S.F. No. 2448: A bill for an act relating to housing; providing tenants with a right to repair violations in a residential rental unit; proposing coding for new law in Minnesota Statutes, chapter 504B.

Reports the same back with the recommendation that the bill be amended as follows:

Delete everything after the enacting clause and insert:

"Section 1. **[504B.386] TENANT RIGHT TO REPAIR TO REMEDY VIOLATIONS.**

Subdivision 1. **Right to repair.** In lieu of a rent escrow action under section 504B.385, a tenant may pay for the repairs in a residential rental unit after notice and an opportunity to repair has been provided to the landlord as provided in this section. The tenant may subtract the cost of the repairs from the tenant's future rent or receive a reimbursement as provided in this section.

Subd. 2. **Noticed required.** (a) Prior to contracting for repairs and paying for a repair to the residential rental unit, the tenant must:

(1) provide a written notice to the landlord at the address where the tenant sends rent;

(2) either call or send an email communication to the landlord, if the telephone number or email is known; and

(3) notify the landlord of the repair that is needed and of the tenant's intent to deduct the cost of the repair from the tenant's rent.

(b) Except as provided under paragraph (c), the tenant must provide the notice required under this subdivision at least 14 days before making any repairs.

(c) For a violation as defined in section 504B.001, subdivision 14, clause (1), the residential tenant must include a copy of the written notice of the code violation as provided in section 504B.185, subdivision 2, if an inspection has occurred. The tenant must inform the landlord of the tenant's intent to use the tenant's future rent to pay for the repairs when the notice is provided.

(d) For a violation as defined in section 504B.001, subdivision 14, clause (2) or (3), the tenant must include in the written notice to the landlord information specifying the violation.

Subd. 3. **Tenant contracting repairs; bids; notice.** (a) If the landlord has not provided the tenant with a scheduled repair date or the violation is not corrected within 14 days of the tenant providing written notice under subdivision 2, the tenant may contract for repairs. A tenant may contract for repairs under the same process in this section for necessary repairs in a common area of a residential building if the repair is necessary for the safety and operation of the building for tenants.

(b) A tenant contracting for repairs under this section must obtain bids from two different contractors or servicers that routinely repair or specialize in making the type of repair that is needed and must choose the contractor or servicer with the lower bid. The tenant must notify the landlord of each bid received within 24 hours of receiving a bid and must notify the landlord of any scheduled repairs within 24 hours of scheduling the repair date.

Subd. 4. **Deduction; reimbursement.** (a) The tenant must provide a payment receipt to the landlord before subtracting the amount paid for repairs from the rent. The tenant may reduce the rent for each rental payment owed until the total amount of the repair has been paid. Any deductions made by a tenant under this section is limited to an amount equal to rent payment for two months within a 12-month period.

(b) As an alternative to a tenant's deduction of rent, a landlord may directly reimburse the tenant for the cost of repairs listed on a payment receipt.

(c) A landlord must reimburse a tenant for any outstanding payments made by a tenant under this section if the lease terminates before the tenant is able to deduct costs from future rent.

(d) Notwithstanding a tenant's payment for repairs that are deducted from rent under this subdivision, nothing in this subdivision relieves a landlord from the requirements of United States Code, title 26, section 6041, paragraph (a).

Subd. 5. **Liability; rights to property.** (a) A contractor or servicer who enters the premises to make repairs under this section is liable to the landlord for any damage to property.

(b) Any new appliance acquired pursuant to this section is the property of the landlord.

Subd. 6. **Exemption.** This section does not apply to emergency repairs under section 504B.381."

Amend the title as follows:

Page 1, line 3, after the semicolon, insert "requiring a notice; permitting a tenant to make deductions from rent;"

And when so amended the bill do pass and be re-referred to the Committee on Judiciary and Public Safety. Amendments adopted. Report adopted.

(b) For purposes of this section, a third party asserting rights on behalf of a tenant is considered the same as if that tenant directly asserted their rights.

Subd. 2. **Rights protected.** For the purposes of subdivision 1, asserting rights includes but is not limited to:

(1) complaining about a violation of the lease or the law to the landlord;

(2) calling for police or emergency assistance;

(3) the tenant's good faith attempt to secure or enforce rights under a lease or contract, oral or written, under the laws of the state or any of its governmental subdivisions, or of the United States;

(4) the tenant's good faith report to a governmental authority of the plaintiff's violation of a health, safety, housing, or building code or ordinance;

(5) organizing, participating in organizing, protesting, demonstrating, or becoming a member of a housing-related neighborhood organization or similar organization;

(6) suing the landlord or testifying in a court proceeding, an administrative hearing, or a legislative hearing, or any public space against the landlord; or

(7) exercising any right or remedy provided by law.

Subd. 3. **Prohibited conduct.** For the purposes of subdivision 1, retaliatory conduct includes but is not limited to:

(1) filing an eviction;

(2) increasing the rent due;

(3) terminating or nonrenewing a tenancy;

(4) increasing a tenant's obligations under a lease;

(5) decreasing services to a tenant;

(6) altering an existing rental agreement;

(7) imposing any penalty on a tenant; or

(8) threatening retaliatory conduct.

Subd. 4. **Presumption of retaliation.** (a) The landlord has the burden of proving a substantial nonretaliatory purpose, wholly unrelated to and unmotivated by the tenant's protected activity, if the conduct prohibited under subdivision 3 occurs within one year after the tenant asserts a right.

(b) If the conduct prohibited under subdivision 3 occurs more than one year after the tenant asserted a right, the tenant must make a prima facie case, by a preponderance of the evidence, that:

(1) the tenant asserted a right;

(2) the landlord, through act or omission, committed retaliatory conduct; and

(3) the conduct prohibited under subdivision 3 was intended to penalize the tenant for asserting the right.

Then, the burden shifts to the landlord to prove a substantial nonretaliatory purpose, wholly unrelated to and unmotivated by the tenant's protected activity. If the landlord meets their burden, the tenant must be afforded a fair opportunity to prove that the landlord's stated nonretaliatory purpose is in fact pretext.

Subd. 5. **Right to explanation.** If a tenant alleges that any action a landlord has taken is retaliatory, the landlord must provide a reason to the tenant in writing explaining the landlord's

reason for taking that action within one week of the tenant's written request for an explanation. Failure to do so creates a presumption of retaliation regardless of when the action was taken.

Subd. 6. **Penalty.** If a landlord violates subdivision 1 of this statute, the tenant is entitled to a civil penalty of up to three month's rent for each violation along with actual damages, or \$1,000, whichever is greater, court costs, reasonable attorney fees, and equitable relief including injunction against enforcement of the retaliatory notice. A residential tenant may follow the procedures in sections 504B.381, 504B.385, and 504B.395 to 504B.471, or commence a civil action, to enforce the provisions of this section. The penalty may be awarded if the tenant proves retaliation in any other case, including eviction cases.

Subd. 7. **Right to cure material breach.** Notwithstanding sections 504B.281 to 504B.371, in any eviction proceeding where the landlord asserts a material breach of the lease and the tenant has asserted retaliation as a defense, if the court finds that the landlord's action was not retaliatory, the court shall issue an order in favor of the landlord for costs. The court shall order the tenant to come into compliance with the lease within 30 days. If the tenant fails to come into lease compliance within 30 days, the landlord may, upon a showing to the court that three days' written notice was given to the resident, move the court for a writ of recovery to recover possession.

Subd. 8. **No waiver.** The tenant rights under this section may not be waived or modified, by contract or otherwise.

Subd. 9. **Liberal construction.** This section shall be liberally construed for the protection of tenants.

Subd. 10. **Additional remedies.** The purpose of this section is to provide additional remedies and are in addition to and do not limit other rights or remedies which may be available to the tenant and landlord.

Sec. 19. Minnesota Statutes 2022, section 504B.173, subdivision 1, is amended to read:

Subdivision 1. **Limitations.** A landlord may not:

(1) charge an applicant a screening or application fee ~~when the landlord knows or should have known that no rental unit is available at that time or will be available within a reasonable future time;~~ in order to apply to enter or to enter into a rental agreement for a residential dwelling unit. Any attempted waiver of this section by a landlord and tenant, by contract or otherwise, shall be void and unenforceable. The tenant shall recover from the landlord treble actual and consequential damages or \$1,000, whichever is greater, and reasonable attorney fees, for a violation of this section.

(2) collect or hold an applicant screening fee without giving the applicant a written receipt for the fee, which may be incorporated into the application form, upon request of the applicant; or

(3) use, cash, or deposit an applicant screening fee until all prior applicants have either been screened and rejected, or offered the unit and declined to enter into a rental agreement.

Sec. 20. Minnesota Statutes 2022, section 504B.175, subdivision 1, is amended to read:

Subdivision 1. **Definition.** For the purpose of this section, "prelease deposit" means payment given to a landlord from a prospective tenant of a residential dwelling unit before the prospective tenant and the landlord have entered into a rental agreement. ~~"Prelease deposit" does not include the payment of a reasonable applicant screening fee used to conduct a background check on the prospective tenant.~~

Sec. 21. Minnesota Statutes 2022, section 504B.175, is amended by adding a subdivision to read:

Subd. 2a. **Prohibition.** Prelease deposits are prohibited. Any attempted waiver of this section by a landlord and tenant, by contract or otherwise, shall be void and unenforceable. Sec. 22. Minnesota Statutes 2022, section 504B.177, is amended to read:

504B.177 LATE FEES.

(a) A landlord of a residential building may not charge a late fee if the rent is paid after the due date, unless the tenant and landlord have agreed in writing that a late fee may be imposed. The agreement must specify when the late fee will be imposed. In no case may the late fee exceed eight percent of the overdue rent payment. Any late fee charged or collected is not considered to be either interest or liquidated damages. For purposes of this paragraph, the "due date" does not include a date, earlier than the date contained in the written or oral lease by which, if the rent is paid, the tenant earns a discount.

(b) Notwithstanding paragraph (a), if a federal statute, regulation, or handbook permitting late fees for a tenancy subsidized under a federal program conflicts with paragraph (a), then the landlord may publish and implement a late payment fee schedule that complies with the federal statute, regulation, or handbook.

(c) Any attempted waiver of this section by a landlord and tenant, by contract or otherwise, shall be void and unenforceable. The tenant shall recover from the landlord treble actual and consequential damages or \$1,000, whichever is greater, and reasonable attorney fees, for a violation of this section. This section shall be liberally construed for the protection of tenants.

Sec. 23. Minnesota Statutes 2022, section 504B.178, subdivision 7, is amended to read:

Subd. 7. **Bad faith retention.** The bad faith retention by a landlord of a deposit, the interest thereon, or any portion thereof, in violation of this section shall subject the landlord to punitive damages not to exceed ~~\$500~~ \$750 for each deposit in addition to the damages provided in subdivision 4 and reasonable attorney fees. If the landlord has failed to comply with the provisions of ~~subdivision subdivisions 3 or and 5~~, retention of a deposit shall be presumed to be in bad faith unless the landlord returns the deposit within two weeks after the commencement of any action for the recovery of the deposit.

Sec. 24. Minnesota Statutes 2022, section 504B.178, subdivision 10, is amended to read:

Subd. 5. **Remedies additional.** The remedies provided in this section are in addition to and shall not limit other rights or remedies available to landlords and tenants. Any provision, whether oral or written, of any lease or other agreement, whereby any provision of this section is waived by a tenant, is contrary to public policy and void. A violation of this section violates section 504B.161. This section shall be liberally construed for the protection of tenants.

Sec. 37. Minnesota Statutes 2022, section 504B.285, subdivision 2, is amended to read:

Subd. 2. **Retaliation defense.** It is a defense to an action for recovery of premises ~~following the alleged termination of a tenancy by notice to quit for the defendant to prove by a fair preponderance of the evidence that:~~ that the action is retaliatory in violation of section 504B.163.

~~(2) the alleged termination was intended in whole or part as a penalty for the defendant's good faith report to a governmental authority of the plaintiff's violation of a health, safety, housing, or building code or ordinance.~~

(e) The court may not require the defendant to pay any amount of money into court, post a bond, make a payment directly to a landlord, or by any other means post security for any purpose prior to

final disposition of an action, except if the final disposition of the action may be delayed for more than ten days, the court may order the defendant to provide security in a form and amount that the court approves, based on the totality of the circumstances, provided that the amount of security may not include any amounts allegedly owed prior to the date of filing of the action and may not exceed the amount of the monthly or periodic rent that accrues during the pendency of the action. (b) The residential tenant shall present a verified petition to the district court of the judicial district of the county in which the premises are located that:

(1) describes the premises and the landlord;

(2) specifically states the facts and grounds that demonstrate that the exclusion or removal was unlawful, including a statement that no writ of recovery of the premises and order to vacate has been issued under section 504B.345 in favor of the landlord and against the residential tenant and executed in accordance with section 504B.365; and

(d) The residential tenant shall furnish security, if any, that the court finds is appropriate under the circumstances for payment of all costs and damages the landlord may sustain if the order is

subsequently found to have been obtained wrongfully. In determining the appropriateness of security, the court shall consider the residential tenant's ability to afford monetary security.

(e) The court shall direct the order to the sheriff of the county in which the premises are located and the sheriff shall execute the order immediately by making a demand for possession on the landlord, if found, or the landlord's agent or other person in charge of the premises. If the landlord fails to comply with the demand, the officer shall take whatever assistance may be necessary and immediately place the residential tenant in possession of the premises. If the landlord, the landlord's agent, or other person in control of the premises cannot be found and if there is no person in charge, the officer shall immediately enter into and place the residential tenant in possession of the premises. Sec. 4. [115A.1443] REGISTRATION OF PRODUCER RESPONSIBILITY ORGANIZATIONS.

Subdivision 1. **Annual registration.** (a) By January 1, 2025, and annually thereafter, producers must appoint a producer responsibility organization and the organization must register with the commissioner by submitting the following:

(4) a list of current board members and the executive director if different than the person responsible for implementing approved stewardship plans; and

(5) payment of the annual fee required under subdivision 2.

(b) If more than a single producer responsibility organization is established, the producers and producer responsibility organizations must establish a coordinating body and process to prevent redundancy of service contracts among service providers and to ensure the efficient delivery of waste management services. The stewardship plans of all producer responsibility organizations must be integrated into a single stewardship plan that covers all requirements of this act and encompasses all producers when submitted to the commissioner for approval. The annual reports of all producer responsibility organizations must be integrated into a single annual report that covers all requirements of this act and encompasses all producers when submitted to the commissioner.

The annual fee must be set at an amount anticipated to in the aggregate meet but not exceed the commissioner's estimate of the costs required to perform the commissioner's duties as described in section 115A.1445 and to otherwise administer, implement, and enforce this act.

(b) The commissioner must reconcile the fees paid by a producer responsibility organization under this subdivision with the actual costs incurred by the agency on an annual basis, by means of credits or refunds to or additional payments required of a producer responsibility organization, as applicable.

Subd. 3. Initial producer responsibility organization registration; implementation fee. (a) Notwithstanding the other provisions of this section, the commissioner may not allow registration of more than one producer responsibility organization under this section before the first stewardship plan approved by the commissioner expires. If more than one producer responsibility organization applies to register under this section before the first stewardship plan is approved by the commissioner, the commissioner must select the producer responsibility organization that will represent producers until the first stewardship plan expires and must return the registration fee paid by applicants who are not selected. When selecting a producer responsibility organization, the commissioner must consider whether the producer responsibility organization:

(1) has a governing board consisting of producers that represent a diversity of covered materials sold, offered for sale, or distributed in the state; and

(2) demonstrates adequate financial responsibility and financial controls to ensure proper management of funds.

(b) By October 1, 2025, and annually until the first stewardship plan is approved, the commissioner must provide written notice to the initial producer responsibility organization registered under this section of the commissioner's estimate of the cost of conducting the initial needs assessment and the commissioner's costs to administer this act during the period prior to plan approval. The producer responsibility organization must remit payment in full for these costs to the commissioner within 45 days of receipt of this notice. The producer responsibility organization may charge each member producer to cover the cost of its implementation fee according to each producer's unit-, weight-, volume-, or sales-based market share or by another method it determines to be an equitable determination of each producer's payment obligation.

Subd. 4. Requirement for additional producer responsibility organizations. The commissioner may allow registration of more than one producer responsibility organization if:

(1) producers of a covered materials type or a specific covered material appoint a producer responsibility organization; or

Each advisory board member is responsible for reviewing the conflict of interest policies and procedures. An advisory board member must disclose any instance of actual or perceived conflicts of interest at each meeting of the advisory board at which recommendations regarding stewardship plans, programs, operations, or activities are made by the advisory board.

Subd. 4. Plan and amendment review and approval procedure. (a) The commissioner must review and approve, deny, or request additional information for a draft stewardship plan or a draft plan amendment no later than 120 days after the date the commissioner receives it from a producer responsibility organization. The commissioner must post the draft plan or draft amendment on the agency's website and allow public comment for no less than 45 days before approving, denying, or requesting additional information on the draft plan or draft amendment.

(b) If the commissioner denies, or requests additional information for, a draft plan or draft amendment, the commissioner must provide the producer responsibility organization with the reasons, in writing, that the plan or plan amendment does not meet the plan requirements of subdivision 3. The producer responsibility organization shall have 60 days from the date that the rejection or request for additional information is received to submit to the commissioner any additional information necessary for the approval of the draft plan or draft amendment. The commissioner shall review and approve or disapprove the revised draft plan or draft amendment no later than 60 days after the date the commissioner receives it.

(c) A producer responsibility organization may resubmit a draft plan or draft amendment to the commissioner on not more than two occasions. If after the second resubmission, the commissioner determines that the draft plan or draft amendment does not meet the plan requirements of this act, the commissioner must modify the draft plan or draft amendment as necessary for it to meet the requirements of this act and approve it.

(d) Upon recommendation by the advisory board, or upon the commissioner's own initiative, the commissioner may require an amendment to a stewardship plan if the commissioner determines that an amendment is necessary to ensure that the producer responsibility organization maintains compliance with the requirements of this act.

Subd. 5. Performance targets. (a) The producer responsibility organization must propose performance targets based on the needs assessment that meet the statewide requirements in subdivision 7 that must be included in a stewardship plan approved under this section. Performance targets must include targets for waste reduction, reuse, recycling, composting, and postconsumer recycled content by covered materials type that are to be achieved by the end of the stewardship plan's term. The producer responsibility organization must select the unit that is most appropriate to measure each performance target as informed by the needs assessment.

(b) The commissioner may require that a producer responsibility organization obtain third-party certification of any activity or achievement of any standard required by this act. The commissioner must provide a producer responsibility organization with notice of at least one year prior to requiring use of third-party certification under this paragraph.

(c) Proposed performance targets must demonstrate continuous improvement in reducing environmental impacts and human health impacts of covered material over time.

Subd. 6. Measurement criteria for performance targets. (a) For purposes of determining whether recycling performance targets are being met, except as modified by the commissioner, a stewardship plan must provide for the measurement of the amount of recycled material to be at the point at which material leaves a recycling facility and must account for:

(1) levels of estimated contamination documented by the facility;

(2) any exclusions for fuel or energy capture; and

(3) compliance with sections 115A.965, 116.943, 325F.075, and 325F.172 to 325F.179, and all other laws pertaining to toxic substances in covered materials.

(b) For purposes of determining whether source reduction performance targets are being met, a stewardship plan must provide for the measurement of the amount of source reduction of covered materials in a manner that can determine the extent to which the amount of material used for a covered material is eliminated beyond what is necessary to efficiently deliver a product without damage or spoilage, or other means of covered material redesign to reduce overall use and environmental impacts.

(c) For purposes of determining whether reuse targets are being met, a stewardship plan must provide for measuring to be the amount of reusable covered materials to be at the point at which reusable covered materials meet the following criteria as demonstrated by the producer and approved by the commissioner:

(1) whether the average minimum number of cycles of reuses within a recognized reuse system has been met based on the number of times an item must be reused for it to have lower environmental impacts; and

(2) whether the demonstrated or research-based anticipated return rate of the covered material to the reuse system has been met.

(d) For other targets, the producer responsibility organization must propose a calculation point for review and approval as part of the stewardship plan based on findings from the needs assessment.

Subd. 7. **Statewide requirements.** (a) The producer responsibility organization must ensure the following requirements are met by the end of the year indicated:

(1) by 2033:

(i) 65 percent of covered materials by weight sold into the state must be recycled or composted;

(ii) ten percent of the number of units of packaging sold into the state must be returned to an established reuse system;

(iii) the weight of covered materials introduced in the state must be source reduced by 15 percent, compared to levels identified in the initial needs estimate; and

(iv) all covered materials sold, offered for sale, or distributed for sale in this state must contain at least ten percent postconsumer recycled content, with all covered materials containing an overall average of at least 30 percent; and

(2) by 2038:

(i) 75 percent of covered materials by weight sold into the state must be recycled or composted;

(ii) 20 percent of the number of units of packaging sold into the state must be returned to an established reuse system;

(iii) the weight of covered materials introduced in the state must be source reduced by 25 percent, compared to levels identified in the initial needs estimate; and

(iv) all covered materials sold, offered for sale, or distributed for sale in this state must contain at least 30 percent postconsumer recycled content, with all covered products containing an overall average of at least 50 percent.

(b) The commissioner may adjust any requirement established in paragraph (a) by no more than five percent but must submit the proposed adjustment to the advisory board and consider the board's recommendations before making the adjustment.

(c) After 2038, the commissioner may establish additional statewide requirements for the amount of covered materials that must be recycled or composted, the number of units of packaging sold into the state that must be returned to an established reuse system, the weight of covered materials sold into the state that must be source reduced, and the percent of postconsumer recycled content that must be used in covered materials introduced into this state. These statewide requirements must not be less than those listed in this subdivision.

Sec. 13. [115A.1453] RECYCLABLE OR COMPOSTABLE COVERED MATERIALS LISTS.

Subdivision 1. **List required.** By March 1, 2027, and at least every three years thereafter, the commissioner must complete a list of covered materials determined to be recyclable or compostable statewide through systems where covered materials are commingled into a recyclables stream and a separate compostables stream.

Subd. 2. **Input from interested parties.** The commissioner must consult with the advisory board, producer responsibility organizations, service providers, political subdivisions, and other interested parties to develop the recyclable or compostable covered materials lists.

Subd. 3. **Requirements.** To be included on the recyclable or compostable covered materials lists:

(6) the covered material must satisfy any other requirements determined by the commissioner.

Subd. 4. **Amendment.** The commissioner may amend a list completed under this section at any time and must provide amended lists to producer responsibility organizations as soon as possible after adopting an amendment. Producer responsibility organizations must provide amended lists to service providers as soon as possible after receiving the amendment and work to incorporate changes in relevant service provider agreements and operations within a year.

Sec. 14. [115A.1454] PRODUCER FEES.

Subdivision 1. **Annual fee.** A producer responsibility organization must annually collect a fee from each producer that must:

(1) be based on the total amount of covered materials each producer introduces in the prior year calculated on a per-unit basis, such as per ton, per item, or another unit of measurement;

(2) incentivize using materials and design attributes that reduce the environmental impacts and human health impacts, as determined by the commissioner, of covered materials by the following methods:

(i) eliminating intentionally added toxic substances in covered materials;

(ii) reducing the amount of packaging per individual covered material that is necessary to efficiently deliver a product without damage or spoilage without reducing its ability to be recycled or reducing the amount of paper used to manufacture individual paper products;

(iii) increasing covered materials managed in a reuse system;

(iv) increasing the proportion of postconsumer material in covered materials;

(v) enhancing recyclability or compostability of a covered material; and

(vi) increasing the amount of inputs derived from renewable and sustainable sources;

(3) discourage using materials and design attributes in a producer's covered materials whose environmental impacts and human health impacts, as determined by the commissioner, can be reduced by the methods listed under clause (2);

(4) prioritize reuse by charging covered materials that are managed through a reuse system only once, upon initial entry into the marketplace, and by applying the lowest fee to these covered materials; and

(5) generate revenue sufficient to pay in full:

(i) the annual registration fee required under section 115A.1443;

(ii) financial obligations to complete activities described in an approved stewardship plan and to reimburse service providers under agreements in section 115A.1455;

(iii) the operating costs of the producer responsibility organization; and

(iv) for the establishment and maintenance of a financial reserve that is sufficient to operate the program in a fiscally prudent and responsible manner.

Subd. 2. **Overcollections.** Revenue collected under this section that exceeds the amount needed to pay the costs described in subdivision 1, clause (5), must be used to improve or enhance program outcomes or to reduce producer fees according to provisions of an approved stewardship plan.

Subd. 3. **Prohibited conduct.** Fees collected under this section may not be used for lobbying, as defined in section 3.084, subdivision 1.

Sec. 15. **[115A.1455] SERVICE PROVIDER AGREEMENTS; REIMBURSEMENT RATES.**

Subdivision 1. **Service provider agreements and reimbursement required.** The terms and conditions of the provision of reuse, collection, recycling, or composting services under an approved stewardship plan must be established under a service agreement between a producer responsibility organization and a service provider. In addition to the terms and conditions established in an approved stewardship plan, each agreement must:

(1) establish strong labor standards and work safety practices, including but not limited to safety programs, health benefits, and living wages;

(2) require the service provider to meet established performance standards;

(3) prohibit the service provider from charging a fee to any person for the services provided under the service agreement; and

(4) establish clear and reasonable timelines for reimbursement.

Subd. 2. **Collection of recyclables.** If a household does not have access to collection services at a comparable level of convenience as collection services for mixed municipal solid waste for covered materials on the recyclable covered materials list established under section 115A.1453, the producer responsibility organization must ensure that collection service is available to the household through a service provider.

Subd. 3. **Bidding processes.** (a) For procurement of services for management of covered materials and for infrastructure investments included under an approved stewardship plan, a producer responsibility organization must use the competitive bidding processes established in section 16C.28, subdivision 1, and publicly post bid opportunities when entering into agreements with service providers that are not political subdivisions, except that preference must be given to existing facilities, providers of services, and accounts in the state for reuse, collection, recycling, and composting of covered materials.

(b) No producer or producer responsibility organization may own or partially own infrastructure except that if, after a bidding process described in paragraph (a), no service provider bids on the contract, the producer responsibility organization may make infrastructure investments identified under an approved stewardship plan to implement the requirements in this act.

Subd. 4. **Reimbursement rates.** (a) Each service agreement must include reimbursement rates for services that are based on formulas that:

(1) incorporate relevant cost information identified by the needs assessment;

(2) reflect conditions that affect reuse, collection, recycling, and composting costs in the region or jurisdiction in which the services are provided, including but not limited to:

(i) the number and size of households;

(ii) population density;

(iii) collections methods employed;

(iv) distance to consolidation or transfer facilities, reuse, recycling, or composting facilities, or to responsible markets; and

(7) reflect the cost of managing contamination and cleaning or sanitation needed for reuse systems.

(b) Each service agreement with a service provider who is also a political subdivision must include reimbursement rates that use a rate established in a contract between a political subdivision and one or more service providers in place of paragraph (a), clauses (1) and (2), as established in subdivision 4.

Subd. 5. **Local government authority.** Nothing in this section shall be construed to require a political subdivision to agree to operate under a stewardship plan, nor does it restrict the authority of a political subdivision to provide waste management services to residents or to contract with any entity to provide waste management services.

Subd. 6. **Dispute resolution.** There must be a dispute resolution process for disputes related to reimbursements and the service agreements utilizing third-party mediators.

Sec. 16. **[115A.1456] REPORTING.**

Subdivision 1. **Producer responsibility organization annual report.** (a) By July 1, 2031, and each May 1 thereafter, a producer responsibility organization must submit a written report to the commissioner that contains, at a minimum, the following information for the previous calendar year:
