Subdivision 1. **General.** Notwithstanding any law to the contrary and upon any necessary federal approval, a health carrier shall offer in the individual, small, and large group market a reference-based pricing health plan that meets the requirements of this section.

Subd. 2. **Provider participation.** (a) An enrollee of a reference-based pricing health plan may access any health care provider who has agreed to:

(1) a reimbursement rate up to but not greater than the reimbursement rate specified in the enrollee's reference-based pricing plan as defined under subdivision 5; and

(2) any other terms and conditions offered by the health carrier. Any terms and conditions offered by the health carrier must be the same for all health care providers who agree to participate in the health plan.

(b) A health carrier may require a participating provider to meet reasonable data, utilization review, and quality assurance requirements.

(c) A provider who agrees to participate must provide services to all enrollees of the health plan if the provider's reimbursement rates are equal to or less than those services specified in the enrollee's health plan.

Subd. 3. **Reimbursement rates.** (a) The reimbursement rates offered to providers that agree to participate in a reference-based pricing health plan must be based on a percentage relative to the rates defined by the most recent medical assistance fee-for-service reimbursement fee schedules promulgated by the Department of Human Services.

(b) For services that do not have a corresponding medical assistance fee-for-service reimbursement value, the health carrier must negotiate the rates based on other fee schedules used within the health care market.

(c) If a reference-based pricing health plan's reimbursement rate is at least 190 percent above the medical assistance fee-for-service rate and the health plan is offered in all counties throughout Minnesota, the health plan is exempt from the geographic and network adequacy requirements under section 62K.10.

(d) A provider who agrees to participate in the health plan agrees to accept the reimbursement rate as payment in full under the terms of the health plan in accordance with section 62K.11.

Subd. 4. **Conditions.** (a) Nothing in this section requires a provider to participate in a reference-based pricing health plan. A health carrier is prohibited from requiring, as a condition of participation in any other health plan, product, or other arrangement offered by the health carrier, that the provider participate in a reference-based pricing health plan.

(b) Nothing in this section requires a health carrier to provide coverage for a service or treatment that is not covered under the enrollee's health plan.

(c) A reference-based pricing health plan may impose cost-sharing requirements, including co-payments, deductibles, and coinsurance and reasonable referral and prior authorization requirements.

Subd. 5. **Definitions.** (a) For purposes of this section, the following terms have the meaning given.

(b) "Provider" has the meaning given in section 62J.03, subdivision 8.

(c) "Reference-based pricing health plan" means a health plan in which the employer pays a set price for each service instead of negotiating prices with providers."

216B.01 LEGISLATIVE FINDINGS.

It is the policy of this state to preserve a safe, reliable, and affordable energy system that facilitates the use of all available energy options. It is hereby declared to be in the public interest that public utilities be regulated as hereinafter provided in order to provide the retail consumers of natural gas and electric service in this state with adequate and reliable services at reasonable rates, consistent with the financial and economic requirements of public utilities and their need to construct facilities to provide such services or to otherwise obtain energy supplies, to avoid unnecessary duplication of facilities which increase the cost of service to the consumer and to minimize disputes between public utilities which may result in inconvenience or diminish efficiency in service to the consumers. Because municipal utilities are presently effectively regulated by the residents of the municipalities which own and operate them, and cooperative electric associations are presently effectively regulated and controlled by the membership under the provisions of chapter 308A, it is deemed unnecessary to subject such utilities to regulation under this chapter except as specifically provided herein."

"Sec. 23. Minnesota Statutes 2023 Supplement, section 515B.3-102, is amended to read:

515B.3-102 POWERS OF UNIT OWNERS' ASSOCIATION.

(a) Except as provided in subsections (b), (c), (d), (e), and (f) and subject to the provisions of the declaration or bylaws, the association shall have the power to:

(1) adopt, amend and revoke rules and regulations not inconsistent with the articles of incorporation, bylaws and declaration, as follows: (i) regulating the use of the common elements; (ii) regulating the use of the units, and conduct of unit occupants, which may jeopardize the health, safety or welfare of other occupants, which involves noise or other disturbing activity, or which may damage the common elements or other units; (iii) regulating or prohibiting animals; (iv) regulating changes in the appearance of the common elements and conduct which may damage the common interest community; (v) regulating the exterior appearance of the common interest community, including, for example, balconies and patios, window treatments, and signs and other displays, regardless of whether inside a unit; (vi) implementing the articles of incorporation,

declaration and bylaws, and exercising the powers granted by this section; and (vii) otherwise facilitating the operation of the common interest community;

(2) adopt and amend budgets for revenues, expenditures and reserves, and levy and collect assessments for common expenses from unit owners;

(3) hire and discharge managing agents and other employees, agents, and independent contractors;

(4) institute, defend, or intervene in litigation or administrative proceedings (i) in its own name on behalf of itself or two or more unit owners on matters affecting the common elements or other matters affecting the common interest community or, (ii) with the consent of the owners of the affected units on matters affecting only those units;

(5) make contracts and incur liabilities;

(6) regulate the use, maintenance, repair, replacement, and modification of the common elements and the units;

(7) cause improvements to be made as a part of the common elements, and, in the case of a cooperative, the units;

(8) acquire, hold, encumber, and convey in its own name any right, title, or interest to real estate or personal property, but (i) common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to section 515B.3-112, or (ii) part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to section 515B.3-112;

(9) grant or amend easements for public utilities, public rights-of-way or other public purposes, and cable television or other communications, through, over or under the common elements; grant or amend easements, leases, or licenses to unit owners for purposes authorized by the declaration; and, subject to approval by a vote of unit owners other than declarant or its affiliates, grant or amend other easements, leases, and licenses through, over or under the common elements;

(10) impose and receive any payments, fees, or charges for the use, rental, or operation of the common elements, other than limited common elements, and for services provided to unit owners;

(11) impose interest and late charges for late payment of assessments and, after notice and an opportunity to be heard before the board or a committee appointed by it, levy reasonable fines for violations of the declaration, bylaws, and rules and regulations of the association, provided that attorney fees and costs must not be charged or collected from a unit owner who disputes a fine or assessment and, if after the homeowner requests a hearing and a hearing is held by the board or a committee of the board, the board does not adopt a resolution levying the fine or upholding the assessment against the unit owner or owner's unit;

(12) impose reasonable charges for the review, preparation and recordation of amendments to the declaration, resale certificates required by section 515B.4-107, statements of unpaid assessments, or furnishing copies of association records;

(13) provide for the indemnification of its officers and directors, and maintain directors' and officers' liability insurance;

(14) provide for reasonable procedures governing the conduct of meetings and election of directors;

(15) exercise any other powers conferred by law, or by the declaration, articles of incorporation or bylaws; and

(16) exercise any other powers necessary and proper for the governance and operation of the association.

(b) Notwithstanding subsection (a) the declaration or bylaws may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

(c) A fine levied pursuant to subsection (a)(11), must not exceed \$100 for a single violation, and when combined with additional fines for an ongoing violation, late fees, and other allowable charges, must not exceed \$2,500 in total for the violation. An association that levies a fine pursuant to subsection (a)(11), or an assessment pursuant to section 515B.3-115(g), or 515B.3-1151(g), must provide a dated, written notice to a unit owner that:

(1) states the amount and reason for the fine or assessment;

(2) for fines levied under section 515B.3-102(a)(11), specifies: (i) the violation for which a fine is being levied and the date of the levy; and (ii) the specific section of the declaration, bylaws, rules, or regulations allegedly violated;

(3) for assessments levied under section 515B.3-115(g) or 515B.3-1151(g), identifies: (i) the damage caused; and (ii) the act or omission alleged to have caused the damage;

(4) states that all unpaid fines and assessments are liens which, if not satisfied, could lead to foreclosure of the lien against the owner's unit;

(5) describes the unit owner's right to be heard by the board or a committee appointed by the board;

(6) states that if the assessment, fine, late fees, and other allowable charges are not paid, the amount may increase as a result of the imposition of attorney fees and other collection costs; and

(7) informs the unit owner that homeownership assistance is available from the Minnesota Homeownership Center.

(d) Notwithstanding subsection (a), powers exercised under this section must comply with sections 500.215 and 500.216.

(e) Notwithstanding subsection (a)(4) or any other provision of this chapter, the association, before instituting litigation or arbitration involving construction defect claims against a development party, shall:

(1) mail or deliver written notice of the anticipated commencement of the action to each unit owner at the addresses, if any, established for notices to owners in the declaration and, if the declaration does not state how notices are to be given to owners, to the owner's last known address. The notice shall specify the nature of the construction defect claims to be alleged, the relief sought, and the manner in which the association proposes to fund the cost of pursuing the construction defect claims; and

(2) obtain the approval of owners of units to which a majority of the total votes in the association are allocated. Votes allocated to units owned by the declarant, an affiliate of the declarant, or a mortgagee who obtained ownership of the unit through a foreclosure sale are excluded. The association may obtain the required approval by a vote at an annual or special meeting of the members or, if authorized by the statute under which the association is created and taken in compliance with that statute, by a vote of the members taken by electronic means or mailed ballots. If the association holds a meeting and voting by electronic means or mailed ballots is authorized by that statute, the association shall also provide for voting by those methods. Section 515B.3-110(c) applies to votes taken by electronic means or mailed ballots, except that the votes must be used in combination with the vote taken at a meeting and are not in lieu of holding a meeting, if a meeting is held, and are considered for purposes of determining whether a quorum was present. Proxies may not be used for a vote taken under this paragraph unless the unit owner executes the proxy after receipt of the notice required under subsection (e)(1) and the proxy expressly references this notice.

(f) The association may intervene in a litigation or arbitration involving a construction defect claim or assert a construction defect claim as a counterclaim, crossclaim, or third-party claim before complying with subsections (e)(1) and (e)(2) but the association's complaint in an intervention, counterclaim, crossclaim, or third-party claim shall be dismissed without prejudice unless the association has complied with the requirements of subsection (e) within 90 days of the association's commencement of the complaint in an intervention or the assertion of the counterclaim, crossclaim, or third-party claim.

Sec. 24. Minnesota Statutes 2022, section 515B.3-107, is amended to read:

515B.3-107 UPKEEP OF COMMON INTEREST COMMUNITY.

(a) Except to the extent provided by the declaration, this subsection or section 515B.3-113, the association is responsible for the maintenance, repair and replacement of the common elements, and each unit owner is responsible for the maintenance, repair and replacement of the unit owner's unit. Damage to the common elements or any unit as a result of the acts or omissions of a unit owner or the association, including damage resulting from the unit owner's or association's lack of maintenance or failure to perform necessary repairs or replacement, is the responsibility of the unit owner or association responsible for causing the damage, or whose agents or invitees caused the damage.

(b) The association's board of directors shall prepare and approve a written preventative maintenance plan, maintenance schedule, and maintenance budget for the common elements. The association shall follow the approved preventative maintenance plan. The association's board may amend, modify, or replace an approved preventative maintenance plan or an approved maintenance schedule from time to time. The association must provide all unit owners with a paper copy, electronic copy, or electronic access to the preventative maintenance plan, the maintenance schedule, and any

amendments or modifications to or replacements of the preventative maintenance plan and the maintenance schedule. If a common interest community was created on or before August 1, 2017, the association's board of directors shall have until January 1, 2019, to comply with the requirements of this subsection.

(c) The association shall have access through and into each unit for purposes of performing maintenance, repair or replacement for which the association may be responsible. The association and any public safety personnel shall also have access for purposes of abating or correcting any condition in the unit which violates any governmental law, ordinance or regulation, which may cause material damage to or jeopardize the safety of the common interest community, or which may constitute a health or safety hazard for occupants of units.

(d) In exercising any authority granted to it under the declaration to approve or disapprove proposed changes to a unit or limited common element, the association's board shall provide a fair, reasonable, and expeditious procedure for making its decision. The procedure shall be set forth in the association's governing documents. The procedures shall state the maximum time for issuance of any decision on a proposal or a request for reconsideration. At a minimum, a decision shall be made within 90 days after the initial submission of the proposal or submission of any additional information or changes to the proposal requested by the association's board in response to the initial submission. A decision shall be in writing, shall be made in good faith, and may not be unreasonable, arbitrary, or capricious. If the proposal is disapproved, the decision shall include both an explanation of why the proposal is disapproved and a description of the procedure for reconsideration of the decision by the association's board.

~~(d)~~ (e) Neither the association, nor any unit owner other than the declarant or its affiliates, is subject to a claim for payment of expenses incurred in connection with any additional real estate.

(f) Unless expressly provided for in the declaration, the association must not enforce any restriction on parking of a personal vehicle on a public street or public road for which the state or local government has assumed responsibility for maintenance and repairs, unless the authority to regulate such parking has been expressly delegated to the association by the state or local government under terms prescribing the manner in which the association may exercise that authority. Any such delegation shall be valid for a period not to exceed five years, at which time the association must reapply to the delegating entity. As used in this subdivision, "personal vehicle" means an automobile with a gross weight of less than 26,001 pounds that is used for personal pleasure, travel, or commuting to and from a place of work, and does not include a motor home or self-propelled recreational vehicle, or an automobile that is otherwise used primarily in connection with any commercial endeavor or business.

Sec. 25. Minnesota Statutes 2023 Supplement, section 515B.3-116, is amended to read:

515B.3-116 LIEN FOR ASSESSMENTS.

(a) The association has a lien on a unit for any assessment levied against that unit from the time the assessment becomes due. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due. Unless the declaration otherwise provides, fees, charges, late charges, ~~fin~~es and interest charges pursuant to section 515B.3-102(a)(10), (11) and (12) are liens, and are enforceable as assessments, under this section.

Fines and fine-related charges are not liens, and are not enforceable as assessments under this section. Recording of the declaration constitutes record notice and perfection of any assessment lien under this section, and no further recording of any notice of or claim for the lien is required.

(b) Subject to subsection (c), a lien under this section is prior to all other liens and encumbrances on a unit except (i) liens and encumbrances recorded before the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes, or takes subject to, (ii) any first mortgage encumbering the fee simple interest in the unit, or, in a cooperative, any first security interest encumbering only the unit owner's interest in the unit, (iii) liens for real estate taxes and other governmental assessments or charges against the unit, and (iv) a master association lien under section 515B.2-121(h). This subsection shall not affect the priority of mechanic's liens.

(c) If a first mortgage on a unit is foreclosed, the first mortgage was recorded after June 1, 1994, and no owner or person who acquires the owner's interest in the unit redeems pursuant to chapter 580, 581, or 582, the holder of the sheriff's certificate of sale from the foreclosure of the first mortgage or any person who acquires title to the unit by redemption as a junior creditor shall take title to the unit subject to a lien in favor of the association for unpaid assessments for common expenses levied pursuant to section 515B.3-115(a), (e)(1) to (3), (f), and (i) which became due, without acceleration, during the six months immediately preceding the end of the owner's period of redemption. The common expenses shall be based upon the association's then current annual budget, notwithstanding the use of an alternate common expense plan under section 515B.3-115(a)(2). If a first security interest encumbering a unit owner's interest in a cooperative unit which is personal property is foreclosed, the secured party or the purchaser at the sale shall take title to the unit subject to unpaid assessments for common expenses levied pursuant to section 515B.3-115(a), (e)(1) to (3), (f), and (i) which became due, without acceleration, during the six months immediately preceding the first day following either the disposition date pursuant to section 336.9-610 or the date on which the obligation of the unit owner is discharged pursuant to section 336.9-622.

(d) Proceedings to enforce an assessment lien shall be instituted within three years after the last installment of the assessment becomes payable, or shall be barred.

(e) The unit owner of a unit at the time an assessment is due shall be personally liable to the association for payment of the assessment levied against the unit. If there are multiple owners of the unit, they shall be jointly and severally liable.

(f) This section does not prohibit actions to recover sums for which subsection (a) creates a lien nor prohibit an association from taking a deed in lieu of foreclosure.

(g) The association shall furnish to a unit owner or the owner's authorized agent upon written request of the unit owner or the authorized agent a statement setting forth the amount of unpaid assessments currently levied against the owner's unit. If the unit owner's interest is real estate, the statement shall be in recordable form. The statement shall be furnished within ten business days after receipt of the request and is binding on the association and every unit owner.

(h) The association's lien may be foreclosed as provided in this subsection. In no case may an association's lien be foreclosed unless unpaid fees, charges, late charges, and interest charges pursuant to section 515B.3-102(a)(10), (11) and (12), are outstanding for more than 180 days.

(1) In a condominium or planned community, the association's lien may be foreclosed in a like manner as a mortgage containing a power of sale pursuant to chapter 580, or by action pursuant to chapter 581. The association shall have a power of sale to foreclose the lien pursuant to chapter 580, except that any portion of the assessment that represents attorney fees or costs shall not be included in the amount a unit owner must pay to reinstate under section 580.30 or chapter 581.

(2) In a cooperative whose unit owners' interests are real estate, the association's lien shall be foreclosed in a like manner as a mortgage on real estate as provided in paragraph (1).

(3) In a cooperative whose unit owners' interests in the units are personal property, the association's lien shall be foreclosed in a like manner as a security interest under article 9 of chapter 336. In any disposition pursuant to section 336.9-610 or retention pursuant to sections 336.9-620 to 336.9-622, the rights of the parties shall be the same as those provided by law, except (i) notice of sale, disposition, or retention shall be served on the unit owner 90 days prior to sale, disposition, or retention, (ii) the association shall be entitled to its reasonable costs and attorney fees not exceeding the amount provided by section 582.01, subdivision 1a, (iii) the amount of the association's lien shall be deemed to be adequate consideration for the unit subject to disposition or retention, notwithstanding the value of the unit, and (iv) the notice of sale, disposition, or retention shall contain the following statement in capital letters with the name of the association or secured party filled in:

"THIS IS TO INFORM YOU THAT BY THIS NOTICE (fill in name of association or secured party) HAS BEGUN PROCEEDINGS UNDER MINNESOTA STATUTES, CHAPTER 515B, TO FORECLOSE ON YOUR INTEREST IN YOUR UNIT FOR THE REASON SPECIFIED IN THIS NOTICE. YOUR INTEREST IN YOUR UNIT WILL TERMINATE 90 DAYS AFTER SERVICE OF THIS NOTICE ON YOU UNLESS BEFORE THEN:

(a) THE PERSON AUTHORIZED BY (fill in the name of association or secured party) AND DESCRIBED IN THIS NOTICE TO RECEIVE PAYMENTS RECEIVES FROM YOU:

(1) THE AMOUNT THIS NOTICE SAYS YOU OWE; PLUS

(2) THE COSTS INCURRED TO SERVE THIS NOTICE ON YOU; PLUS

(3) \$500 TO APPLY TO ATTORNEY FEES ACTUALLY EXPENDED OR INCURRED; PLUS

(4) ANY ADDITIONAL AMOUNTS FOR YOUR UNIT BECOMING DUE TO (fill in name of association or secured party) AFTER THE DATE OF THIS NOTICE; OR

(b) YOU SECURE FROM A DISTRICT COURT AN ORDER THAT THE FORECLOSURE OF YOUR RIGHTS TO YOUR UNIT BE SUSPENDED UNTIL YOUR CLAIMS OR DEFENSES ARE FINALLY DISPOSED OF BY TRIAL, HEARING, OR SETTLEMENT. YOUR ACTION MUST SPECIFICALLY STATE THOSE FACTS AND GROUNDS THAT DEMONSTRATE YOUR CLAIMS OR DEFENSES.

IF YOU DO NOT DO ONE OR THE OTHER OF THE ABOVE THINGS WITHIN THE TIME PERIOD SPECIFIED IN THIS NOTICE, YOUR OWNERSHIP RIGHTS IN YOUR UNIT WILL TERMINATE AT THE END OF THE PERIOD, YOU WILL LOSE ALL THE MONEY YOU HAVE PAID FOR YOUR UNIT, YOU WILL LOSE YOUR RIGHT TO POSSESSION OF YOUR

UNIT, YOU MAY LOSE YOUR RIGHT TO ASSERT ANY CLAIMS OR DEFENSES THAT YOU MIGHT HAVE, AND YOU WILL BE EVICTED. IF YOU HAVE ANY QUESTIONS ABOUT THIS NOTICE, CONTACT AN ATTORNEY IMMEDIATELY."

(4) In any foreclosure pursuant to chapter 580, 581, or 582, the rights of the parties shall be the same as those provided by law, except (i) the period of redemption for unit owners shall be six months from the date of sale or a lesser period authorized by law, (ii) in a foreclosure by advertisement under chapter 580, the foreclosing party shall be entitled to costs and disbursements of foreclosure and attorney fees authorized by the declaration or bylaws, notwithstanding the provisions of section 582.01, subdivisions 1 and 1a, (iii) in a foreclosure by action under chapter 581, the foreclosing party shall be entitled to costs and disbursements of foreclosure and attorney fees as the court shall determine, and (iv) the amount of the association's lien shall be deemed to be adequate consideration for the unit subject to foreclosure, notwithstanding the value of the unit.

(i) If a holder of a sheriff's certificate of sale, prior to the expiration of the period of redemption, pays any past due or current assessments, or any other charges lienable as assessments, with respect to the unit described in the sheriff's certificate, then the amount paid shall be a part of the sum required to be paid to redeem under section 582.03.

(j) In a cooperative, if the unit owner fails to redeem before the expiration of the redemption period in a foreclosure of the association's assessment lien, the association may bring an action for eviction against the unit owner and any persons in possession of the unit, and in that case section 504B.291 shall not apply.

(k) An association may assign its lien rights in the same manner as any other secured party.

Sec. 26. Minnesota Statutes 2022, section 515B.4-116, is amended to read:

515B.4-116 RIGHTS OF ACTION; RETALIATION PROHIBITED; ATTORNEY'S FEES.

(a) In addition to any other rights to recover damages, attorney's fees, costs or expenses, whether authorized by this chapter or otherwise, if a declarant, an association, or any other person violates any provision of this chapter, or any provision of the declaration, bylaws, or rules and regulations any person or class of persons adversely affected by the failure to comply has a claim for appropriate relief. Subject to the requirements of section 515B.3-102, the association shall have standing to pursue claims on behalf of the unit owners of two or more units.

(b) An association may not retaliate against an owner for asserting any right the owner has under this chapter or other law. For purposes of this paragraph, asserting rights includes but is not limited to filing an action in district court to enforce a right or remedy provided by this chapter or other law; by the declaration, bylaws, or rules and regulations of the association; or by filing a complaint with local authorities regarding a violation of a health, safety, housing, or building code or ordinance. An association may not decrease services or impose a fine or other penalty or charge legal fees to the owner, nor may the association make the resumption of services or removal of the fine, penalty, or legal fees contingent on the owner dropping the owner's action in district court or complaint with local authorities.

~~(b)~~ (c) The court may award reasonable attorney's fees and costs of litigation to the prevailing party. Punitive damages may be awarded for a willful failure to comply.

~~(e)~~ (d) As a condition precedent to any construction defect claim, the parties to the claim must submit the matter to mediation before a mutually agreeable neutral third party. For the purposes of this section, mediation has the meaning given under the General Rules of Practice, rule 114.02 (7). If the parties are not able to agree on a neutral third-party mediator from the roster maintained by the Minnesota Supreme Court, the parties may petition the district court in the jurisdiction in which the common interest community is located to appoint a mediator. The applicable statute of limitations and statute of repose for an action based on breach of a warranty imposed by this section, or any other action in contract, tort, or other law for any injury to real or personal property or bodily injury or wrongful death arising out of the alleged construction defect, is tolled from the date that any party makes a written demand for mediation under this section until the latest of the following:

(1) five business days after mediation is completed; or

(2) 180 days.

Notwithstanding the foregoing, mediation shall not be required prior to commencement of a construction defect claim if the parties have completed home warranty dispute resolution under section 327A.051.

~~(d)~~ (e) The remedies provided for under this chapter are not exclusive and do not abrogate any remedies under other statutes or the common law, notwithstanding whether those remedies are referred to in this chapter."

"Sec. 2. Minnesota Statutes 2023 Supplement, section 181.213, subdivision 2, is amended to read:

Subd. 2. **Investigation of market conditions.** (a) The board must investigate market conditions and the existing wages, benefits, and working conditions of nursing home workers for specific geographic areas of the state and specific nursing home occupations. Based on this information, the board must seek to adopt minimum nursing home employment standards that meet or exceed existing industry conditions for a majority of nursing home workers in the relevant geographic area and nursing home occupation. Except for standards exceeding the threshold determined in paragraph (d), initial employment standards established by the board are effective beginning January 1, 2025, and shall remain in effect until any subsequent standards are adopted by rules.

(b) The board must consider the following types of information in making determinations that employment standards are reasonably necessary to protect the health and welfare of nursing home workers:

(1) wage rate and benefit data collected by or submitted to the board for nursing home workers in the relevant geographic area and nursing home occupations;

(2) statements showing wage rates and benefits paid to nursing home workers in the relevant geographic area and nursing home occupations;

(3) signed collective bargaining agreements applicable to nursing home workers in the relevant geographic area and nursing home occupations;

(4) testimony and information from current and former nursing home workers, worker organizations, nursing home employers, and employer organizations;

(5) local minimum nursing home employment standards;

(6) information submitted by or obtained from state and local government entities; and

(7) any other information pertinent to establishing minimum nursing home employment standards.

(c) In considering wage and benefit increases, the board must determine the impact of nursing home operating payment rates determined pursuant to section 256R.21, subdivision 3, and the employee benefits portion of the external fixed costs payment rate determined pursuant to section 256R.25. If the board, in consultation with the commissioner of human services, determines the operating payment rate and employee benefits portion of the external fixed costs payment rate will increase to comply with the new employment standards, the board shall report to the legislature the increase in funding needed to increase payment rates to comply with the new employment standards and must make implementation of any new nursing home employment standards contingent upon an appropriation, as determined by sections 256R.21 and 256R.25, to fund the rate increase necessary to comply with the new employment standards.

(d) In evaluating the impact of the employment standards on payment rates determined by sections 256R.21 and 256R.25, the board, in consultation with the commissioner of human services, must consider the following:

(1) the statewide average wage rates for employees pursuant to section 256R.10, subdivision 5, and benefit rates pursuant to section 256R.02, subdivisions 18 and 22, as determined by the annual Medicaid cost report used to determine the operating payment rate and the employee benefits portion of the external fixed costs payment rate for the first day of the calendar year immediately following the date the board has established minimum wage and benefit levels;

(2) compare the results of clause (1) to the operating payment rate and employee benefits portion of the external fixed costs payment rate increase for the first day of the second calendar year after the adoption of any nursing home employment standards included in the most recent budget and economic forecast completed under section 16A.103; and

(3) if the established nursing home employment standards result in an increase in costs that exceed the operating payment rate and external fixed costs payment rate increase included in the most recent budget and economic forecast completed under section 16A.103, effective on the proposed implementation date of the new nursing home employment standards, the board must determine if the rates will need to be increased to meet the new employment standards and the

standards must not be effective until an appropriation sufficient to cover the rate increase and federal approval of the rate increase is obtained.

(e) At least three months before the certifying described in paragraph (f), the board must examine and report to the legislature the initial 12-month facility specific cost of complying with any standard. This report must include estimates for each nursing facility that participates in chapter 256R and include the costs resulting from the standard for each nursing facility due to the increased wages, payroll taxes, changes to benefits, and wage compression.

(f) The budget and economic forecasts completed under section 16A.103 shall not assume an increase in payment rates determined under chapter 256R resulting from the new employment standards until the board certifies the rates will need to be increased and the legislature appropriates funding for the increase in payment rates."
