(5) except as otherwise provided in this paragraph, pay a commission or finder's fee to any person for facilitating or arranging a structured settlement transfer with a payee. The provisions of this paragraph do not prevent a structured settlement purchase company from paying:

(i) a salary, commission, or other compensation to a person who is an employee of a structured settlement purchase company; or

(ii) routine transfer expenses to third parties, including without limitation court filing fees, escrow fees, lien recordation fees, judgment and lien search fees, attorney's fees, and other similar fees relating to a transfer;

(6) intentionally advertise materially false or misleading information regarding the products or services of the transferee or structured settlement purchase company;

(10) except as otherwise provided in this clause, knowingly contact a payee who has signed a transfer agreement and is pursuing a proposed transfer with another structured settlement purchase company for the purpose of inducing the payee into cancelling the proposed transfer or transfer agreement with the other structured settlement purchase company if a structured settlement transfer proceeding has been filed by the other structured settlement purchase company and is pending. The provisions of this clause do not apply if no hearing has been held in the pending structured settlement transfer proceeding within 90 days after the filing of the pending structured settlement transfer proceeding;

(11) fail to dismiss a pending structured settlement transfer proceeding at the request of the payee. A dismissal of a structured settlement proceeding after a structured settlement purchase company has violated the provisions of this clause does not exempt the structured settlement purchase company from any liability under this section;

(12) instruct a payee to hire or directly refer a payee to seek independent professional advice from a specific person, except that a structured settlement purchase company may refer a payee to a state or local referral service, bar association, legal aid, or any other entity unrelated to the structured settlement purchase company which assists people with locating independent professional advice;

(13) solicit a prospective payee through the conveyance of a document which resembles a check or other form of payment;

(14) contact a payee in violation of section 609.79; or

(15) provide a transfer agreement or related document that purports to give the transferee the first choice or option to purchase any remaining structured settlement payments rights belonging to the payee which are not subject to the structured settlement transfer proceeding.

Subd. 2. **Enforcement; remedies.** (a) A violation of this section is a deceptive practice in violation of section 325F.69.

(b) A payee may file a motion in the district court in which the structured settlement transfer proceeding was pending alleging a violation of subdivision 1 and may pursue all rights and remedies to which the payee may be entitled pursuant to sections 549.30 to 549.41, or any other applicable law.

(c) A structured settlement purchase company may file a motion in district court in which the structured settlement transfer proceeding was pending to enforce subdivision 1, clauses (4), (7), and (9) to (11), and may pursue all remedies to which the structured settlement purchase company may be entitled pursuant to sections 549.30 to 549.41, or any other applicable law.

(d) If a court finds that a structured settlement purchase company or transferee is in violation of subdivision 1, the court may:

(1) revoke the registration of the structured settlement purchase company;

(2) suspend the registration of the structured settlement purchase company for a period to be determined at the discretion of the court; and

(3) enjoin the structured settlement purchase company or transferee from filing new structured settlement transfer proceedings in this state or otherwise pursuing transfers in this state.

Sec. 20. [549.37] REQUIRED DISCLOSURES TO PAYEE.

(a) No direct or indirect transfer of structured settlement payment rights shall be effective and no structured settlement obligor or annuity issuer shall be required to make any payment directly or indirectly to any transferee or assignee of structured settlement payment rights unless the transfer has been approved in advance in a final court order based on express findings by the court that:

(3) neither the annuity issuer nor the structured settlement obligor may be required to divide any periodic payment between the payee and any transferee or assignee or between two or more transferees or assignees; and

Sec. 23. [549.40] PROCEDURE FOR APPROVAL OF TRANSFERS.

Subdivision 1. **Application; proof of registration.** An application under sections 549.30 to 549.41 for approval of a transfer of structured settlement payment rights must be made by the transferee. The application must be brought in the district court of the county in which the payee is domiciled, except that the application may be brought in the court in this state that approved the structured settlement agreement if the structured settlement agreement requires the application be brought in that court. At the time an application is made under this section for the approval of a transfer of structured settlement payment rights, the application of the transferee must include evidence that the transferee is registered to do business in this state as a structured settlement purchase company pursuant to section 549.35.

Subd. 2. **Hearing.** A timely hearing must be held on an application for approval of a transfer of structured settlement payment rights. The payee must appear in person at the hearing, unless the court determines that good cause exists to excuse the payee from appearing in person.

Subd. 3. **Notice.** Not less than 20 days before the scheduled hearing on any application for approval of a transfer of structured settlement payment rights pursuant to sections 549.30 to 549.41, the transferee shall file with the court and serve on all interested parties a notice of the proposed transfer and application for authorization, including with such notice:

(2) a copy of the transfer agreement;

(3) a copy of the disclosure statement required by section 549.37;

(4) the payee's name, age, county of domicile, and the number and ages of each of the payee's dependents;

(5) a summary of:

(i) any prior transfers by the payee to the transferee or an affiliate, or through the transferee or an affiliate to an assignee, within the four years preceding the date of the transfer agreement and any proposed transfers by the payee to the transferee or an affiliate, or through the transferee or an affiliate, applications for approval of which were denied within the two years preceding the date of the transfer agreement; and

(ii) any prior transfers by the payee to any person or entity other than the transferee or an affiliate or an assignee of the transferee or an affiliate within the three years preceding the date of the transfer agreement and any prior proposed transfers by the payee to any person or entity other than the transferee or an affiliate or an assignee of a transferee or affiliate, applications for approval of which were denied within the one year preceding the date of the current transfer agreement, to the extent that the transfers or proposed transfers have been disclosed to the transferee by the payee in writing or otherwise are actually known to the transferee;

(6) notification that any interested party is entitled to support, oppose, or otherwise respond to the transferee's application, either in person or by counsel, by submitting written comments to the court or by participating in the hearing; and

(7) notification of the time and place of the hearing and notification of the manner in which and the date by which written responses to the application must be filed to be considered by the court, which must not be less than five days before the hearing.

Subd. 4. **Dismissal.** If the payee cancels a transfer agreement or if the transfer agreement otherwise terminates, after an application for approval of a transfer of structured settlement payment rights has been filed and before it has been granted or denied, the transferee must promptly request the dismissal of the application.

Sec. 24. [549.405] APPOINTMENT OF ATTORNEY.

Subdivision 1. **Discretionary appointment.** The court is authorized and may, in its discretion, appoint an attorney to make an independent assessment and advise the court whether the proposed transfer is in the best interest of the payee, taking into consideration the payee's dependents, if any.

All costs and reasonable fees for the appointed attorney shall be borne by the transferee, not to exceed \$1,500.

Subd. 2. **Mandatory appointment.** The court shall appoint an attorney in any case involving:

(1) a proposed transfer of a minor's structured settlement payments rights by a parent or guardian where the attorney must advise the court on whether the proposed transfer is of direct benefit to the minor; or

(2) a proposed transfer of structured settlement payment rights involving a payee if it appears to the court that the payee may suffer from a mental or cognitive impairment.

Subd. 3. **Required motion; mental or cognitive impairment of payee.** (a) The transferee shall file a motion for the appointment of an attorney prior to a hearing on the proposed transfer if the transferee:

(1) is aware that the underlying structured settlement arose from a case in which a finding was made in a court record of a mental or cognitive impairment on the part of the payee; or

(2) is aware of any other case in which a finding was made in a court record of a mental or cognitive impairment on the part of the payee.

(b) In conjunction with the motion, the transferee shall provide to the court, either in-camera or as directed by the court in a way to protect the privacy of the payee, any such findings known to the transferee that describe the nature, extent, or consequences of the payee's cognitive mental or cognitive impairment.

Sec. 25. [549.41] GENERAL PROVISIONS; CONSTRUCTION.

Subdivision 1. **Waiver prohibited.** The provisions of sections 549.30 to 549.41 may not be waived by a payee.

Subd. 2. **Choice of law; venue.** Any transfer agreement entered into by a payee who is domiciled in this state must provide that dispute under the transfer agreement, including any claims that the payee has breached the agreement, and must be determined in and under the laws of this state. No such transfer agreement shall authorize the transferee or any other party to confess judgment or consent to entry of judgment against the payee.

Subd. 3. **Life-contingent payments.** No transfer of structured settlement payment rights shall extend to any payments that are life contingent unless, prior to the date on which the payee signs the transfer agreement, the transferee has established and has agreed to maintain procedures reasonably satisfactory to the annuity issuer and the structured settlement obligor (1) periodically confirms the payee's survival, and (2) gives the annuity issuer and the structured settlement obligor prompt written notice in the event of the payee's death.

Subd. 4. **Liability.** (a) No payee who proposes to make a transfer of structured settlement payment rights shall incur any penalty, forfeit any application fee or other payment, or otherwise incur any liability to the proposed transferee or any assignee based on any failure of such transfer to satisfy the conditions of sections 549.30 to 549.41.

(b) Compliance with the requirements set forth in sections 549.30 to 549.41 are solely the responsibility of the transferee in any transfer of structured settlement payment rights and neither the structured settlement obligor nor the annuity issuer, if any, has any responsibility for, or any liability arising from, noncompliance with such requirements or failure to fulfill such conditions.

Subd. 5. **Construction.** (a) Nothing contained in sections 549.30 to 549.41 shall be construed to authorize the transfer of workers' compensation payment rights in contravention of applicable law or to give effect to the transfer of workers' compensation payment rights that is invalid under applicable law.

(b) Nothing contained in sections 549.30 to 549.41 shall:

(1) be construed to authorize any transfer of structured settlement payment rights in contravention of any applicable law or to imply that any transfer under a transfer agreement entered into before August 1, 2022, is valid or invalid; or

(2) affect the validity of any transfer of structured settlement payment rights, whether under a transfer agreement entered into or filed before August 1, 2022, in which the structured settlement obligor and annuity issuer waived or has not asserted their rights under terms of the structured settlement prohibiting or restricting the sale, assignment, or encumbrance of the structured settlement payment rights.

Subd. 6. **Application.** Sections 549.30 to 549.41 apply to any transfer of structured settlement payment rights filed on or after August 1, 2022.
