confidential information must not be disclosed by either designated agent(s) or the broker to any party or third party, unless disclosure of the information is otherwise required by statute or rule, or one party instructs the broker or salesperson in writing.

..... ~~Buyer(s) will not agree to a dual agency representation and will not consider properties listed by broker I~~ (buyer(s)) reject dual agency and designated agency representation and I will not consider properties listed by the brokerage.

(2) A buyer's broker agreement may contain an override clause of up to two years in length when used in conjunction with the purchase or sale of a business. The length of the override clause must be negotiable between the licensee and the buyer of the business. The protective list provided in connection with the override clause must include the written ~~acknowledgement~~ acknowledgment of each party named on the protective list, that the business that is the subject of the buyer's broker agreement was presented to that party by the licensee.

Subd. 3. **Agency disclosure form.** The agency disclosure form shall be in substantially the form set forth below:

AGENCY RELATIONSHIPS IN REAL ESTATE TRANSACTIONS

Minnesota law requires that early in any relationship, real estate brokers or salespersons discuss with consumers what type of agency representation or relationship they desire.(1) The available options are listed below. This is **not** a contract. **This is an agency disclosure form only. If you**

desire representation, you must enter into a written contract according to state law (a listing contract or a buyer representation contract). Until such time as you choose to enter into a written contract for representation, you will be treated as a customer and will not receive any representation from the broker or salesperson. The broker or salesperson will be acting as a Facilitator (see paragraph ~~IV~~ V below), unless the broker or salesperson is representing another party as described below.

ACKNOWLEDGMENT: I/We acknowledge that I/We have been presented with the below-described options. I/We understand that until I/We have signed a representation contract, I/We are not represented by the broker/salesperson. I/We understand that written consent is required for a dual agency relationship. THIS IS A DISCLOSURE ONLY, NOT A CONTRACT FOR REPRESENTATION.

I.

Seller's Broker: A broker who lists a property, or a salesperson who is licensed to the listing broker, represents only the Seller and acts on behalf of only the Seller. A Seller's broker owes to the Seller the fiduciary duties described below.(2) The broker must also disclose to the Buyer material facts as defined in Minnesota Statutes, section 82.68, subdivision 3, of which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the property. If a broker or salesperson working with a Buyer as a customer is representing the Seller, he or she must act in the Seller's best interest and must tell the Seller any information disclosed to him or her, except confidential information acquired in a facilitator relationship (see paragraph ~~IV~~ V below). In that case, the Buyer will not be represented and will not receive advice and counsel from the broker or salesperson.

II.

Buyer's Broker: A Buyer may enter into an agreement for the broker or salesperson to represent and act on behalf of only the Buyer. The broker may represent the Buyer only, and not the Seller, even if he or she is being paid in whole or in part by the Seller. A Buyer's broker owes to the Buyer the fiduciary duties described below.(2) The broker must disclose to the Buyer material facts as defined in Minnesota Statutes, section 82.68, subdivision 3, of which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the property. If a broker or salesperson working with a Seller as a customer is representing the Buyer, he or she must act in the Buyer's best interest and must tell the Buyer any information disclosed to him or her, except confidential information acquired in a facilitator relationship (see paragraph ~~IV~~ V below). In that case, the Seller will not be represented and will not receive advice and counsel from the broker or salesperson.

III.

~~Dual Agency Broker Representing both Seller and Buyer~~ Agency Representation: Dual agency occurs when ~~one broker or salesperson represents both parties to a transaction, or when~~

two salespersons licensed to the same broker each represent a party to the transaction. the Buyer(s) and Seller(s) in a real estate transaction are both represented by the same real estate brokerage and all salespersons of that brokerage act in a dual agency capacity by representing each side equally. A dual agent cannot act exclusively on behalf of one party, or advocate to the detriment of the other party. Dual agency requires the informed consent of all parties, and means that the broker and salesperson owe the same duties to the Seller and the Buyer. This role limits the level of representation the broker and salespersons can provide, and prohibits them from acting exclusively for either party. In a dual agency, confidential information about price, terms, and motivation for pursuing a transaction will be kept confidential unless one party instructs the broker or salesperson in writing to disclose specific information about him or her. Other information will be shared all confidential information must not be disclosed by either dual agents or the broker to any party or third party, unless the disclosure of the information is otherwise required by statute or rule, or one party instructs the broker or salesperson in writing. Dual agents may not advocate for one party to the detriment of the other.(3)

Within the limitations described above, dual agents owe to both Seller and Buyer the fiduciary duties described below.(2) Dual agents must disclose to Buyers material facts as defined in Minnesota Statutes, section 82.68, subdivision 3, of which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the property.

IV.

Designated Agency Representation: Designated agency occurs when the Buyer(s) and Seller(s) in a real estate transaction are both represented by the same real estate brokerage, and a designated buyer's agent(s) and a designated listing agent(s) are designated by the Buyer(s) and Seller(s), respectively, in a written agreement with the brokerage. During the course of a designated agency real estate transaction, the designated buyer's agent(s) owes the fiduciary duties, as defined in Minnesota Statutes, section 82.55, subdivision 9a, to only the Buyer(s), and the designated listing agent(s) owes the fiduciary duties, as defined in Minnesota Statutes, section 82.55, subdivision 9a, to only the seller. All confidential information must not be disclosed by either designated agents or the broker to any party or third party, unless disclosure of the information is otherwise required by statute or rule, or one party instructs the broker or salesperson in writing.

V.

Facilitator: A broker or salesperson who performs services for a Buyer, a Seller, or both but does not represent either in a fiduciary capacity as a Buyer's Broker, Seller's Broker, or Dual Agent, or Designated Agent. **THE FACILITATOR BROKER OR SALESPERSON DOES NOT OWE ANY PARTY ANY OF THE FIDUCIARY DUTIES LISTED BELOW, EXCEPT CONFIDENTIALITY, UNLESS THOSE DUTIES ARE INCLUDED IN A WRITTEN FACILITATOR SERVICES AGREEMENT.** The facilitator broker or salesperson owes the duty of confidentiality to the party but owes no other duty to the party except those duties required by law or contained in a written facilitator services agreement, if any. In the event a facilitator broker or salesperson, working with a Buyer, shows a property listed by the facilitator broker or salesperson, then the facilitator broker or salesperson must act as a Seller's Broker (see paragraph I above). In the event a facilitator broker or salesperson, working with a Seller, accepts a showing of the property by a Buyer being represented by the facilitator broker

or salesperson, then the facilitator broker or salesperson must act as a Buyer's Broker (see paragraph III above).

(1) This disclosure is required by law in any transaction involving property occupied or intended to be occupied by one to four families as their residence.

(2) The fiduciary duties mentioned above are listed below and have the following meanings:

~~Loyalty broker/salesperson will act only in client(s)' best interest.~~

~~Obedience broker/salesperson will carry out all client(s)' lawful instructions.~~

~~Disclosure broker/salesperson will disclose to client(s) all material facts of which broker/salesperson has knowledge which might reasonably affect the client's use and enjoyment of the property.~~

~~Confidentiality broker/salesperson will keep client(s)' confidences unless required by law to disclose specific information (such as disclosure of material facts to Buyers).~~

~~Reasonable Care broker/salesperson will use reasonable care in performing duties as an agent.~~

~~Accounting broker/salesperson will account to client(s) for all client(s)' money and property received as agent.~~ Accounting: means a broker or salesperson must account for all money and property entrusted to them and not commingle client monies with their personal or business funds;

Reasonable Care: means a broker or salesperson must use reasonable care and diligence to perform duties on behalf of the client;

Confidentiality: means a broker or salesperson must keep confidential any information given to them by the client, unless the disclosure of information is otherwise required by law or the client instructs the broker or salesperson in writing to disclose specific information;

Disclosure: means a broker or salesperson must disclose to the client all material facts the broker or salesperson has knowledge of that might reasonably affect the client's use or enjoyment of the property;

Loyalty: means a broker or salesperson acts solely in the client's best interests to the exclusion of all other interests, including the broker's or salesperson's and avoids any conflicts of interest; and

Obedience: means a broker or salesperson carries out all the client's lawful instructions.

(3) If Seller(s) elect(s) not to agree to ~~a~~ either a designated agency or dual agency relationship, Seller(s) may give up the opportunity to sell the property to Buyers represented by the broker/salesperson. If Buyer(s) elect(s) not to agree to ~~a~~ either a designated agency or dual agency relationship, Buyer(s) may give up the opportunity to purchase properties listed by the broker.

Sec. 8. Minnesota Statutes 2018, section 82.67, subdivision 4, is amended to read:

Subd. 4. **Creation of designated agency or dual agency.** If circumstances create a designated agency or dual agency situation, the broker must make full disclosure to all parties to the transaction as to the change in relationship of the parties to the broker due to designated agency or dual agency. A broker, having made full disclosure, must obtain the consent of all parties to these circumstances in residential real property transactions in the purchase agreement in the form set forth below which shall be set off in a boxed format to draw attention to it:

~~Broker represents both the seller(s) and the buyer(s) of the property involved in this transaction, which creates a dual agency. This means that broker and its salespersons owe fiduciary duties to both seller(s) and buyer(s). Because the parties may have conflicting interests, broker and its salespersons are prohibited from advocating exclusively for either party. Broker cannot act as a dual agent in this transaction without the consent of both seller(s) and buyer(s).~~

Seller(s) and buyer(s) acknowledge that:

~~(1) confidential information communicated to broker which regards price, terms, or motivation to buy or sell will remain confidential unless seller(s) or buyer(s) instruct(s) broker in writing to disclose this information. Other information will be shared;~~ in a designated agency situation, the supervising broker who supervises the salespersons representing a party in the transaction must not represent the interests of either party to the detriment of the other. Each designated salesperson represents the salesperson's party, subject to the same duties required of a seller's broker and a buyer's broker, respectively;

~~(2) in a dual agency transaction, all confidential information must not be disclosed by either dual agents or the broker to any party or third party, unless disclosure of the information is otherwise required by statute or rule, or one party instructs the broker or salesperson in writing;~~

~~(3) in a dual agency situation, broker and its salespersons will not represent the interests of either party to the detriment of the other; and~~

~~(3) (4) within the limits of dual agency, broker and its salespersons will work diligently to facilitate the mechanics of the sale.~~

With the knowledge and understanding of the explanation above, seller(s) and buyer(s) authorize(s) and instruct(s) broker and its salespersons to ~~act as dual agents in this transaction.~~ (authorize one):

Sec. 9. Minnesota Statutes 2018, section 82.73, subdivision 3, is amended to read:

Subd. 3. **Responsibilities of brokers.** (a) **Supervision of personnel.** A primary broker shall adequately supervise the activities of the broker's salespersons and employees. In the case of a transaction involving designated agency, in addition to the primary broker, the supervising broker shall adequately supervise the activities of the designated agents and employees involved in the transaction. Supervision includes the ongoing monitoring of listing agreements, purchase agreements, other real estate-related documents which are prepared or drafted by the broker's salespersons or employees or which are otherwise received by the broker's office, and the review of all trust account books and records. If an individual broker maintains more than one place of business, each place of business shall be under the broker's direction and supervision. If a brokerage maintains more than one place of business, each place of business shall be under the direction and supervision of an individual broker licensed to act on behalf of the brokerage.

The primary broker shall maintain records specifying the name of each broker responsible for the direction and supervision of each place of business. If an individual broker, who may be the primary broker, is responsible for supervising more than one place of business, the primary broker shall, upon written request of the commissioner, file a written statement specifying the procedures which have been established to ensure that all salespersons and employees are adequately supervised. Designation of another broker to supervise a place of business does not relieve the primary broker of the ultimate responsibility for the actions of licensees.

(b) **Preparation and safekeeping of documents.** A broker is responsible for the preparation, custody, safety, and accuracy of all real estate contracts, documents, and records, even though another person may be assigned these duties by the broker.

(c) **Documentation and resolution of complaints.** A broker shall investigate and attempt to resolve complaints made regarding the practices of any individual licensed to the broker and shall maintain, with respect to each individual licensed to the broker, a complaint file containing all material relating to any complaints received in writing for a period of three years.

(d) **Disclosure of listed property information.** A broker may allow any unlicensed person, who is authorized by the broker, to disclose any factual information pertaining to the properties listed with the broker, if the factual information is provided to the unlicensed person in written form by the broker representing or assisting the seller(s).

(e) **Property management functions for individually owned or entity-owned real estate.** A broker shall not be responsible for supervising, nor shall the licensee be responsible for operating, within the scope of the brokerage or within the requirements of this chapter, activities that would

be considered property management, including leasing, maintenance, and repair, so long as the real estate being managed is "individually owned" or "entity-owned" as defined below:

(1) "individually owned" real estate is real property in which the licensee holds an ownership interest; and

(2) "entity-owned" real estate is real property owned by a corporation, limited liability company, partnership, or trust, within which entity the licensee holds an ownership interest as an owner, trustee, partner, or officer, or in another beneficiary capacity.

Sec. 10. Minnesota Statutes 2018, section 82.73, is amended by adding a subdivision to read:

Subd. 4. **Prohibition.** Any supervising broker engaged in the practice of real estate is prohibited from acting as a designated agent on behalf of one party to a transaction if the supervising broker is responsible for supervising the salesperson or broker representing the other party in the transaction.
